- x) Scanned copy of Signed Integrity Pact as per Appendix-XVIII of GCC/page 118-126.
- xi) **Bid Capacity (as per Annexure-VIII/Page-PR-15)**: Financial bids of the tenderer will only be opened if their available bid capacity is more than **Rs. 19.97 Crore** Available bid capacity will be calculated based on the following formula.

Available Bid Capacity B = 2NT-A

Where.

B = is the bidding capacity

N = Maximum value of works executed in any one year during the last 5 (five) years (updated the completed works to current costing level of enhancing at a simple rate of interest @7% per annum).

T = is the numbers of years prescribed for completion of the work in question.

A = is the value of the existing commitments and ongoing works to be completed in the next 'T' years.

Note: Bid capacity of the tenderer and value of existing commitments for on-going works during period of <u>16 months w.e.f. last date of submission of bid</u> has to be submitted by the tenderer as per the prescribed Performa. These data shall be certified by the Chartered Accountant/ Company Auditor with his stamp and signature in original with membership number (**Performa given in page no. Annexure-VIII/Page-PR-15**).

- xii) Bidder shall submit scanned copy of 'Undertaking' on Company's Letter Head that I/ We will deploy sufficient plant and machinery as per the requirement of work in consultation with the Engineer-in-Charge (E-I-C) to achieve the milestones/targets and overall completion within the time period. (As per Annexure-V)
- xiii) Bidders other than propriety firm shall submit, scanned copy of Authorization Letter/Power of Attorney along with copy of Certificate of Incorporation of the Company under Companies Act showing CIN/LLPIN/Name of Directors of the Company & Copy of Board Resolution regarding Authority to assign Power of Attorney.

Proprietary firm shall submit scanned copy of Authorization Letter/Power of Attorney only if the tender is processed by a person other than proprietor.

- xiv) Duly filled PQ Performa (As per Annexure-1A)
- xv) Scanned copy of duly notarized affidavit on Non-Judicial Stamp Paper of Rs. 100/-regarding compliance of minimum wage (**As per Annexure-III**)

{ C- Nil, I- Nil, O- Nil, OW- Nil}

- xvi) Undertaking for GST Compliance (As per Annexure-IV)
- xvii)Undertaking for non-relative working in AAI (As per Annexure-VI)
- xviii) Scanned copy of EPF & ESIC Registration (In case the agency is not having registration for EPF & ESIC, they shall have to submit the undertaking in this regard that after the award of work they will make themselves registered with EPF & ESIC and submit the same within one month of award of work.
- C. Qualifying requirements of contractors /tenderers containing the following:
 - i) Should have satisfactorily completed (# Phase/Part completion of the scope of work in a contract shall not be considered, however pre-determined phasing of the work will be accepted) three works, each of Rs. 7.99 Core (excluding GST) or two works, each of Rs. 9.99 Crore (excluding GST) or one work of Rs. 15.98 Core (excluding GST) in single contract of similar nature of work i.e. Building Works with RCC framed structure/RCC Boundary wall/Pre-cast Boundary wall during last seven years ending last day of month previous to the one in which tenders are invited.

The details of similar works completed during last seven years in the given format-Form-A with supporting documents issued by client.

Note:

- 1. The Experience Certificates of works completed pre GST era, Completion amount will be divided by 1.12 (to exclude pre GST taxes) to make it at par with experience certificates of post GST era but excluding GST.
- 2. Experience gained by executing work on back-to-back contract/ Sub-contract basis is acceptable in the following conditions:
 - (a) Work should be actually executed by the second agency (sub-contractor) with due concurrence of the owner as tripartite agreement/ written approval. It should be backed by valid agreement and experience certificate.
 - (b) Payments received by second agency should be reflected in TDS certificates.
- 3. Experience gained in composite works for the specialized nature of works (List of Specialized Items / Jobs/ Works are mentioned at Para 35.3 of AAI Works Manual) were executed by main contractor either by in-house expertize & experience or by engaging the specialized agencies with the approval of main client as per contract conditions. In such cases, main contractor as well as specialized agency both get the experience certificate for the same work from their respective client(s) i.e. main contractor for composite work along with specialized works from owner and specialized agency for specialized work(s) from the main contractor.

In this situation, the experience certificate of either specialized agency or main agency having in-house expertise & experience, who has actually executed the specialized work(s), shall be considered for Technical /Pre-qualifying criteria in similar specialized nature of work(s).

"The value of executed works shall be brought to current costing level by enhancing the actual value of work at simple rate of 7% per annum, calculated from the date of completion to previous day of last day of submission of bids.

Client certificate for experience should show the nature of work done, the value of work, date of start, date of completion as per agreement, actual date of

completion and satisfactory completion of work. Tenderers showing work experience certificate from non-government/non-PSU organizations should submit copy of tax deduction at sources (TDS) certificate(s) alongwith a certificate issued by registered Chartered Accountant, clearly specifying the name of work, total payment received against the work and TDS amount for the work.

- ii) Should have Average Annual Financial Turnover of Rs. 5.99 Crore on construction works during last three years ending 31st March of the previous financial year. The Financial Information shall be submitted in the given format Form-B. Tenderers showing continuous losses during the last three years in the balance sheet shall be summarily rejected.
- iii) The tenderer should have a minimum net worth of Rs. 3.00 Crore, issued by certified Chartered Accountants. The Certificate should be submitted in the given format- Form-C.

Scanned copy of all the Documents of Envelope—I mentioned above shall be submitted on the CPP portal. If EMD not paid online on CPP Portal, Original/Hard Copies of Insurance Surety Bond/ BG against EMD is required to be submitted/sent to the **AGM** (Engg-Civil), LBSI Airport, Varanasi-221006 (Bid Manager) on or before date & time mentioned in CRITICAL DATA SHEET. The bidder, whose Insurance Surety Bond/ BG against EMD are not received by the date & time mentioned in critical data sheet, then their tenders will be liable to be rejected. Any postal delay will not be entertained.

Envelope-II: - The Financial e-Bid through CPP Portal:

All rates shall be quoted in the format provided and no other format is acceptable. If the price bid has been given as a standard BOQ format with the tender document, then the same is to be downloaded and to be filled by all the tenderers. Tenderers are required to download the BOQ file, open it and complete the blue coloured (unprotected) cells with their respective financial quotes and other details (such as name of the tenderer). No other cells should be changed. Once the details have been completed, the tenderer should save it and submit it online, without changing the filename. If the BOQ file is found to be modified by the tenderer, the bid will be rejected.

3. Refund of EMD

EMD amount of the rejected/unsuccessful bidders will be refunded to their source account after submission of Technical / Financial evaluation report on CPP portal by bid Manager. If EMD submitted in the form of Insurance Surety Bond / BG shall be returned by post.

4. Bid Submission: -

The tenderer shall submit their application only at CPP Portal: https://etenders.gov.in/eprocure/app. Tenderer/Contractor are advised to follow the instructions provided in the tender document for online submission of bids. Tenderers are required to upload the digitally signed file of scanned documents as per Para 2. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.

Uploading of application in location other than specified above shall not be considered. Hard copy of application shall not be entertained.

5. Not more than one tender shall be submitted by one tenderer or tenderers having business relationship. Under no circumstance will father and his son(s) or other close relations who have business relationship with one another (i.e. when one or more { C- Nil, I- Nil, O- Nil, OW- Nil}

partner(s)/director(s) are common) be allowed to tender for the same contract as separate competitors. A breach of this condition will render the tenders of both parties liable to rejection.

6. Tenderer who has downloaded the tender from Central Public Procurement Portal (CPPP) website http://etenders.gov.in/eprocure/app, shall not tamper/modify the tender form including downloaded price bid template in any manner. In case if the same is found to be tampered/modified in any manner, tender will be completely rejected and EMD would be forfeited and tenderer is liable to be banned from doing business with AAI.

7. Bids Opening Process is as below: -

Envelope-I (Technical bid and Pre-qualification):

Envelope-I containing documents as per Para 2 (A), (B) and (C) (uploaded by the tenderers)shall be opened on date & time mentioned in CRITICAL DATA SHEET.

If the bidder has any query related to the Bid Document of the work, they should use 'Seek Clarification' on CPP portal to seek clarifications. No other means of communication in this regards shall be entertained.

If any clarification is needed from the tenderer about the deficiency in his uploaded documents in Envelope – I, he will be asked to provide it through CPP portal, if required. The tenderer shall upload the requisite clarification/documents within time specified by AAI, failing which it shall be presumed that bidder does not have anything to submit and bid shall be evaluated accordingly.

The intimation regarding acceptance/rejection of their bids will be intimated to the tenderers through CPP portal.

Envelope-II (Financial Bid):

Envelope-II containing financial bid of the tenderers found to be meeting the technical criteria and qualifying requirements shall be opened on date & time mentioned in CRITICAL DATA SHEET. (In case the date and time for opening of Envelope-II (Financial bid) is required to be changed, the same shall be intimated through CPP Portal).

- 8. AAI reserves the right to accept or reject any or all applications without assigning any reasons. AAI also reserves the right to call off tender process at any stage without assigning any reason.
- 9. AAI reserves the right to disallow the working agencies whose performance at ongoing project (s) is below par and usually poor and has been issued letter of restrain/Temporary or Permanent debarment/black listing by any department of AAI or Central /State Govt. Depts./PSUs/World Bank/ ADB etc. AAI reserves the right to verify the credential submitted by the tenderer at any stage (before or after the award the work). If at any stage, any information /documents submitted by the applicant is found to be incorrect/false or have some discrepancy which disqualifies the tenderer then AAI shall take the following action:
 - a) Forfeit the entire amount of EMD submitted by the tenderer.
 - b) The tenderer shall be liable for debarment from tendering in AAI, including termination of the contract apart from any other appropriate contractual/legal action.
- 10. Consortium/JV companies shall not be permitted.
- 11. Purchase preference to Central Public Sector Undertaking shall be applicable as per the

directive of Govt. of India prevalent on the date of acceptance.

- 12. Concessions to Indian Micro & Small Enterprises (MSEs) units registered with DIC/NSIC/KVIC/KVIB/Directorate of Handicraft and Handloom etc., to be given as per the provisions of Public Procurement Policy for MSEs order 2012 with up to date amendments, shall be applicable for tenders of supply/services and shall not be extended to construction work.
- 13. Tenderers have to submit Unique Document Identification Number (UDIN) generated documents like Balance Sheet / Turnover certificate, Working Capital Certificate (works done during last 5 financial years & works in hand), Net worth Certificate, Tax Deduction at Source (TDS) Certificates for Non- Govt. works etc. as per NIT conditions duly certified by CA and having UDIN. The documents submitted by bidders without UDIN shall not be entertained.
- 14. Tender shall be submitted in English language, if any of the supporting documents is submitted in any language other than English (For Indian languages, the translated English version duly notarized by Indian Notary. For Foreign languages, the translated English version duly certified from the Indian Embassy of the certificate issuing country or the embassy of the certificate issuing country in India.) shall be submitted with the respective document. All supporting documents submitted with the bid should be self-certified & stamped by the firm and serially numbered. An index of documents submitted shall also be submitted.

UNDERTAKING

(To submitted on contractor's letter head)

- 1) Name of work: Construction of Boundary wall for newly acquired land at LBSI Airport Varanasi
- 2) Estimated Cost put to tender: Rs. 19.97 Crore (excluding GST).
- 3) Period of completion: 16 months (including 04 months for rains).
- 4) Bidding capacity of tenderer: (To be submitted along with values by the bidder)

Parameter	In case of Sole	In case if Bidder is JV/Consotrium		
	Bidder	Lead Member	Other Member	
N				
T				
A				
Bid Capacity (B)				
% age Participation Share as indica				
JV/Consortium agreement				
Combined Bid Capacity of JV/Cons				

The bidding capacity of the contractor should be equal to or more than the estimated cost of the work put to tender. The bidding capacity shall be worked out by the following formula:

B=2 NT-A

Where B - is the Bidding Capacity.

N - Maximum value of Civil Engineering Works executed in any one year during the last 5 (five) years (updated the completed works to current costing level of enhancing at a simple rate of interest @ 7% per annum.)

T - is the number of years prescribed for completion of the work in question.

A - is the value (updated at the current price level) of the existing commitments and ongoing works to be completed in the next 'T' years.

In case available bidding capacity of the bidders is less than the estimated cost of work put to tender, the financial bid of such tenderer shall not be opened.

5) "It is certified that bidding capacity of our firm/ agency/ company worked out based on the above formula is not less than the estimated cost put to tender for the subject work as mentioned above.

We also understand that in case the above information is found to false at any stage (before award or after award of the subject work) we shall be liable for black-listing/debarment rom participation in tenders apart from any Penal action by Airports Authority of India."

AIRPORTS AUTHORITY OF INDIA ENGINEERING WING (CIVIL)

LBSI AIRPORT, VARANASI

GENERAL GUIDELINES FOR THE BIDDERS

Name of Work: "Construction of Boundary wall for newly acquired land at LBSI Airport Varanasi"

First Important Step to Bidder for e-tender:

(CPP e-Procurement portal reference: https://etenders.gov.in/eprocure/app)

Bidders have to read the instructions to the bidders given in the e-tender portal of CPP and take immediate steps to:

- a) Register for bid to participate in tendering.
- b) Obtain digital signature well in advance which takes minimum 24 to 30 hours.
- c) Make sure availability of all required software in your PC as instructed under bidders' instruction head of e-procurement portal of CPP.

Correspondence on tender documents:

- a) **Tender Document:** The prospective bidder shall download the tender documents on-line from CPP's e-Procurement portal and upload digitally signed entire tender document on CPP e-tender portal. Besides, whenever tenderer signatures are earmarked in the tender documents shall put his signature and upload scan copies of the same.
- b) Amendment to Tender Document: At any time, prior to scheduled date of submission of bids, AAI if it deems appropriate to revise any part of this tender or to issue additional date to clarify the interpretation of provisions of this tender, it may issue addendum/corrigendum to this tender. Any such Addendum/ Corrigendum shall be deemed to be incorporated by this reference into this tender and binding on the bidders. Addendum/Corrigendum will be notified through CPP's Website/Portal only.
- c) Clarifications of Tender Document: Bidder, requiring any clarifications of the tender document, may submit their queries, if any, through provision of CPP's Website/Portal on as per the critical dates given on Notice Inviting E-Tender. Replies to queries by AAI will be uploaded through CPP's e-Procurement portal. The bidders are advised to visit CPP's Website/Portal regularly.

No correspondence shall be entertained from the tenderer after opening of tenders, other than asked by AAI for any clarifications if required

AIRPORTS AUTHORITY OF INDIA Instructions for Online Bid Submission

The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal.

More information useful for submitting online bids on the CPP Portal may be obtained at: https://etenders.gov.in/eprocure/app.

REGISTRATION

- 1) Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL: https://etenders.gov.in/eprocure/app) by clicking on the link "Online bidderEnrollment" on the CPP Portal which is free of charge.
- 2) As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
- 3) Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
- 4) Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / nCode / eMudhra etc.), with their profile.
- 5) Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC's to others which may lead to misuse.
- 6) Bidder then logs in to the site through the secured log-in by entering their user ID / password and the password of the DSC / e-Token.

SEARCHING FOR TENDER DOCUMENTS

- 1) There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the CPP Portal.
- 2) Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.

A A T	C	1	C 1
A.A.I.	U	L	G-1

3) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

PREPARATION OF BIDS

- 1) Bidder should take into account any corrigendum published on the tender document before submitting their bids.
- 2) Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
- 3) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF/JPG formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.

To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use "My Space" or ''Other Important Documents'' area available to them to upload such documents and keep it as a repository

Note: My Documents space is only a repository given to the Bidders to ease the uploading process. If Bidder has uploaded his Documents in My Documents space, this does not automatically ensure these Documents being part of Technical Bid.

SUBMISSION OF BIDS

- 1) Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- 2) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- 3) Bidder has to select the payment option as "Pay online" to pay the tender fee / EMD as applicable and enter details of the instrument.
- 4) Bidder has to click "Pay online" when bidder reach on desired page while online bid submission. Click "Confirm to Pay" to proceed with the payment gateway. Verify that the Tender fee and EMD shown are correct, as per tender document. Then, select the payment option SBI MOPS and submit. Bidder has to check and follow the Terms and Conditions, and then Submit. Bidder may choose the type of transaction and process for payment. Once the Payment type is selected it navigates to the respective landing page.

- v) The challan is generated after successful transaction.

	~	~ 4
A A I		(2.3
A.A.I.	C	()-3

- vi) Download challan of the e-procurement RTGS/NEFT Remittance Information.
- 5) Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. If the price bid has been given as a standard BOQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download theBOQfile, open it and complete the white coloured (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If theBOQfile is found to be modified by the bidder, the bid will be rejected and EMD shall be forfeited.
- 6) The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
- 7) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid opener's public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- 8) The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- 9) Upon the successful and timely submission of bids (i.e. after Clicking "Freeze BidSubmission" in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
- 10) The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.

ASSISTANCE TO BIDDERS

- 1) Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender.
- 2) Any queries relating to the process of online bid submission or queries relating to CPP Portal in general may be directed to the 24x7 CPP Portal Helpdesk.

- 2) The Tenders shall be in the prescribed Form are invited in two bid system:

Bid Envelope-I: FEE, EMD/Technical Bid/Qualifying bid as per NIT **Bid Envelope-I**I: Financial/Price Bid as per ENIT.

- 3) Not more than one Tender shall be submitted by a contractor or by a firm. No two or more concerns in which an individual is interested, as Proprietor and/or partner shall tender for the execution of the same works. If they do so, all such Tenders shall be liable to be rejected.
- 4) The Accepting Authority as mentioned in **Schedule** 'F'/2(Viii), shall be the Accepting Authority hereinafter, referred to as such for the purpose of this contract.
- 5) In the event of the tender being submitted by a firm, it must be signed separately by each partner thereof or in the event of the absence of any partner, it must be signed on his behalf by a person holding a power-of-attorney authorizing him to do so. Such power of attorney to be uploaded with the tender and it must disclose that the firm is duly registered under the Indian Partnership Act, 1952.
- 6) Tender documents consisting of plans, specifications, Schedule of quantities of the work to be done, the conditions of contract and other necessary documents can be downloaded from the CPP e-tendering portal. Tender processing fees (Non-Refundable) of Rs 3540/- (i/c GST) will be required to be paid online on CPP Portal only. The last date of submission of bid is as mentioned in eNIT up to 1800 hrs.
- 7) Tenderers are advised to inspect and examine the site and its surroundings and satisfy themselves before submitting their Tenders as to the nature of the ground & sub-soil form the nature of the site, the means of access to the site, the accommodation they may require, working conditions including space for stacking of materials, rates of various materials to be incorporated in works.
- 8) The tenderer shall themselves obtain all necessary information such as applicability of taxes & duties, conditions affecting accommodation and movement of labours etc. and other information related to risks, contingencies and other circumstances which may influence or effect their Tender. A Tenderer shall be deemed to have full knowledge of the site whether he inspects it or not and no extra charges consequent on any misunderstanding or otherwise shall be allowed.

A.A.I.	CO	. NIT-	1	of 1	11

- 9) Submission of an e-tender by a Tenderer implies that he has read this notice and all other contract documents and has made himself aware of the scope and specifications of the works to be done and of conditions and rates at which stores, tools and plant, etc. will be issued to him by Airports Authority of India, local conditions, local material rates and other factors bearing on the execution of the works.
- 10)All rates shall be quoted in the **respective section** in CPP e-tender portal **(Price Bid i.e. envelope– II).** All rates shall be quoted Indian Rupees in the CPP portal https://etenders.gov.in/eprocure/app.
- 11)Tenders shall be received through CPP e-tendering portal **as mentioned in eNIT** and Envelope-I shall be opened on **as mentioned in eNIT** respectively for the bidders who have submitted their bids.
- 12) The tenderer should study the complete tender document. In order to facilitate AAI to prepare responses, the interested tenderers are requested to submit their queries if any, in e-tender portal only, up till the stipulated date and time. The tenderers queries will be replied through e-portal only.

13) Earnest Money Deposit (EMD):

13.1 As per eNIT.

13.2 Details of AAI Bank A/c for Bank Guarantee purpose are as follows.

CORPORATE NAME : AIRPORTS AUTHORITY OF INDIA

BANK NAME : ICICI BANK IFSC CODE : ICIC0000007

BG ADVISING MESSAGE : IFN760COV (BG ISSUE)

: IFN767COV (BG AMENDMENT)

UNIQUE IDENTIFIER CODE (7037): AAIVARANASI

While submitting the documents to BG issuing bank, the agency will also submit letter to the issuing bank as per the formats mentioned in the Appendix-XIA of GCC

- 13.3 In the case of any extension of tender opening date, tender shall arrange to extend validity of such EMD submitted in the form of BG suitably. In case of failure to extend the EMD validity their tender may not be considered.
- 13.4 No interest or any other expenses, whatsoever on the EMD will be payable by AAI.
- 13.5 The Tender EMD may be forfeited in the following case:
 - a) If a tenderer withdraws its tender during the period of tender validity specified in the tender conditions.
 - b) In the case of a successful Tenderer, if the Tenderer fails
 - i) To sign the Contract agreement.
 - ii) In case of any false information/document submitted by tenderer.

14) Power of attorney/authorization for signing tender:

- a) Only the Power of Attorney/Authorization holder of the tenderer on whose name the tender has been issued shall sign the Tender documents.
- b) The name and designation of the person or persons of the company who is authorized to sign shall be clearly indicated in the Authority letter.
- c) In the event of the tender submitted by a partnership firm, it must be signed separately by each partner thereof, or in the event of the absence of any partner, it must be signed on his behalf by a person holding a Power-of-Attorney authorizing him to do so by the partners. A certified copy of the Power-of-Attorney issued by the company/partnership firm shall be produced with the tender along with evidence of registration of partnership firm / company.
- 15) Notification of Award of contract will be made in writing to the successful bidder by the Accepting Authority or his representative. The contract will normally be awarded to the qualified and responsive Bidder offering lowest evaluated bid in conformity with the requirements of the specifications and contract documents and the Accepting Authority shall be the sole judge in this regard. The Accepting Authority does not bind himself to accept the lowest or, any tender or to give any reason for his decision. A **responsive bidder** is one who submits priced Tender and accepts all terms and conditions of the specifications and contract documents. A Tenderer shall submit a responsive bid, failing which his Tender will be liable to be rejected.
- 16) The Accepting Authority does not bind itself to accept lowest or any tender and reserves to himself the right of accepting the whole or any part of the Tender and Tenderer shall be bound to perform the same at his quoted rates. No claim whatsoever will be entertained on this account.
- 17) The Tenderer shall not be permitted to tender for works in Airports Authority of India Engineering Department, responsible for award and execution of contracts, in which his near relative is posted as Manager (Finance & Accounts) or Sr. Officer or as an engineer in any capacity. He shall also intimate the names of persons who are working with him in any capacity or are subsequently employed by him and who are near relatives to any officer in Airports Authority of India. Any breach of this condition by the contractor would render him liable to be debarred from Tendering for next 2 years.
- 18) The contractors shall give a list of AAI employees related to him.
- 19) No Engineer of Gazetted rank or other Gazetted Officer employed in Engineering or Administrative duties in an Engineering Department of Airports Authority of India/Govt. of India is allowed to work as a contractor for a period of two years of his retirement from Airports Authority of India/Government service, without the prior permission of Airports of India/Govt. of India. The contract is liable to be cancelled if either the contractor or any of his employees is found at any time to be such a person who had not obtained the permission of Airports Authority of India/Govt. of India as aforesaid before submission of the Tender or engagement in the contractor's service.

$\Delta \Delta I C \qquad I \qquad O$	
A.A.I.	

- 20) The Tender for the work shall remain open for acceptance for a period of Ninety days (90) days from the date of opening of Price Bid (i.e. Envelope-II). If any Tenderer withdraws his tender before the said period or makes any modifications in the terms and conditions of the Tender which are not acceptable to the Department, then Airports Authority of India shall without prejudice to any other right or remedy, be at liberty to forfeit the full said earnest money absolutely.
- 21) On acceptance of the Tender, the name of the accredited representative(s) of the contractor who would be responsible for taking instructions from the Engineer-in-Charge shall be communicated to the Engineer-in-Charge within 30 days of acceptance of tender.
- 22)A tenderer shall submit the tender which satisfies each and every condition laid down in this notice failing which the Tender will be liable to be rejected. Also if the credential submitted by the firm found to be incorrect or have some discrepancy which disqualifies the firm then the AAI shall take the following action:
 - (a) Forfeit the entire amount of EMD submitted by the firm.
 - (b) Debar the firm for minimum three years to tender for AAI in any name/style apart from any other appropriate contractual/legal actions.
- 23) GST/octroi/ royalty/ Construction Employee Welfare Cess/Excise or other tax on material, labour, services or contract in respect of this work contract including payment to local/Govt./Statutory authorities shall be payable by the contractor and Airports Authority of India will not entertain any claim whatsoever in this respect. Construction Employee Welfare Cess/ Labour Cess will be deducted at the time of making payment of running account bill as per prevailing rates of the respective states as notified by Govt. from time to time of payment made to the Contractor. Nothing extra will be paid by AAI in this respect.
 The contractor must produce proof of GST registration and PAN issued by
 - The contractor must produce proof of GST registration and PAN issued by Income Tax Department before sale of tender.
- 24) All tendered rates shall be inclusive of all taxes and levies payable under respective statutes but exclusive of GST. GST shall be paid to the agency against a valid Tax Invoice of concerned department. However, pursuant to the Constitution (46th Amendment) Act. 1982, if any further tax or levy is imposed by Statute, after the last stipulated date for the receipt of tender including extensions if any and the contractor thereupon necessarily and properly pays such taxes / levies, the contractor shall be reimbursed the amount so paid, provided such payments, if any, is not, in the opinion of the Engineer-In-Charge (whose decision shall be final and binding on the contractor) attributable to delay in execution of work within the control of the contractor.
 - a) The contractor shall keep necessary books of accounts and other documents for the purpose of this condition as may be necessary and shall allow inspection of the same by a duly authorized representative of Airports Authority of India and / or Engineer-In-Charge and further shall furnish such

other information/document as the Engineer-In-Charge may require from time to time.

b) The contractor shall, within a period of 30 days of the imposition of any such further tax or levy, pursuant to the Constitution (46th amendment) Act 1982, give a written notice thereof to the Engineer-In-Charge that the same is given pursuant to this condition, together with all necessary information relating thereto.

25) MODE OF SUBMISSION & OPENING OF TENDERS:

Tender for the present work shall be submitted online through CPP e-tendering portal in two bids (i.e. Envelope I&II) system as detailed below:

Envelope-I (Technical Bid and Pre-qualification):

- Scanned copy of Tender Acceptance Letter on Bidder's Letter head (as per Annexure-I).
- ii) Scanned copy of Permanent Account Number (PAN) and GST Registration Number.
- iii) Scanned copy of 'Undertaking' regarding Blacklisting / Debarment on Bidder's Letter Head (as per Annexure-II).
- iv) Scanned copy of Form- A details of similar works completed during last seven with completion certificate issued by client.
- v) Scanned copy of Form- B Financial Information.
- vi) Scanned copy of Form- C Net Worth.
- vii) Scanned copy of Form- D- Financial Data (Work done during last 5 years)
- viii) Scanned copy of Form- E- Work in Hand.
- ix) Scanned copy of Signed Integrity Pact as per Appendix-XVIII of GCC.
- x) Bid Capacity: Financial bids of the tenderer will only be opened if their available bid capacity is more than **Rs. 19.97 Crore** Available bid capacity will be calculated based on the following formula.

Available Bid Capacity B = 2NT-A

Where,

B = is the bidding capacity

N = Maximum value of works executed in any one year during the last 5 (five) years (updated the completed works to current costing level of enhancing at a simple rate of interest @7% per annum).

T = is the numbers of years prescribed for completion of the work in question.

A = is the value of the existing commitments and ongoing works to be completed in the next 'T' years.

Note: Bid capacity of the tenderer and value of existing commitments for on-going works during period of **16 months w.e.f. last date of bid submission** has to be

A.A.I.	C	IO.	 NIT- 5 of 1	1
1 1.1 1.1.	C		 1111 0011	_

submitted by the tenderer as per the prescribed Performa. These data shall be certified by the Chartered Accountant/ Company Auditor with his stamp and signature in original with membership number.

- xi) Bidder shall submit scanned copy of 'Undertaking' on Company's Letter Head that I/ We will deploy sufficient plant and machinery as per the requirement of work in consultation with the Engineer-in-Charge (E-I-C) to achieve the milestones/targets and overall completion within the time period.
- xii) Bidders other than propriety firm shall submit, scanned copy of Authorization Letter/Power of Attorney along with copy of Certificate of Incorporation of the Company under Companies Act showing CIN/LLPIN/Name of Directors of the Company & Copy of Board Resolution regarding Authority to assign Power of Attorney.

Proprietary firm shall submit scanned copy of Authorization Letter/Power of Attorney only if the tender is processed by a person other than proprietor.

- xiii) Duly filled PQ Performa (As per Annexure-1A).
- xiv) Scanned copy of duly notarized affidavit on Non-Judicial Stamp Paper of Rs. 100/- regarding compliance of minimum wage (**As per Annexure-III**)
- xv) Undertaking for GST Compliance (As per Annexure-IV)
- xvi) Undertaking for non-relative working in AAI (As per Annexure-VI)
- xvii)Scanned copy of EPF & ESIC Registration (In case the agency is not having registration for EPF & ESIC, they shall have to submit the undertaking in this regard that after the award of work they will make themselves registered with EPF & ESIC and submit the same within one month of award of work.

Qualifying requirements of contractors /tenderers containing the following:-

i) Should have satisfactorily completed (# Phase/Part completion of the scope of work in a contract shall not be considered, however pre-determined phasing of the work will be accepted) three works, each of Rs. 7.99 Crore (excluding GST) or two works, each of Rs. 9.99 Crore (excluding GST) or one work of Rs. 15.98 Crore (excluding GST) in single contract of similar nature work i.e. Building Works with RCC framed structure/RCC Boundary wall/Pre-cast Boundary wall during last seven years ending last day of month previous to the one in which tenders are invited.

The details of similar works completed during last seven years in the given format-Form-A with supporting documents issued by client.

Note:

- 1. The Experience Certificates of works completed pre GST era, Completion amount will be divided by 1.12 (to exclude pre GST taxes) to make it at par with experience certificates of post GST era but excluding GST.
- 2. Experience gained by executing work on back-to-back contract/ Sub-contract basis is acceptable in the following conditions:
 - (a) Work should be actually executed by the second agency (subcontractor) with due concurrence of the owner as tripartite agreement/

A A T	\boldsymbol{C})
A.A.I.	U	l	<i>)</i>

written approval. It should be backed by valid agreement and experience certificate.

- (b) Payments received by second agency should be reflected in TDS certificates.
- 3. Experience gained in composite works for the specialized nature of works (List of Specialized Items / Jobs/ Works are mentioned at Para 35.3 of AAI Works Manual) were executed by main contractor either by in-house expertize & experience or by engaging the specialized agencies with the approval of main client as per contract conditions. In such cases, main contractor as well as specialized agency both get the experience certificate for the same work from their respective client(s) i.e. main contractor for composite work along with specialized works from owner and specialized agency for specialized work(s) from the main contractor.

In this situation, the experience certificate of either specialized agency or main agency having in-house expertise & experience, who has actually executed the specialized work(s), shall be considered for Technical /Pre-qualifying criteria in similar specialized nature of work(s).

"The value of executed works shall be brought to current costing level by enhancing the actual value of work at simple rate of 7% per annum, calculated from the date of completion to previous day of last day of submission of bids.

Client certificate for experience should show the nature of work done, the value of work, date of start, date of completion as per agreement, actual date of completion and satisfactory completion of work. Tenderers showing work experience certificate from non-government/non-PSU organizations should submit copy of tax deduction at sources (TDS) certificate(s) alongwith a certificate issued by registered Chartered Accountant, clearly specifying the name of work, total payment received against the work and TDS amount for the work.

- ii) Should have Average Annual Financial Turnover of Rs. 5.99 Crore on construction works during last three years ending 31st March of the previous financial year. The Financial Information shall be submitted in the given format Form-B. Tenderers showing continuous losses during the last three years in the balance sheet shall be summarily rejected.
- iii) The tenderer should have a minimum net worth of Rs. 3.00 Crore, issued by certified Chartered Accountants. The Certificate should be submitted in the given format-Form-C.

Pre-qualification bid:

Containing qualifying requirements of Contractors / Firms.

The bidders shall submit their applications as per "Pre- Qualification Performa" (Annexure-1A), in the tender document The bidder shall download the PQ Performa, fill the required information, scan and upload the same along with all the required documents including firm's bio-data in support of their meeting each criteria in the technical bid/ Attachment section in the portal. Uploading the digitally signed documents in location other than specified above not shall be considered. **Hard copy of application shall not be entertained**.

A A T	\sim	T .	\sim	
$\Delta \Delta I$	('		()	
A.A.I.	·	1	\smile	

The intimation regarding eligible/ non-eligible for participation in the tendering will be intimated to the agencies through e-tendering CPP portal.

Envelope-II (Financial / Price Bid)

Rates to be quoted only in the BOQ.xls file in **Price Bid** of **Envelope-II**. The agency should download the BOQ.xls file and upload the same after quoting the rates.

The price bid of those bidders shall be opened who meets the qualifying requirements under Envelope–I on date & time as per critical dates mentioned the changes in the dates if any shall be intimated through e-tender portal.

The tender will be evaluated including All Inclusive Comprehensive Maintenance quote as described in schedule of quantities and scope of work.

Upon the successful and timely submission of bids (i.e. after Clicking "Freeze Bid Submission" in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.

NOTE: The bidders who have cleared Envelope-I (i.e. **Technical Bid and Prequalification**), the date of opening of their Envelope-II shall be intimated through CPP e-tendering portal.

26) Queries, Replies & Clarifications

If the bidder has any query related to the Tender Document of the work they should use 'Clarification' tab in CPP e-tendering portal to seek clarifications. No other means of communication in this regards shall be entertained. Last date and time for making query is as stipulated in the critical dates of NIT.

If any clarification is needed by AAI from the bidder about the deficiency in his uploaded documents in **Envelope-I** (i.e. **Technical Bid and Pre-qualification)**, they will be asked to provide it though CPP e-tendering portal. The bidder shall upload the requisite clarification/documents within specified time of receipt of such request from AAI, failing which tender will not be considered for the subsequent stages.

Once the bidder has submitted the digitally signed documents as per NIT along with unconditional acceptance as an attachment, he is not permitted to upload any additional file or put any remark(s)/ conditions(s) in / along with the Tender Document.

Issues faces queries of the bidders pertaining to Technical Support on CPP etendering Portal for submission of Tender Document should normally be addressed to AAI Help-Desk.

Support (details mentioned in the Web-NIT). In case of technical support regarding CPP e-tendering portal, if the AAI Help-desk support is non-responsive, the Bid Manager Sh. Pradip Kumar Gupta, AGM (E-C) may be contacted at Mob. 7408417193, email: pradipg@aai.aero.

In case condition 25 & 26 above is found violated, the tender shall be rejected.

27) Comparison and Evaluation of Tender

A.A.I.	CO	NIT- 8 of 11

Prior to detailed evaluation, AAI will determine the substantial responsiveness of Tender document. A substantial responsive Tender is one, which confirms to all the terms and conditions of the Tender.

- a) A tender is determined as not responsive, if tender is submitted incomplete, annexure are not filled up, unconditional acceptance letter and power of attorney not found in proper form, such tenders are liable to be rejected by AAI.
- b) Once the contractor has uploaded the digitally signed file of tender document along with unconditional acceptance as an attachment, he is not permitted to upload any additional file or put any remark(s)/ conditions(s) in / along with the Tender Document.
- c) In case if any condition is found violated after opening of **Envelope-I** (i.e. **Technical Bid and Pre-qualification)**, the tender shall be summarily rejected and AAI shall, without prejudice to any other remedy.

Only those tenderers whose Technical Bid documents are acceptable to AAI will be examined and their techno-commercial bid shall be evaluated to determine whether they are complete, meets tender requirements, free from computational errors, whether the data have been properly filled up, and whether the requisite documents as detailed have been submitted in conformity to the Tender specifications, drawings and conditions.

28) Price bid (Envelope-II): The Price e-Bid through CPP e-tendering portal.

The date for opening of Price bids of the vendors found to be meeting the eligibility and technical criteria shall be intimated through e-portal.

a) Tenderer should download the (excel)file from the CPP e-tendering portal under the cover name "Finance/Price Bid" and after quoting the rates upload the digitally signed file at the Price Bid section.

Rates to be quoted upto two decimal places only. In case no rate has been quoted for any item / items, it will be presumed that the contractor has included the cost of this / these item(s) in other item(s) and rate for such item(s) will be considered as zero and work will be required to be executed accordingly.

29) Rejection of Tender:-

- a) Airports Authority of India reserves the right to reject all the tenders or any of the tender or any part of tender without assigning any reason.
- b) AAI reserves the right at its sole discretion not to award any work under this tender. AAI shall not pay any costs or loss incurred by the tenderers in the preparation and submission of any requisite tender or technical proposal or to procure contract for any of the items described herein.
- c) If the tenderer deliberately gives wrong information or suppress any information in his Tender, AAI reserves the right to reject such tender at any stage or to cancel the contract, if awarded and to forfeit the Earnest Money, absolutely, in addition to any other appropriate/legal action.
- d) Canvassing in any form in connection with the tenders is strictly prohibited and the tenders submitted by firms who resort to canvassing are liable for rejection.

ΛΛΙ	\boldsymbol{C}	Ι	\cap
A.A.I.	C	1	9

- e) Any deviation in the Tender submission procedure will be considered as non-responsive bid and liable to be rejected.
- f) A Tenderer shall submit a responsive bid, failing which his Tender will be liable to be rejected.
- g) Tender in which any of the particulars and prescribed information are missing or are incomplete, in any respect and/or prescribed conditions are not fulfilled, shall be considered non-responsive and is liable to be rejected.
- h) The tenderer is expected to examine the tender document including all instructions, forms, terms, specifications, drawings, etc. Failure to furnish all information required as per the tender documents or submission of a tender not substantially responsive to the tender document in any respect may result in the rejection of the tender.
- i) A Tenderer shall submit the Tender which satisfies each and every condition laid down in this notice failing which the Tender will be liable to be rejected.
- j) Any tender not accompanied with EMD in the prescribed form will be considered non responsive and rejected.
- 30) This notice of Tender shall form part of the contract documents. The successful Tenderer/consultant, on acceptance of his Tender by the Accepting Authority, shall within 15 days from the date of award of work, sign the contract consisting of Notice inviting Tenders, Conditions of contract, drawings and specifications, or any other tender conditions as issued at the time of invitation of Tender and acceptance thereof with any correspondence leading thereto.
- 31)The tender for the work shall not be witnessed by a contractor or contractors who himself / themselves has/have tendered or who may have tendered for the same work. Failure to observe this condition would render tender of the contractor tendering as well as witnessing the tender, liable to summarily rejection.
- 32)Tenderer are advised to inspect and examine the site and its surroundings before submitting the tenders so as to access the nature of the work.
- 33) AAI shall be the sole judge in the matter of evaluating & accepting Prequalification bids, technical bids, Price bids and award of contract and decision of AAI shall be final & binding.
- 34)Purchase preference to Central Public Sector Undertaking shall be applicable as per the directive of Govt. of India prevalent on the date of acceptance.
- 35) Concessions to Indian Micro & Small Enterprises (MSEs) units registered with DIC/NSIC/KVIC/KVIB/Directorate of Handicraft and Handloom etc., to be given as per the provisions of Public Procurement Policy for MSEs order 2012 with up to date amendments, shall be applicable for tenders of supply/services and shall not be extended to construction work
- 36)Tenderers have to submit Unique Document Identification Number (UDIN) generated documents like Balance Sheet / Turnover certificate, Working Capital Certificate (works done during last 5 financial years & works in hand), Net worth Certificate, Tax Deduction at Source (TDS) Certificates for Non- Govt. works etc. as per NIT conditions duly certified by CA and having UDIN. The documents submitted by bidders without UDIN shall not be entertained.

AIRPORTS AUTHORITY OF INDIA

General Rules & Directions

1.	General Rules & Directions	All work proposed for execution by contract are notified in a form of invitation to tender pasted in public places /NIC CPP Portal and signed by the officer inviting tender or by publication in Newspapers and posted on AAI web-site and NIC CPP Portal http://etenders.gov.inand_www.aai.aero (for reference only). This form will state the work to be carried out, as well as the date for submitting and opening tenders and the time allowed for carrying out the work, also the amount of earnest money to be deposited with the tender, and the amount of the
		security deposit and Performance guarantee to be deposited by the successful tenderer and the percentage, if any, to be deducted from bills. Copies of the specifications, designs and drawings and any other documents required in connection with the work signed for the purpose of identification by the officer Inviting tender shall also be open for inspection by the contractor at the office of Officer inviting tender during office hours.
2.		In the event of the e-tender being submitted by a firm, it must be digitally signed. Such tender will be treated as signed tender. For physical tender it must be signed separately by each partner thereof or in the event of the absence of any partner, it must be signed on his behalf by a person holding a power-of-attorney authorizing him to do so, such power of attorney to be produced with the tender, and it must disclose that the firm is duly registered under the Indian Partnership Act, 1952.
2. (A)		In case of the tender submitted by a Joint Venture / Consortium, a copy of joint venture / consortium agreement in the specified proforma defining the lead partner should be submitted. The lead partner shall sign all the documents in respect of the works. The documents signed by any other person or firm other than the lead partner shall not be entertained.
3.		Receipts for payment made on account of work, when executed by a firm, must also be signed by all the partners, except where contractors are described in their tender as a firm, in which case the receipts must be signed in the name of the firm by one of the partners, or by some other person having due authority to give effectual receipts for the firm. Bank details shall be furnished by the firm through an application duly signed by all partners for payment to the firm through bank transfer.
4.	Applicable for item Rate Tender only.	Any person who submits a tender shall fill up the usual printed form, stating at what rate he is willing to undertake each item of the work. Tenderers, which propose any alteration in the work specified in the said form of invitation to tender, or in the time allowed for carrying out the work, or which contain any other conditions of any sort, including conditional rebates, will be summarily rejected. No single tender shall include more than one work, but contractors who wish to tender for two or more works shall submit separate tender for each. Tender shall have the name and number of the works to which they refer, written on the envelopes. The rate(s) must be quoted in decimal coinage. Amount must be quoted in full Rupees by ignoring 50 paise and considering more than 50 paise as Rupee one. In case the lowest tendered amount (worked out on the basis of quoted rate of Individual items) of two or more contractors is same, then such lowest contractors will be asked to submit revised offer quoting rate of each item of the schedule of quantity for all sub sections/sub heads as the case may be, but the revised quoted rate of each item of schedule of quantity for all sub sections/sub heads should not be higher than their respective original rate quoted already at the time of submission of tender. The lowest tender shall be decided on the basis of

revised offer.

If the revised tendered amount (worked out on the basis of quoted rate of individual items) of two or more contractors received in revised offer is again found to be equal, then the lowest tender, among such contractors, shall be decided by draw of lots in the presence of Jt. GM (Engg) / DGM (Engg) / AGM (Engg) / Sr. Manager (Engg) in-Charge of major and minor component(s) work and the lowest contractors those have quoted equal amount of their tenders.

In case of any such lowest contractor in his revised offer quotes rate of any item more than their respective original rate quoted earlier at the time of submission of tender, then such revised offer shall be treated invalid. Such case of revised offer of the lowest contractor or case of refusal to submit revised offer by the lowest contractor shall be treated as withdrawal of his tender before acceptance and 50% of his earnest money shall be forfeited.

In case all the lowest contractors those have same tendered amount (as a result of their quoted rate of individual items), refuse to submit revised offers, then tenders are to be recalled after forfeiting 50% of EMD of each lowest contractors.

Contractor, whose earnest money is forfeited because of non-submission of revised offer, or quoting higher revised rate(s) of any item(s) than their respective original rate quoted already at the time of submission of his bid shall not be allowed to participate in the retendering process of the work.

Note: Till the time software supports the above provisions, revised offers from tenderers forming the tie shall be obtained and procedure prescribed for "Restricted call of tenders" shall be adopted (fore-tenders).

4. (A) Applicable for Percentage Rate Tender only.

In case of Percentage Rate Tenders, tenderer shall fill up the usual printed form, stating at what percentage below/above (in figures as well as in words) the total estimated cost given in Schedule of Quantities at Schedule-A, he will be willing to execute the work. The tender submitted shall be treated as invalidif;

- 1. The contractor dose not quote percentage above/below on the total amount of tender or any section/sub-head of the tender.
- 2. The percentage above / below is not quoted in figures &words both on the total amount of tender or any section / sub-head of thetender.
- 3. The percentage quoted above/below is different in figures and words onthe total amount of tender or any section / sub-head of thetender.

Tenders, which propose any alteration in the work specified in the said form of invitation to tender, or in the time allowed for carrying out the work, or which contain any other conditions of any sort including conditional rebates, will be summarily rejected.

No single tender shall include more than one work, but contractors who wish to tender for two or more works shall submit separate tender for each. Tender shall have the name and number of the works to which they refer, written on the envelopes.

In case the lowest tendered amount (estimated cost + amount worked on the basis of percentage above/below) of two or more bidders is same, such lowest bidders will be asked to submit revised offer in the form of letter mentioning percentage above/ below on estimated cost of tender including all sub sections/sub heads as the case may be, but the revised percentage quoted above / below on tendered cost or on each sub section/ sub head should not be higher than the percentage quoted at the time of submission of tender. The lowest tender shall be decided on the basis of revised offers. In case any of such contractor refuses to submit revised offer, then it shall be treated as withdrawal of his tender before acceptance and 50% of earnest money shall be forfeited.

If the revised tendered amount of two more bidders received in revised offer is again found to be equal, the lowest tender, among such bidders, shall be decided by draw of lots in the presence of Jt. GM (Engg) / DGM (Engg) / AGM (Engg) /

	Sr. Manager (Engg) in-Charge of work & the lowest bidders those who have quoted equal amount of their tenders. In case all the lowest bidders those have quoted same tendered amount, refuse to submit revised offers, then tenders are to be recalled after forfeiting 50% of EMD of each bidder. Bidders, whose earnest money is forfeited because of non-submission of revised
	offer, shall not be allowed to participate in the re-tendering process of the work.
	Note: Till the time software supports the above provisions, revised offers
	from tenderers forming the tie shall be obtained and procedure prescribed
	for "Restricted call of tenders" shall be adopted.
4. (B)	In case the lowest tendered amount (estimated cost \pm amount worked on the basis
	of percentage above/below) of two or more contractor is same, such lowest contractor will be asked to submit sealed revised offer in the form of letter mentioning percentage above/below on estimated cost of tender including all sub section/sub heads as the case may be, but the revised percentage quoted above/below on tendered cost or on each sub section /sub head should not be higher than the percentage quoted at the time or submission of tender. The lowest tender shall be decided on the basis of revised offers. In case any of such contractor refuses to submit revised offer, then it shall be treated as withdrawal of his tender before acceptance and 50% of earnest money
	shall be forfeited.
	If the revised tendered amount of two more contractors received in revised offers is again found to be equal, the lowest tender, among such contractor, shall be decided by draw of lots in the presence of Jt.GM (Engg) / DGM (Engg), AGM (Engg) / St. Manager (Engg) in -Charge of major & minor component(s) of work & the lowest bidders those who have quoted same tendered amount of their
	to the least of th
	tenders.
	In case all the lowest contractors those have quoted same tendered amount, refuse to submit revised offers, then tenders are to be recalled after forfeiting 50% of EMD of each bidder.
	Bidders, whose earnest money is forfeited because of non- submission of revised offer, shall not be allowed to participate in the re-tendering process of the work.
5.	The officer inviting tender or his duly authorized representative, will open tenders
	in the presence of any intending bidders who may be present at the time, and will enter the amounts of the several tenders in a comparative statement in a suitable form. In the event of a tender being accepted, a receipt for the earnest money shall thereupon be given to the contractor who shall thereupon for the purpose of identification sign copies of the specifications and other documents mentioned in Rule –I.
	In the event of a tender being rejected, the earnest money shall thereupon be
	returned to the contractor remitting the same, without any interest.
6.	The officer inviting tenders shall have the right of rejecting all or any of the tenders and will not be bound to accept the lowest or any other tender.
7.	
7.	The receipt of an accountant or clerk for any money paid by the bidder towards tender fee will not be considered as any acknowledgement or payment to the officer inviting tender and the bidder shall be responsible for seeing that he procures a receipt signed by the officer inviting tender or a duly authorised cashier.
8.	The memorandum of work tendered for and the schedule of materials to be supplied by the department and their issue-rates, shall be filled and completed in the office of the officer inviting tender before the tender form is issued. If a form is issued to an intending bidder without having been so filled in and incomplete, he shall request the officer to have this done before he completes and delivers his tender.

9.		The bidders shall sign a declaration under the officials Secret Act 1923, for
		maintaining secrecy of the tender documents drawings or other records connected
		with the work given to them. The unsuccessful bidders shall return all the
2(1)		drawings given to them.
9(A).		Use of correcting fluid anywhere in ander document is not permitted. Such
		tender is liable for rejection. If the correction it should be cut with a
		straight line and should be in and cello tape to be provided on all the rates
10.	Amplicable	quoted in case of physical todays, and make a guested shall be considered. Any
10.	Applicable for Item	In the case of Item Rate Tenders, only rates quoted shall be considered. Any tender containing percentage below / above the rates quoted is liable to be
	Rate Tender	rejected. Rates quoted by the bidder in item rate tender in figures and words shall
	Only.	be accurately filled in so that there is no discrepancy in the rates written in figures
	omy.	and words. However,
		i. If a discrepancy is found between rates in figures and in words, then the
		rates which correspond with the amount worked out by the bidder shall
		unless otherwise proved be taken as correct.
		ii. If the amount of an item is not worked out by the bidder or it does not
		correspond with the rates written either in figures or in words, then the
		rates quoted by the contractor in words shall be taken as correct.
		iii. Where the rates quoted by the bidder in figures and in words tally, but the
		amount is not worked out correctly, the rates quoted by the contractor will
		unless otherwise proved be taken as correct and not the amount.
		iv. In event no rate has been quoted for any item(s) leaving space blank both in figure(s) and word(s) or concelled the guested rate in figure(s) and
		in figure(s) and word(s) or cancelled the quoted rate in figure(s), and word(s) but the amount corresponding to the item(s) is worked out by the
		bidder and added to the grand total, then rate(s) of the items(s) shall be
		derived from the amount(s) quoted by the contractor against such item(s).
		v. In event no rate has been quoted for any item(s), leaving space both in
		figure(s), word(s), and amount blank, it will be presumed that the bidder
		has included the cost of this/these item(s) in other items and rate for such
		item(s) will be considered as zero and work will be required to be executed
		accordingly.
		vi. Sub Para i to iv above shall not be applicable in case of e-tendering.
	Applicable	In case of percentage Rate Tenders only percentage quoted shall be considered.
	for	Any tender containing item rates is liable to be rejected Percentage quoted by the
	percentage rate tender	bidder in percentage rate tender shall be accurately filled in figures and words, so
	only.	that there is no discrepancy. However, if the bidder has worked out the amount of the tender and if any
	omy.	discrepancy is found in the percentage quoted in words and figures,
		i. The percentage which corresponds with the amount worked out by the
		bidder shall, unless otherwise proved, be taken as correct.
		ii. If the amount of the tender is not worked out by the bidder or it does not
		correspond with the percentage written either in figures or in words, then
		the percentage quoted by the bidder in words shall be taken as correct.
		iii. Where the percentage quoted by the bidder in figures and in words tally but
		the amount is not worked out correctly, the percentage quoted by the bidder
		will, unless otherwise proved, be taken as correct and not the amount.
11.		In the case of any tender where unit rate of any item / items appear unrealistic,
		such tender will be considered as unbalanced and in case the tenderer is unable to
		provide satisfactory explanation, such a tender is liable to be disqualified and
12.	Annliaghla	rejected. All rates shall be quoted on the tender form. The amount for each item should be
14.	Applicable for Item	worked out and requisite totals given. Special care should be taken to write the
	Rate Tender	rates in figures as well as in words and the amount in figures only, in such a way
	only.	that interpolation is not possible. The total amount should be written both in
		1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1

12(A).	Applicable for percentage rate tender only.	figures and in words. In case of figures, the word 'Rs' should be written before the figure of rupees and word 'P' after the decimal figures, e.g. 'Rs. 2.15 P' and in case of words, the word 'Rupees' should precede and the word 'Paise' should be written at the end. Unless the rate is in whole rupees and followed by the word 'only' it should invariably be upto two decimal places. While quoting the rate in schedule of quantities, the word 'only' should be written closely following the amount and it should not be written in the next line. In Percentage Rate Tender, the tenderer shall quot percentage below / above (in figures as well as in words) at which he will be wing to execute the work. He shall also work out the total amount of his wand the same should be written in figures as well as in words in such a way at no interpolation is possible. In case of figures, the word 'Rs' should be written before the figure of rupees and work 'P' after the decimal figures. So 2.15 P' and in case of words, the word 'Rupees' should preced the word 'Paise' should be written at the end. (quoting of rates in Pail on tapplicable in e-tenders)
13	Acceptance of abnormally low quoted bid (Capital & Revenue Expenditure Contract)	Wherever the price of the lowest bidder is lower than the justified cost by more than 25%, lowest bid can be termed as Abnormally Low Quoted Bid (ALQB). Processing of such bid shall be as follows: i) The bid processing Manager shall seek from lowest bidder, a Bank Guarantee amounting to 10% of the difference between 75% of the justified cost and the cost quoted by the bidder. This bank guarantee shall be termed as Quality Protection Bank Guarantee (QPBG) and shall be over and above the normal bank guarantee and shall be valid up to the completion of the work. ii) The lowest bidder has to submit the QPBG within 10 days of issue of letter from Bid Manager. iii) On receipt of QPBG from the lowest bidder, the bid processing Manager shall submit the case to the officer competent to accept the tender as per delegation of powers. iv) In case of Percentage Rate Tenders, QPBG shall be asked for 10% of the difference between 75% of the justified cost and the corresponding cost worked out on the basis of percentage quoted by lowest bidder. v) This QPBG for any tender shall be a fixed amount as one time measure and will not vary at any stage during the currency of the work or contract. vi) The justified cost worked out by AAI shall be final and binding on the contractor. vii) In case of labour intensive ALQB like MESS, Annual Maintenance Contract for supply of labourers, Operation & Maintenance Contract and other similar works, contractor shall transfer / deposit salary of the individual worker to their bank account which should be linked with AADHAR and a statement is to be submitted to AAI along with each running and finalbill. viii) In case the lowest bidder fails to submit QPBG within stipulated time, as decided by Bid Manager or contractor does not transfer / deposit salary of the individual worker to his / her bank account which should be linked with AADHAR and do not submit statement to AAI as the case may be the tender shall be rejected / foreclosed and EMD / SD collected till date shall be forfeited.
		ix) In case of non-execution / completion of the work, QPBG and EMD /SD collected till date shall be forfeited.

General Rules & Direction	S ASSESSMENT OF THE SECOND OF
13A	In case the contractor does not carry out the work on ALQ items as per schedule or as per NIT specifications, the Engineer-in-charge shall issue a letter to the contractor to comply its obligations as per NIT, for ALQ items. Engineer-in-charge shall also give one reminder after 10 days of 1 st letter and if contractor still do not start the work on ALQ items, then bank guarantee i.e. QPBG should be encashed and work should be got executed through another agency at his risk and cost.
14	i. The bidder, whose tender is accepted, will be required to furnish performance guarantee of 5% (Five Percent) of the tendered amount within the period specified in Schedule F. This guarantee shall be in the form of Fixed Deposit Receipts or Guarantee Bonds of any Scheduled Bank but not co-operative or Gramin Bank, in accordance with the prescribed form, provided confirmatory advice is enclosed.
	ii. The bidder, whose tender is accepted, will also be required to furnish by way of Security Deposit for the fulfillment of his contract, an amount equal to 5% of the contract amount of the work.
	iii. In works where condition of submission of Performance Guarantee is not applicable, the security deposit @ 10% of the tendered value shall be deducted.
	iv. The Security deposit (under ii & iii above) will be collected by deductions from the running bills of the contractor at the rates mentioned above and the earnest money deposited at the time of tenders, will be treated as a part of the Security Deposit.
	v. Security deposit will also be accepted in form of Fixed Deposit Receipts / Guarantee Bonds of any Scheduled Bank but not co-operative or Gramin Bank in accordance with the prescribed form, provided confirmatory advice is enclosed.
15.	On acceptance of the tender, the name of the accredited representative(s) of the contractor who would be responsible for taking instructions from the Engineer-in-Charge shall be communicated in writing to the Engineer-in-Charge.
16.	Rates to be quoted by the parties should be inclusive of all taxes, duties, CESS, fee, royalty charges etc. levied under any statute but exclusive of GST for all the items.
	2. However GST, as applicable, shall be paid to the contractor, for any taxable supply / services / construction rendered by the agency to AAI, against a valid GST invoice as per terms and conditions of the contract.
	3. In case supplies /services / works involve imports; the same should be identified separately. Basic Custom Duty & IGST will be paid directly by AAI by utilizing EPCG license / Duty Credit Scrip under service Export from India Scheme (SEIS) of Govt. of India.
17.	The contractor/ bidder shall give a list of AAI employees related to him.
18.	The tender for the work shall not be witnessed by a contractor or contractors / bidders who himself / themselves has / have tendered or who may and has / have tendered for the same work. Failure to observe this condition would render, tenders of the contractors tendering, as well as witnessing the tender, liable to summary rejection.

General P	Rules & Directions	Pill.
19.		The tender for composite work includes, in addition to building work, all other
		works such as sanitary and water supply installations drainage installation,
		electrical work, horticulture work, roads and paths etc. The tenderer apart from
		being a registered contractor (B&R) of appropriate class, must associate himself
		with agencies of appropriate class which are eligible to tender for sanitary and
		water supply drainage, electrical and horticulture works in the composite tender.
20.		The contractor/bidder shall s bmlls tof works to upre ed in last 5 years* as well
		as which are in hand (inprogress mur efollowin gromant for assessing bidding
		capacity of the bidders!

CONDITIONS OF CONTRACT

Definitions:

Definitions:	
1.	The contract means the documents forming the tender and acceptance thereof and the formal agreement / agreements executed between the competent authority(s) on behalf of the Chairman, Airports Authority of India and the Contractor, together with the documents referred to therein including these conditions, the specifications, designs, drawings and instructions issued from time to time by the Engineer-in-Charge and all these documents taken together, shall be deemed to form one contract / two contracts and shall be complimentary to one another. Contractor has to sign two agreements, one consisting BOQ for Civil works and another one for SITC and O&M /AMC / AICMC part. Engineer-in charge could be common for both the agreements. Separate invoices for the civil /construction works and SITC / O&M / AICMC / AMC works have to be raised by the agency referring to the respective agreements to facilitate AAI to claim input tax credit on such SITC / O&M / AICMC / AMC works as mentioned in Schedule 'F' para2(v).
2.	In the contract, the following expressions shall, unless the context otherwise requires, have the meanings, hereby respectively assigned to them:-
	 i. The expression works or work shall, unless there be something either in the subject or context repugnant to such construction, be construed and taken to mean the works by or by virtue of the contract contracted to be executed whether temporary or permanent, and whether original, altered, substituted or additional. ii. The site shall mean the land / or other places on, into or through which work is to be executed under the contract or any adjacent land, path or street through which work is to be executed under the contract or any adjacent land, path or street which may be allotted or used for the purpose of carrying out the contract. iii. The Contractor / tenderer / bidder shall mean the individual, firm or company whether incorporated or not, Joint Venture / Consortium undertaking the works and shall include the legal personal representative of such individual or the persons constituting such firm or company, or the successors of such firm or company and the permitted assignees of such individual, firm or company. iv. The Chairman means the Chairman Airports Authority of India and his Successors. v. The Engineer-in-Charge means the Engineering Officer who shall supervise and be in charge of the work and who shall sign the contract on behalf of the Chairman, Airports Authority of India as mentioned in Schedule 'F' hereunder. vi. AAI or Airports Authority of India as mentioned in Schedule 'F' hereunder. vi. AAI or Airports Authority shall mean the authority mentioned in Schedule 'F'. ix. Excepted Risk are risks due to riots (other than those on account of contractor's employees), war (whether declared or not) invasion, act of foreign enemies, hostilities, civil war, rebellion revolution, insurrection, terrorism, military or usurped power, any acts of Airports Authority of India, damages from aircraft, acts of God, such as earthquake, lightening and unprecedented floods, and other causes over which the contractor has no control and accepted
	Tollium

3.	Same and	 xi. Schedule(s) referred to in these conditions shall mean the relevant schedule(s) annexed to the tender papers or the standard Schedule of Rates of the government mentioned in Schedule 'F' hereunder, with the amendments thereto issued upto the date of receipt of the tender. xii. Department means Airports Authority of India, which invites tender on behalf of Chairman, Airports Authority of India. xiii. Tendered value means the value of the entire work as stipulated in the letter of award.
3.	Scope and Performance	Where the context so requires, words imparting the singular only also include the plural and vice versa. Any reference to masculine gender shall whenever required include feminine gender and vice versa.
4.		Headings and Marginal notes to these General Conditions of Contract shall not be deemed to form part thereof or be taken into consideration in the interpretation or construction thereof or of the contract.
5.		The contractor shall be furnished, free of cost one certified copy of the contract documents except standard specifications, Schedule of Rates and such other printed and published documents, together with all drawings as may be forming part of the tender papers. None of these documents shall be used for any purpose other than that of this contract.
6.	Works to be carried out	The work to be carried out under the Contract shall, except as otherwise provided in these conditions, include all labour, materials, tools, plants, equipment and transport which may be required in preparation of and for and in the full and entire execution and completion of the works. The descriptions given in the Schedule of Quantities (Schedule – A) shall, unless otherwise stated, be held to include wastage on materials, carriage and cartage, carrying and return of empties, hoisting, setting, fitting and fixing in position and all other labours necessary in and for the full and entire execution and completion of the work as aforesaid in accordance with good practice and recognized principles.
7.	Sufficiency of Tender	The Contractor shall be deemed to have satisfied himself before tendering as to the correctness and sufficiency of his tender for the works and of the rates and prices quoted in the Schedule of Quantities, which rates and prices shall, except as otherwise provided, cover all his obligations under the Contract and all matters and things necessary for the proper completion and maintenance of the works.
8.	Discrepancies and Adjustment of Errors	The several documents forming the Contract are to be taken as mutually explanatory of one another, detailed drawings being followed in preference to small scale drawing and figured dimensions in preference to scale and special conditions in preference to General Conditions.
8.1		In the case of discrepancy between the Schedule of Quantities, the Specifications and / or the Drawings, the following order of preference shall be observed: i. Description of Schedule of Quantities. ii. Particular/ technical Specification and Special Condition, if any. iii. Drawings. iv. C P W Specifications. v. Indian Standard Specifications of B I S / IRC Code of Practice / ASTM standards. vi. Sound Engineering practice as directed by the Engineer-in-charge, whose decision in this regard shall final and binding on the contractor.
8.2		If there are varying or conflicting provisions made in any one document forming part of the contract, the Accepting Authority shall be the deciding authority with regard to the intention of the document and his decision shall be final and binding on the contractor.
8.3		Any error in description, quantity or rate in Schedule of Quantities or any omission therefrom shall not vitiate the Contract or release the Contractor from

		the execution of the whole or any part of the works comprised therein according to drawings and specifications or from any of his obligations under the contract.	
8.4	Payment for similar items with different quoted rates in different subheads of the contract agreement	If the contractor has quoted different rates for the same item appearing in two or more subheads, then the lowest of the rates quoted shall only be considered for payments during execution of work. In case of deviation of quantity of such item, payments shall be made at the lowest quoted rate for quantity executed upto the deviation limit specified in the contract. Beyond the deviation limit the rate shall be derived as per relevant contract provision.	
9.	Reverse Auction for purchase tenders	AAI may opt for reverse auction in case of purchase tender if value of supplies put to tender is more than Rs.2Cr.	
10.	Signing of Contract	The successful tenderer / contractor, on acceptance of his tender by the Accepting Authority, shall, within 15 days from the stipulated date of start of the work, shall sign either single or Two agreements , as the case may be , one consisting BOQ for Civil works and another one for SITC and O&M / AMC / AICMC part.	
i)		i. The notice inviting tender, all the documents including drawings, if any, forming the tender as issued at the time of invitation of tender and acceptance thereof together with any correspondence leading thereto.	
		ii. Standard AAI Form as mentioned in Schedule 'F' consisting of:a. Various standard clauses with corrections upto the date stipulated in Schedule 'F' along with annexures thereto.	
		b. AAI Safety Code.	
		c. Model Rules for the protection of health, sanitary arrangements for workers employed by AAI or its contractors.	
		d. AAI Contractor's Labour Regulations.	
		e. List of Acts and omissions for which fines can be imposed.	
		iii. No payment for the work done will be made unless contract in form of agreement is signed by the contractor.	

CLAUSES OF CONTRACT

CLAUSE 1

Performance	This clause is applicable for the works for which the estimated cost put to tender
Guarantee	is more than Rs.5 crores.
	i. The contractor shall submit an irrevocable Performance Guarantee of 5% (Five
	percent) of the Tendered amount in addition to other deposits mentioned
	elsewhere in the contract for his proper performance of the contract
	agreement, (not withstanding and/or without prejudice to any other
	provisions in the contract) within period specified in Schedule 'F' from the
	date of issue of award letter. This guarantee shall be in the form of Fixed
	Deposit Receipts or Guarantee Bonds of any Scheduled bank but not Co-
	operative or Gramine bank in accordance with the form annexed
	hereto.(Appendix-XI) In case a fixed deposit receipts of any Bank is
	furnished by the contractor to the AAI as part of the performance guarantee
	and the Bank is unable to make payment against the said fixed deposit
	receipts or Guarantee Bonds, the loss caused thereby shall fall on the
	contractor and the contractor shall forthwith on demand furnish additional
	security to make good the deficit.
	ii Performance guarantee should be furnished within 30 days of issue of award
	letter. In case the contractor fails to deposit performance guarantee within
	the stipulated period, no payment will be released to the contractor for the
	work done in respect of 1 st running account bill. Moreover, interest @10%
	per annum on performance guarantee amount would be levied (non-
	refundable) for delayed period of submission.
	iii. The Performance Guarantee shall be initially valid upto the stipulated date of
	completion plus 180 days beyond that. In case the time for completion of
	work gets enlarged, the contractor shall get the validity of Performance
	Guarantee extended to cover such enlarged time for completion of work.
	After recording of the completion certificate for the work by the competent
	authority, the performance guarantee shall be returned to the contractor,
	without any interest. However, in case of contracts involving maintenance of buildings and services / any other work thereafter, 50% of Performance
	Guarantee shall be retained as Security Deposit as per contract conditions.
	The same shall be returned on successful completion of commitment year
	wise proportionately.
	iv. The Engineer-in-Charge shall not make a claim under the performance
	guarantee except for amounts to which the AAI is entitled under the contract
	(not withstanding and/or without prejudice to any other provisions in the
	contract agreement) in the event of:
	a. Failure by the contractor to extend the validity of the Performance
	Guarantee as described herein above, in which event the Engineer-in-
	Charge may claim the full amount of the Performance Guarantee.
	b. Failure by the contractor to pay the Chairman, AAI any amount due,
	either as agreed by the contractor or determined under any of the
	Clauses / Conditions of the agreement, within 30 days of the service of
	notice to this effect by Engineer-in-Charge.
	v. In the event of the contract being determined or rescinded under provision of
	any of the Clause/Condition of the agreement, the performance guarantee
	shall stand forfeited in full and shall be absolutely at the disposal of the
	Chairman, AAI.
l l	/

CLAUSE 1 A

Recovery of Security Deposit

The person/persons whose tender(s) may be accepted (hereinafter called the contractor) shall permit AAI at the time of making any payment to him for work done under the contract to deduct a sum at the rate of 5% of the gross amount of each running and final bill till the sum deducted alongwith the sum already deposited as earnest money, will amount to security deposit of 5% of the tendered value of the work. Earnest money shall be adjusted first in the security deposit and further recovery of security deposit shall commence only when the update amount of security deposit starts exceeding the earnest money. Such deductions will be made and held by way of Security Deposit unless he/they has/have deposited the amount of Security at the rate mentioned above in the form of fixed deposit receipts or guarantee bonds of any Scheduled Bank but not Co-operative or Gramin Bank. In case a fixed deposit receipts or Guarantee Bonds of any Bank is furnished by the contractor to the AAI as part of the security deposit and the Bank is unable to make payment against the said fixed deposit receipt or Guarantee Bond, the loss caused thereby shall fall on the contractor and the contractor shall forthwith on demand furnish additional security to the AAI to make good the deficit.—In works where condition of submission of performance guarantee is not applicable, the security deposit at the rate of 10% (Ten Percent) of gross amount of each running bill shall be deducted instead of 5%, till the sum along with the sum already deposited as earnest money will amount to security deposit of 10% of the contract value of work. Other conditions shall remain same as stated above. All compensations or the other sums of money payable by the contractor under the terms of this contract may be deducted from, or paid by the sale of a sufficient part of his security deposit or from the interest arising therefrom, or from any sums which may be due to or may become due to the contractor by AAI on any account whatsoever and in the event of his Security Deposit being reduced by reason of any such deductions or sale as aforesaid, the contractor shall within 10 days make good in fixed deposit receipts or Guarantee Bonds tendered by the Scheduled Banks (but not any Co-operative or Gramin bank) (if deposited for more than 12 months) endorsed in favour of the Airports Authority of India, any sum or sums which may have been deducted from, or raised by sale of his security deposit or any part thereof. The security deposit shall be collected from the running bills of the contractor at the rates mentioned above and the Earnest money deposited at the time of tenders will be treated as part of the Security Deposit. The security deposit as deducted above can be released against bank guarantee issued by any Scheduled Bank (but not from Cooperative / Gramin Bank), on its accumulations to a minimum of Rs. 5 lakh subject to the condition that amount of such bank guarantee, except last one, shall not be less than Rs. 5lakh.

Note 1: Provided further that the validity of Bank Guarantee including the one given against the earnest money shall be in conformity with provisions contained in the clause 17 which shall be extended from time to time depending upon extension of contract under provision of Clause 2 & Clause 5.

Note 2: Note 1 above shall be applicable for both clause 1 and 1 A.

Clause 2

Clause 2		
Compensation for Delay	complete the Work and cle extended date of completion a 5.5) as well as any extension prejudice to any other right account of such breach, pay stipulated below as the authamount of Tendered Value determined) that the progress	tain the required progress in terms of clause 5 or to ar the site on or before the contract or justified as per clause 5(excluding any extension under clause a granted under clause 12 and 15, he shall, without or remedy available under the law to the AAI on as compensation the amount calculated at the rates ority specified in schedule 'F' may decide on the of the work for every completed day/month (as remains below that specified in Clause 5 or that the his will also apply to items or group of items for mpletion has been specified.
	i) Compensation for delay of work	If the completion of work is delayed due to reasons attributed to contractor, AAI shall be entitled for compensation for delay as detailed below:
		 i. For works costing upto Rs. 20.00 Lakh: 1.0% (one percent) of tendered value per week of delay or lesser amount as decided by the competent authority subject to a maximum of 10% of contract value. ii For the works costing more than Rs 20Lakh a. For the works having completion period less than 2 years 6.5% (half percent) of tendered value per week of delay or lesser amount as decided by the competent authority subject to a maximum of 10% of the tendered value. b. For the works having completion period more than 2 years
		0.5% of tendered value per fortnight of delay or lesser amount as decided by the competent authority subject to a maximum of 10% of the tendered value.
	this condition shall not exce Tendered Value of the Section which a separate period of con In case no compensation has be the progress of work, this shat said authority if the work rent completion. If any variation in acce during such extended period beyond justified exter becomes entitled to additional time under clause variation shall be accounted for while deciding the on. However, during such further extended period

delay.

beyond the justified extended period, if any delay occurs by events under sub clause 5.2, the contractor shall be liable to pay compensation for such

Provided that compensation during the progress of work beyond the justified extended date of completion for delay under this clause shall be for non-achievement of sectional completion or part handing over of work on stipulated / justified extended date for such part work or if delay affects any other works / services. This is without prejudice to right of action by Engineer-in- Charge under clause 3 for delay in performance and claim of compensation under that clause. In case action under clause 2 has not been finalized and the work has been determined under clause 3, the right of action under this clause shall remain post determination of contract but levy of compensation shall be for days the progress is behind the schedule on date of determination, as assessed by the authority in schedule 'F', after due consideration of justified extension. The compensation for delay, if not decided before the determination of contract, shall be decided after of determination of contract.

The amount of compensation may be adjusted or set-off against any sum payable to the' Contractor under this or any other contract with AAI. In case, the contractor does not achieve a particular milestone mentioned in schedule F, or the re-scheduled milestone(s) in terms of Clause 5.4, the amount shown against that milestone shall be withheld, to be adjusted against the compensation levied as above. With-holding of this amount on failure to achieve a milestone, shall be automatic without any notice to the contractor. However, if the contractor catches up with the progress of work on the subsequent milestone(s), the withheld amount shall be released. In case the contractor fails to make up for the delay in subsequent milestone(s), amount mentioned against each milestone missed subsequently also shall be withheld. However, no interest, whatsoever, shall be payable on such withheld amount.

Clause2A

Incentive for
early
completion

In case, the contractor completes the work ahead of sipulated date of completion, a bonus @ 1 % (one per cent) of the tendered value per month computed on per day basis, shall be payable to the contractor, spect to a maximum limit of 5% (five per cent) of the tendered value. The mount of bonus, if payable, shall be paid along with final bill after conjection of work. Provided always that provision of the Clause 2A shall be applicable only when so provided in 'Schedule F'. This clause shall applicable for the work which estimated cost puttotenderisRs.50.00Cr. are boveforpavementworkandRs.100.00Cr. and above for building work.

Clause2B

Release of withheld amount against compensation for delay. Withheld amount towards compensation for delay over and above Rs. 50.00 lacs, can be released against Bank Guarantee (on the format given at Appendix-1) or in the form of fixed deposit receipts or guarantee bonds of any Scheduled Bank but not Co-operative or Gramin Bank, pending finalization of case of extension of time by competent authority as per delegation of powers. Concerned Executive Director (Engg) will authorize such action on receipt of proposal from the Engineer-In-Charge through proper channel.

Clause 3

When Contract	Subject to other provisions contained in this clause, the Engineer-in-Charge may,
can be	without prejudice to his any other rights or remedy against the contractor in
Determined	respect of any delay, inferior workmanship, any claims for damages and / or
	any other provisions of this contract or otherwise, and whether the date of
	completion has or has not elapsed, by notice in writing absolutely determine the
	contract in

any of the following cases:

- i. If the contractor having been given a notice by the Engineer-in-Charge in writing to rectify, reconstruct or replace any defective work or that the work is being performed in an inefficient or otherwise improper or un-workman like manner shall omit to comply with the requirement of such notice for a period of seven days thereafter.
- **ii.** If the contractor has, without reasonable cause, suspended the progress of the work or has failed to proceed with the work with due diligence and continues to do so after a notice in writing of seven days from the Engineer-in-Charge.
- iii. If the contractor fails to complete the work or section of work with individual date of completion on or before the stipulated or justified extended date on or before such date of completion, and the Engineer in Charge without any prejudice to any other right or remedy under any other provision in the contract has given further reasonable time in a notice given in writing in that behalf as either mutually agreed or in absence of such mutual agreement by his own assessment making such time essence of contract and in the opinion of Engineer in Charge, the contractor will be unable to complete the same or does not complete the same within the period specified.
- iv. If the contractor persistently neglects to carry out his obligations under the contract and / or commits default in complying with any of the terms and conditions of the contract and does not remedy it or take effective steps to remedy it within 7 days after a notice in writing is given to him in that behalf by the Engineer-in-Charge.
- v. If the contractor shall offer or give or agree to give to any person in AAI service or to any other person on his behalf any gift or consideration of any kind as an inducement or reward for doing or forbearing to do or for having done or forborne to do any act in relation to the obtaining or execution of this or any other contract for AAI.
- vi. If the contractor shall enter into a contract with Airports Authority of India in connection with which commission has been paid or agreed to be paid by him or to his knowledge, unless the particulars of any such commission and the terms of payment thereof have been previously disclosed in writing to the Engineer-in-charge.
- vii. If the contractor shall obtain a contract with AAI as a result of wrong tendering or other non-bonafide methods of competitive tendering or commits any breach of Integrity Pact.
- viii. If the contractor being an individual, or if a firm, any partner thereof shall at any time be adjudged insolvent or have a receiving order or order for administration of his estate made against him or shall take any proceedings for liquidation or composition (other than a voluntary liquidation for the purpose of amalgamation or reconstruction) under any Insolvency Act for the time being in force or make any conveyance or assignment of his effects or composition or arrangement for the benefit of his creditors or purport so to do, or if any application be made under any Insolvency Act for the time being in force for the sequestration of his estate or if a trust deed be executed by him for benefit of his creditors.
- ix. If the contractor being a company shall pass a resolution or the court shall make an order that the company shall be wound up or if a receiver or a manager on behalf of a creditor shall be appointed or if circumstances shall arise which entitle the court or the creditor to appoint a receiver or a manager or which entitle the court to make a winding up order.
- **x.** If the contractor shall suffer an execution being levied on his goods and allow it to be continued for a period of 21days.

- xi. If the contractor assigns (excluding part(s) of work assigned to other agency(s) by the contractor as per terms of contract), transfers, sublets (engagement of labour on a piece-work basis or of labour with materials not to be incorporated in the work, shall not be deemed to be subletting) or otherwise parts with or attempts to assign, transfer, sublet or otherwise parts with the entire works or any portion thereof without the prior written approval of the Engineer-in-Charge. When the contractor has made himself liable for action under any of the cases aforesaid, the Engineer-in-Charge on behalf of the Chairman, AAI shall have powers:
 - a. To determine the contract as aforesaid so far as performance of work by the Contractor of work is concerned (of which determination notice in writing to the contractor under the hand of the Engineer-in-Charge shall be conclusive evidence). Upon such determination, the Earnest Money Deposit, Security Deposit already recovered and Performance Guarantee under the contract shall be liable to be forfeited and shall be absolutely at the disposal of the AAI.
 - b. After giving notice to the contractor to measure up the work of the contractor and to take such whole, or the balance or part thereof, as shall be un-executed out of his hands and to give it to another contractor or any other means to complete the work. The contractor, whose contract is determined as above, shall not be allowed to participate in the tendering process for the balance work. In the event of above courses being adopted by the Engineer-in-Charge, the contractor shall have no claim to compensation for any loss sustained by him by reasons of his having purchased or procured any materials or entered into any engagements or made any advances on account or with a view to the execution of the work or the performance of the contract. And in case action is taken under any of the provision aforesaid, the contractor shall not be entitled to recover or be paid any sum for any work thereof or actually performed under this contract unless and until the Engineer-in-Charge has certified in writing the performance of such work and the value payable in respect thereof and he shall only be entitled to be paid the value so certified.

CLAUSE 3 A

In case, the work cannot be started due to reasons not within the control of the contractor within 1/8th of the stipulated time for completion of work or one month whichever is higher, either party may close the contract by giving notice to the other party stating the reasons. In such eventuality, the Earnest Money Deposit and the Performance Guarantee of the contractor shall be refunded within 30days.

Neither party shall claim any compensation for such eventuality. This clause is not applicable for any breach of the contract by either party.

CLAUSE 3 B

Debarment of Contractor

- (i) Contractor may be debarred if it is determined under breached the Integrity Pact of clause 41(a) and Code of Integrity of clause 41(b).
- (ii) Contractor can also be debarred for the reasons like supply of substandard material, non-supply of material, abandonment of work, sub-standard quality of work, poor/ unsatisfactory performance.
- (iii) The period of debarment shall be upto two years.

CLAUSE4

Contractor liable to pay compensation even if action not taken under Clause-3

In any case in which any of the powers conferred upon the Engineer-in-Charge by Clause-3 thereof, shall have become exercisable and the same are not exercised, the non-exercise thereof shall not constitute a waiver of any of the conditions hereof and such powers shall notwithstanding be exercisable in the event of any future case of default by the contractor and the liability of the contractor for compensation shall remain unaffected. In the event of the Engineerin-Charge putting in force all or any of the powers vested in him under the preceding clause he may, if he so desires after giving a notice in writing to the contractor, take possession of (or at the sole discretion of the Engineer-in-Charge which shall be final and binding on the contractor) use as on hire (the amount of the hire money being also in the final determination of the Engineer-in-Charge) all or any tools, plant, materials and stores, in or upon the works, or the site thereof belonging to the contractor, or procured by the contractor and intended to be used for the execution of the work/ or any part thereof, paying or allowing for the same in account at the contract rates, or, in the case of these not being applicable, at current market rates to be certified by the Engineer-in-Charge, whose certificate thereof shall be final, and binding on the contractor, clerk of the works, foreman or other authorised agent to remove such tools, plant, materials, or stores from the premises (within a time to be specified in such notice) in the event of the contractor failing to comply with any such requisition, the Engineerin-Charge may remove them at the contractor's expense or sell them by auction or private sale on account of the contractor and his risk in all respects and the certificateoftheEngineer-in-Chargeastotheexpensesofanysuchremovaland the amount of the proceeds and expenses of any such sale shall be final and conclusive against the contractor.

CLAUSE5

Extension for Delay the extended time in accordance with these conditions shall be to Contract. The execution of the works shall commence from such mentioned in schedule 'F' or from the date of handing over of the is later. If the Contractor commits default in commencing the work as aforesaid, AAI shall without prejudice to any other right		č ,
guarantee absolutely. 5.1 After the Contract is awarded Time and Progress Chart for Engineer-in-charge. The Chart stated in the Contract documer indicate the forecast of the dat trades of sections of the work a between the Engineer-in-Chart time imposed in the contract of during the execution of the wo time allowed for any work, exc separate programme has been stones given in Schedule 'F'. Project Management shall be de		After the Contract is awarded, within 15 days, the Contractor shall submit a Time and Progress Chart for each mile stone and get it approved by the Engineer-in-charge. The Chart shall be prepared in direct relation to the time stated in the Contract documents for completion of items of the works. It shall indicate the forecast of the dates of commencement and completion of various trades of sections of the work and may be amended as necessary by agreement between the Engineer-in-Charge and the Contractor within the limitations of time imposed in the contract documents, and further to ensure good progress during the execution of the work, the contractor shall in all cases in which the time allowed for any work, exceeds one month (save for special jobs for which a separate programme has been agreed upon) complete the work as per mile stones given in Schedule 'F'. Project Management shall be done. a. For works costing upto Rs. 5.00 Cr CPM/ PERT Chart

b. Works costing more than Rs. 5.00 Cr. -- By using Project Management Software like Primavera /MS Project or any other software with the approval of Engineer-in-charge.

c. Contractor shall submit monthly progress reports (2 copies)
highlighting status of various activities and physical completion of
work.

PROGRAMME CHART

- i. The Contractor shall prepare an integrated programme chart in Project Management Software for the execution of work, showing clearly all activities from the start of work to completion, with details of manpower, equipment and machinery required for the fulfillment of the programme within the stipulated period or earlier and submit the same for approval to the Engineer-in- Charge within fifteen days of award of the contract. A recovery of Rs. 2500/- (for works costing upto Rs. 5.00 Crores) / Rs. 5000/- (for works costing more than Rs. 5.00 Crores) shall be made on per day basis in case of delay in submission of the above programme.
- ii. The programme chart should include the following:
 - a. Descriptive note explaining sequence of the various activities.
 - b. Network (PERT / CPM / BARCHART).
 - c. Programme for procurement of materials by the contractor.

Programme for deployment of machinery / equipment's having adequate capacity, commensurate with the quantum of work to be done within the stipulated period, by the contractor. In addition to above, to achieve the progress of work as per programme, the contractor must bring at site adequate shuttering material required for cement concrete and R.C.C. works etc. for three floors within one month from the date of start of work till the completion of RCC work as per requirement of work. The contractor shall submit shuttering schedule adequate to complete structure work within laid down physical milestone.

- iii. If at any time, it appears to the Engineer-in-Charge that the actual progress of work does not conform to the approved programme referred above or after rescheduling of milestones, the contractor shall produce a revised programme within 7 (seven) days, showing the modifications to the approved programme to ensure timely completion of the work. The modified schedule of programme shall be approved by the Engineer in Charge. A recovery of Rs. 2500/- (for works costing upto Rs.5.00 Crores) / Rs. 5000/- (for works costing more than Rs.5.00 Crores) shall be made on per day basis in case of delay in submission of the modified programme.
- iv. The submission for approval by the Engineer-in-Charge of such programme or such particulars shall not relieve the contractor of any of the duties or responsibilities under the contract. This is without prejudice to the right of Engineer-in-Charge to take action against the contractor as per terms and conditions of the agreement.
- v. The contractor shall submit the progress report using MS Project / Primavera software with base line programme referred above for the work done during previous month to the Engineer-in-charge on or before 5th day of each month failing which a recovery Rs. 2500/ (for works costing upto Rs.5.00 Crores) / Rs. 5000/- (for works costing more than Rs.5.00 Crores) shall be made on per day basis in case of delay in submission of the monthly

	progress report.
5.2	If the work(s) be delayed by:-
	i. Force majeure, or an act of terrorism
	ii. Abnormally bad weather, or
	iii. Serious loss or damage by fire, or
	iv. Civil commotion, local commotion of workmen, strike or lockout, affecting
	any of the trades employed on the work, or
	v. Delay on the part of other contractors or tradesmen engaged by Engineer-in-
	Charge for executing work not forming part of the Contract, or
	vi. Non-availability of stores, which are the responsibility of AAI to supply or
	vii. Non-availability or break down of tools and Plant to be supplied or supplied
	by AAI or
	viii. Any other cause which, in the absolute discretion of the Engineer-in-Charge is beyond the Contractor's control.
	then upon the happening of any such event causing delay, the contractor
	shall immediately give notice thereof in writing to the Engineer-in-Charge
	but shall nevertheless use constantly his best endeavors to prevent or make
	good the delay and shall do all that may be reasonably required to the
	satisfaction of the Engineer-in-charge to proceed with the works.
	All correspondence with the agency and concerned stakeholders during execution of works will be taken into consideration for evaluation of
	hindrances causing delay, for grant of extension of time by the Competent
	Authority.
5.3	Request for rescheduling of Milestones and extension of time, to be eligible for
	consideration, shall be made by the contractor in writing within fourteen days of
	the happening of the event causing delay on the prescribed form to the authority
	indicated in schedule 'F'. The contractor may also, if practicable, indicate in
	such a request the period for which extension is desired.
5.4	In any such case the Engineer-in-Charge with the approval of authority indicated
	in Schedule 'F' may give a fair and reasonable extension of time and reschedule
	the Milestones for completion of work. Such extension or re- scheduling of the
	milestone shall be communicated to the contractor by the Engineer-in-charge in
	writing, within 1 month or 4 weeks of the date of receipt of such request
	respectively. Non-application by the contractor for extension of time / re-
	scheduling of milestones shall not be a bar for giving a fair and reasonable
	extension / re-scheduling of milestones by the Engineer-in-charge with the
	approval of authority indicated in schedule 'F' and this shall be binding on the
	contractor.

CLAUSE 6

Measurements	Engineer-in-charge shall, except as otherwise provided, ascertain and determine					
of Work	by measurement, the value in accordance with the contract of work done.					
Done	All measurement of all items having financial value shall be entered in					
	Measurement Book and/or level field book so that a complete record is obtained					
	of all works performed under the contract.					
	All measurements and levels shall be taken jointly by the Engineer-in-Charge or					
	his authorised representative and by the contractor or his authorised					
	representative from time to time during the progress of the work and such					
	measurements shall be signed and dated by the Engineer-in-Charge and the					
	contractor or their representatives in token of their acceptance. If the contractor					
	objects to any of the measurements recorded, a note shall be made to that effect					
	with reason and signed by both the parties.					
	If for any reason the contractor or his authorised representative is not available					
	and the work of recording measurements is suspended by the Engineer-in-					

Charge or his representative, the Engineer-in-Charge and the Department shall not entertain any claim from contractor for any loss or damages on this account. If the contractor or his authorised representative does not remain present at the time of such measurements after the contractor or his authorised representative has been given a notice in writing three (3) days in advance or fails to countersign or to record objection within a week from the date of the measurement, then such measurements recorded in his absence by the Engineer-in- Charge or his representative shall be deemed to be accepted by the Contractor.

The contractor shall, without extra charge, provide all assistance with every appliance, labour and other things necessary for measurements and recording levels.

Except where any general or detailed description of the work expressly shows to the contrary, measurements shall be taken in accordance with the procedure set forth in the specifications notwithstanding any provision in the relevant Standard Method of measurement or any general or local custom. In the case of items which are not covered by specifications, measurements shall be taken in accordance with the relevant standard method of measurement issued by the Bureau of Indian Standards and if for any item no such standard is available, then a mutually agreed method shall be followed.

The contractor shall give, not less than seven days' notice to the Engineer-in-Charge or his authorised Representative of the work, before covering up or otherwise placing beyond the reach of measurement any work in order that the same may be measured and correct dimensions thereof be taken before the same is covered up or placed beyond the reach of measurement and shall not cover up and place beyond reach of measurement any work without consent in writing of the Engineer-in-Charge or his authorised representative of the work who shall within the aforesaid period of seven days inspect the work, and if any work shall be covered up or placed beyond the reach of measurements without such notice having been given or the Engineer-in- Charge's consent being obtained in writing, the same shall be uncovered at the Contractor's expense, or in default thereof no payment or allowance shall be made for such work or the materials with which the same was executed.

Engineer-in-Charge or his authorised representative may cause either themselves or through another officer of the department to check the measurements recorded jointly or otherwise as aforesaid and all provisions stipulated herein above shall be applicable to such checking of measurements or levels.

It is also a term of this contract that recording of measurements of any item of work in the measurement book and/or its payment in the interim, on account or final bill shall not be considered as conclusive evidence as to the sufficiency of any work or material to which it relates nor shall it relieve the contractor from liabilities from any over measurement or defects noticed till completion of the defects liability period.

Clause 6 A

Computerize
d
Measurement
Book

Computerized measurement is mandatory for works costing more than Rs 5.00 Lacs. However in case of works costing lesser than Rs. 5.00 Lacs Engineer-in-Charge may decide for adopting computerized measurement if required, except as otherwise provided, ascertain and determine by measurement the value of work done in accordance with the contract. All measurements of all items having financial value shall be entered by the contractor and compiled in the shape of the Computerized Measurement Book having pages of A-4 size as per

the format of the department so that a complete record is obtained of all the items of works performed under the contract.

All such measurements and levels recorded by the contractor or his authorised representative from time to time, during the progress of the work, shall be got checked by the contractor from the Engineer-in-Charge or his authorised representative as per interval or program fixed in consultation with Engineer-in-Charge or his authorised representative. After the necessary corrections made by the Engineer-in-Charge, the measurement sheets shall be returned to the contractor for incorporating the corrections and for resubmission to the Engineer-in-Charge for the dated signatures by the Engineer-in-Charge and the contractor or their representatives in token of their acceptance.

Whenever bill is due for payment, the contractor would initially submit draft computerized measurement sheets and these measurements would be got checked/test checked *from* the Engineer-in-Charge and/or his authorized representative. The contractor will, thereafter, incorporate such changes as may be done during these checks/test checks in his draft computerized measurements, and submit to the department a computerized measurement book, duly bound, and with its pages machine numbered. The Engineer-in-Charge and/or his authorised representative would thereafter check this MB, and record the necessary certificates for their checks / test checks.

The final, fair, computerized measurement book given by the contractor, duly bound, with its pages machine numbered, should be 100% correct, and no cutting or overwriting in the measurements would thereafter be allowed. If at all any error is noticed, the contractor shall have to submit a fresh computerized MB with its pages duly machine numbered and bound, after getting the earlier MB cancelled by the department. Thereafter, the MB shall be taken in the records of Engineer-in-charge, and allotted a number as per the Register of Computerized MBs. This should be done before the corresponding bill is submitted to the Engineer-in-charge for payment. The contractor shall submit two spare copies of such computerized MB's for the purpose of reference and record by the various officers of the department.

The contractor shall also submit to the department separately his computerized Abstract of Cost and the bill based on these measurements, duly bound, and its pages machine numbered along with two spare copies of the "bill. Thereafter, this bill will be processed by the Engineer-in-charge and allotted a number as per the computerized record in the same way as done for the measurement book meant for measurements.

The contractor shall, without extra charge, provide all assistance with every appliance, labour and other things necessary for checking of measurements / levels by the Engineer-in-charge or his representative.

Except where any general or detailed description of the work expressly shows to the contrary, measurements shall be taken in accordance with the procedure set forth in the specifications notwithstanding any provision in the relevant Standard Method of measurement or any general of local custom. In the case of item which are not covered by specifications, measurements shall be taken in accordance with the relevant standard method of measurement issued by the Bureau of Indian Standards and if for any item no such standard is available then a mutually agreed method shall be followed.

The contractor shall give not less than seven days' notice to the Engineer-in-Charge or his authorized representative of the work before covering up or otherwise placing beyond the reach of checking and / or test checking the measurement of any work in order that the same be checked and / or test checked and correct dimensions thereof be taken before the same is covered up or placed beyond the reach of checking and / or test checking measurement and shall not cover up and place beyond reach of measurement any work without

consent in writing of the Engineer-in-charge or his authorized representative of the work who shall within the aforesaid period of seven days inspect the work, and if any work shall be covered up or placed beyond the reach of checking and / or test checking measurements without such notice having been given or the Engineer-in charge's consent being obtained in writing the same shall be uncovered at the contractor's expense, or in default thereof no payment or allowance shall be made for such work or the materials with which the same was executed.
Engineer-in-charge or his authorised representative may cause either themselves or through another officer of the department to check the measurements recorded by contractor and all provisions stipulated herein above shall be applicable to such checking of measurements or levels. It is also a term of this contract that checking and/or test checking the measurements of any item of work in the measurement book and/or its payment in the interim, on account of final bill shall not be considered as conclusive evidence as to the sufficiency of any work or material to which it relates nor shall it relieve the contractor from liabilities from any over measurement or defects noticed till completion of the defects liability period.

CLAUSE 7

Payment on
Intermediate
Certificate to be
regarded as
Advances

No payment shall be made for work, estimated to cost Rs. One lac or less till after the whole of the work shall have been completed and certificate of completion given. For works estimated to cost over Rs. One lac, the interim or running account bills shall be submitted by the contractor for the work executed on the basis of such recorded measurements on the format of the Department in triplicate on or before the date of every month fixed for the same by the Engineer-in-Charge. The contractor shall not be entitled to be paid any such interim payment if the gross work done together with net payment/ adjustment of advances for material collected, if any, since the last such payment is less than the amount specified in Schedule 'F', in which case the interim bill shall be prepared on the appointed date of the month after the requisite progress is achieved. Engineer-in- Charge shall arrange to have the bill verified by taking or causing to be taken, where necessary, the requisite measurements of the work. In the event of the failure of the contractor to submit the bills, Engineer-in-Charge shall prepare or cause to be prepared such bills in which event no claims whatsoever due to delays on payment including that of interest shall be payable to the contractor. Payment on account of amount admissible shall be made by the Engineer-in-Charge certifying the sum to which the contractor is considered entitled by way of interim payment at such rates as decided by the Engineer-in-Charge. The amount admissible shall be paid by 10th working day after the day of presentation of the bill by the Contractor to the Engineer-in-Charge or his Asstt. Manager / Manager (Engg.) together with the account of the material issued by the department, or dismantled materials, if any. In the case of works outside the headquarters of the Engineer- in-Charge, the period of ten working days will be extended to fifteen working days.

All such interim payments shall be regarded as payment by way of advances against final payment only and shall not preclude the requiring of bad, unsound and imperfect or unskilled work to be rejected, removed, taken away and reconstructed or re-erected. Any certificate given by the Engineer-in-charge relating to the work done or materials delivered forming part of such payment, may be modified or corrected by any subsequent such certificate(s) or by the final certificate and shall not by itself be conclusive evidence that any work or materials to which it relates is are in accordance with the contract and

specifications. Any such interim payment, or any part thereof shall not in any respect conclude, determine of affect in any way powers of the Engineer-incharge under the contract or any of such payments be treated as final settlement and adjustment of accounts or in any way vary or affect the contract.

Pending consideration or extension of date of completion, interim payments shall continue to be made as herein provided without prejudice to the right of the department to take action under the terms of this contract for delay in the completion of work, if the extension of date of completion is not granted by the competent authority.

The Engineer-in-Charge in his sole discretion on the basis of a certificate from the Asstt Manager / Manager (Engg) to the effect that the work has been completed up to the level in question make interim advance payments without detailed measurements for work done (other than foundations, items to be covered under finishing items) up to lintel level (including sunshade etc.) and slab level, for each floor working out at 75% of the assessed value. The advance payments so allowed shall be adjusted in the subsequent interim bill by taking detailed measurements thereof.

CLAUSE 8

Completion Certificate and Completion Plans

Within ten days of the completion of the work, the contractor shall give notice of such completion to the Engineer-in-Charge and within thirty days of the receipt of such notice, the Engineer-in-Charge shall inspect the work and if there is no defect in the work, shall furnish the contractor with a final certificate of completion, otherwise a provisional certificate of physical completion indicating defects (a) to be rectified by the contractor and/or (b) for which payment will be made at reduced rates, shall be issued. But no final certificate of completion shall be issued, nor shall the work be considered to be complete for 'Civil Construction Works' until the contractor shall have removed from the premises on which the work shall be executed all scaffolding, surplus materials, rubbish and all huts and sanitary arrangements required for his/their work people on the site in connection with the execution of the works as shall have been erected or constructed by the contractor(s) and cleaned off the dirt from all wood work, doors, windows, walls, floor or other parts of the building, in, upon, or about which the work is to be executed or of which he may have had possession for the purpose of the execution; thereof, and not until the work shall have been measured by the Engineer-in-charge. If the contractor shall fail to comply with the requirements of this Clause as to removal of scaffolding, surplus materials and rubbish and all huts and sanitary arrangement as aforesaid and cleaning off dirt on or before the date fixed for the completion of work, the Engineer-incharge may at the expense of the contractor remove such scaffolding, surplus materials and rubbish etc., and dispose of the same as he thinks fit and clean off such dirt as aforesaid, and the contractor shall have no claim in respect of scaffolding or surplus materials as aforesaid except for any sum actually realized by the sale thereof.

- a. For electrical and mechanical capital works: The contractor shall remove the rubbish from the site. Following conditions must be met before recording completion certificate:
 - Submits completion plan, maintenance manual, manufactures catalogue and gives performance test for system.
- b. For repair works: The performance of the repaired system has been tested and found satisfactory.
- c. For AMC work: The system has been tested for its performance / completeness and taken over by AAI/next agency for operation and

	maintenance.

CLAUSE 8A

Contractor to keep site clean When the annual repairs and maintenance of works are carried out, the splashes and droppings from white washing colour washing, painting etc., on walls, floor, windows etc. shall be removed and the surface cleaned simultaneously with the completion of these items of work in the individual rooms, quarters or premises etc. Where the work is done without waiting for the actual completion of all the other items of work in the contract, in case the contractor fails to comply with

Where the work is done without waiting for the actual completion of all the other items of work in the contract, in case the contractor fails to comply with the requirements of this clause, the Engineer-in-charge shall have the right to get this work done at the cost of the contractor either departmentally or through any other agency. Before taking such action, the Engineer-in-charge shall give ten days notice in writing to the contractor.

CLAUSE 8B

Completion	The contractor shall submit completion plan as required vide General					
Plans to be	Specifications for Electrical works (Part-I internal) 2013 and (Part -II External)					
Submitted by	1994 or latest available specifications, as applicable within thirty days of the					
the Contractor	completion of the work.					
	The contractor shall submit completion plan for building works, all services, and					
	obtain occupancy certificate from local bodies on the basis of completion					
	drawings within a period of 30 days from the date of completion.					
	The contractor shall also submit catalogues of all equipment's and maintenance					
	manual for the complete E & M systems. If contractor fails to submit					
	completion plans of all works, he shall be liable to pay compensation @ 0.5% of					
	the tendered value of works costing up to Rs. 5 Crores subject to maximum of					
	Rs. 1.00 Lac and 0.25% for works costing more than Rs. 5 crores subject to					
	maximum of Rs. 1.5.Lac. The decision of Project-in-charge in this regard shall					
	be final and binding on the contractor.					

CLAUSE 9

Payment of	Payment of The corrected final bill shall be submitted by the contractor in the same mann					
final bill	asspecifiedininterimbills within three months of physical completion of the work or					
	within one month of the date of the final certificate of compl					
	furnished by the Engineer-in-charge whichever is earlier. No further claims					
	be made by the contractor after submission of the final bill and these shall					
	deemed to have been waived and extinguished. Payments of those items of					
	bill in respect of which there is no dispute and of items in dispute, for quantities					
	and rates as approved by Engineer-in- charge, will, as far as possible be made					
	within the period specified herein under, the period being reckoned from the					
	date of receipt of the bill by the Engineer-in charge or his authorised Asstt					
	Manager / Manager (Engg.), complete with account of materials issued by the					
	Department and dismantled materials.					
	Sl.	Value of work	Time limit			
	1	If the Tendered value of work is up to Rs. 50	2 months			
		lac				
	2	If the Tendered value of work is more than	3 months			
		Rs.50 lac and up to Rs. 2.5 Crore:				
	3	If the Tendered value of work exceeds Rs.	6 months			

2.5 Crore:

In case of delay in payment of final bills after prescribed time limit, a simple interest @ 5% per annum shall be paid to the contractor from the date of expiry of prescribed time limit which will be compounded on yearly basis, provided the final bill submitted by the contractor found to be in order.

The Final bill shall be prepared for all bidders for all tendered items (excluding Extra Items based on market rate) and payment shall be made on the basis of lower of all the bidders.

CLAUSE 9 A

Payment of contractor's bills to Banks

Payments due to the contractor and refund of various nature may, if so desired by him and wherever possible in banks be made through electronic payment mechanism instead of direct to him, provided that the contractor furnishes to the Engineer-in-Charge.

- i. Informations as per proforma attached.
- ii. An authorization in the form of a legally valid document such as power of attorney conferring authority on the bank to receive payments and
- iii. His own acceptance of the correctness of the amount made out as being due to him by Authority or his signature on the bill or other claim preferred against Authority before settlement by the Engineer-in-charge of the account or claim by payment to the bank. While the receipt given by such banks shall constitute a full and sufficient discharge for the payment, the contractor shall whenever possible present his bills duly receipted and discharged through his bank.

Nothing herein contained shall operate to create in favour of the bank any rights or equities vis-à-vis the Airports Authority of India.

CLAUSE 10

Materials supplied by Authority

Materials which Authority will supply are shown in Schedule 'B' which also stipulates quantum, place of issue and rate(s) to be charged in respect thereof. The contractor shall be bound to procure them from the Engineer-in-charge. As soon as the work is awarded, the contractor shall finalise the program for the completion of work as per clause 5 of this contract and show his estimates of materials required on the basis of drawings schedule of quantities of the work. The contractor shall give in writing quirement to the Engineer-in-charge, which shall be issued to him keet in view the progress of work as assessed by the Engineer-in- Charge in accordance with the agreed phased programme of work indicating the program of various materials. The contractor shall place indent in writing for issue of such materials at least 7 days in advance the purpose of the contract only and the

Such materials shall be supplied the purpose of the contract only and the value of the materials so lied at the rates specified in the aforesaid schedule shall be set off or deduced, as and when materials are consumed in items of work (including that wastage) for which payment is being made to the contractor, for the contract or otherwise or from the security deposit. At the time the bmission of bills, the contractor shall certify that balance of materials used is available at site in original good condition.

The contractor shall submit along with every running bill (on account or interim bill) material-wise reconciliation statements supported by complete calculations

∕esaid and not used by him or for any

reconciling total issue, total consumption and certified balance (di section-wise in the case of steel) and resulting variations and reason éreof. Engineer-in-charge shall (whose decision shall be final and binds, on the contractor) be within his rights to follow the procedure of recovery/h/lause 42 at any stage of the work if reconciliation is not found to be satisfage by éd, loading, The contractor shall bear the cost of getting the material transporting to site, unloading, storing under cover as uired, cutting assembling and joining the several parts together as necessary. Notwithstanding anything to the contrary contained in any other clause of the contract and all stores / materials so supplied to the contractor or procure with the assistance of the AAI shall remain the absolute property of Authority d the contractor shall be the trustee of the stores/ materials, and the said styll materials shall not be removed/ disposed off from the site of the work or account and shall be at ge or his authorised agent. all times open to inspection by the Engineer-in-c Any such stores / materials remaining unused sh/ be returned to the Engineerin-charge in as good a condition in which the were originally supplied at a place directed by him, at a place of issue or ny other place specified by him as he shall require, but in case it is decided to take back the stores / materials pensation on any account of such the contractor shall have no claim for/

On being required to return the stores / materials, the contractor shall hand over the stores/ materials on being pai for credited such price as the Engineer-incharge shall determine, having the regard to the condition of the stores / materials. The price allowed for fedit to the contractor, however, shall be at the prevailing market rate not explain the amount charged to him, excluding the storage charge, if any. The prison of the Engineer-in-charge shall be final and conclusive. In the event of the aforesaid condition, the contractor shall in addition to throwing \strace{1}{2} \self open to account for contravention of the terms of the licenses or permit and / or for criminal breach of trust, be liable to Authority profits resulting or which in the usual course would have for all advantages/ resulted to him by son of such breach. Provided that the contractor shall in no case be entitle/ Any compensation or damages on account of any delay in supply or non-supply thereof all or any such materials and stores provided further that the contractor shall be bound to execute the entire work if the materials a upplied by the Authority within the original scheduled time for completic of the work plus 50% thereof or schedule time plus 6 months whicher a more if the time of completion of work exceeds 12 months, but if a part of materials only has been supplied within the aforesaid period, then the cont or shall be bound to do so much of the way! Als and stores supplied in the aforesaid period. For the completion of the rd of the work, the contractor shall be entitled to such extension of time as may be determined by the Engineer-in-charge whose decision in this regard shall be Sinal and binding on the contractor.

The contractor shall see that only the required quantities of materials are got issued. Any such material remaining unused and in perfectly good / original condition at the time of completion or determination of the contract shall be returned to the Engineer-in- charge at the stores from which it was issued or at a place directed by him by a notice in writing. The contractor shall not be entitled for loading transporting, unloading and stacking of such unused material except for the extra lead, if any involved, beyond the original place of issue.

stores / materials so supplied to him as

wastage in or damage to in such stores materials.

CLAUSE 10 A

Materials to be provided by the contractor and Mandatory Tests

- 1. The contractor shall, at his own expense, provide all materials, required for the works other than those which are stipulated to be supplied by the Authority.
- 2. The contractor shall, at his own expense and without delay; supply to the Engineer in- charge samples of materials to be used on the work and shall get these approved in advance. All such materials to be provided by the contractor shall be in conformity with the specifications laid down or referred to in the contract. The contractor shall, if requested by the Engineer-in-charge furnish proof, to the satisfaction of the Engineer-incharge that the materials so comply. The Engineer-in-charge shall within thirty days of supply of samples or within such further period as he may require intimate to the Contractor in writing whether samples are approved by him or not. If samples are not approved, the Contractor shall forthwith arrange to supply to the Engineer-in charge for his approval, fresh samples complying with the specifications laid down in the contract. When materials are required to be tested in accordance with specifications, approval of the Engineer-in-charge shall be issued after the test results are received.
- 3. The contractor shall at his risk and cost submit the samples of materials to be tested or analyzed and shall not make use of or incorporate in the work any materials represented by the samples until the required tests or analysis have been made and materials finally accepted by the Engineer-in-charge.
- 4. If any additional tests apart from mandatory tests specified in the contract are required to be carried out at the instance of AAI or any other advisory body, to ensure conformity of the item to the contract specifications, the cost of such tests shall be borne by AAI. In case the material / equipment fails in the above tests, the expenditure incurred by AAI on testing of such material or equipment along with incidental charges borne by AAI (if any) shall be recovered from the dues of the contractor and action shall be taken under Clause 16 and other relevant clauses of the contract.
- 5. The contractor shall not be eligible for any claim or compensation either arising out of any delay in the work or due to any corrective measures required to be taken on account of and as a result of testing of materials.
- 6. The contractor shall, at his risk and cost, make all arrangements and shall provide all facilities as the Engineer-in-charge may require for collecting and preparing the required number of samples for such tests at such time and to such place or places as may be directed by the Engineer-in-charge and bear all charges and cost of testing unless specifically provided for otherwise elsewhere in the contract or specifications. The Engineer-in-charge or his authorised representative shall at all times have access to the works and to all workshops and places where work is being prepared or from where materials manufactured, articles or machinery are being obtained for the works and the contractor shall afford every facility and every assistance in obtaining the right to such access.
- 7. The Engineer-in-charge shall have full powers to require the removal from the premises of all materials which in his opinion are not in accordance with the specifications and in case of default, the Engineer-in-charge shall be at liberty to employ at the expense of the contractor, other persons to remove the same without being answerable or accountable for any loss or damage that may happen or arise to such materials. The Engineer-in-charge shall also have full powers to require other proper materials to be substituted thereof and in case of default, the Engineer-in-charge may cause

8.	the same to be supplied and all costs which may be attracted for such removal and substitution shall be borne by the Contractor. The contractor shall at his own expense, provide a material testing lab at the site for conducting routine field tests. The lab shall be equipped at least with the testing equipment as specified in Schedule F.
9.	Details in respect of all mandatory tests shall be maintained in the desired
	Tormat and attached with each Kuming Account bin.

CLAUSE 10 B

021		
(1)	Secured Advance on Nonperishable materials	1. The Contractor, on signing an indenture in the form to be specified by the Engineer-in- charge, shall be entitled to be paid during the progress of the execution of the work upto 75% of the assessed value of any materials which are in the opinion of the Engineer-in-charge nonperishable, nonfragile and noncombustible and are in accordance with the contract and which have been brought on the site in connection therewith and are adequately stored and / or protected against damage by weather or other causes but which have not at time of advance been incorporated in the works. When materials on account of which an advance has been made under this sub-clause are incorporated in the work, the amount of such advance shall be recovered/ deducted from the next payment made under any of the clause or clauses of this contract. Such secured advance shall also be payable on other items of perishable nature, fragile and combustible with the approval of the Engineer-in-charge provided the contactor provides a comprehensive insurance cover for the full cost of such materials. The decision of the Engineer-in-charge shall be final and binding on the contractor in this matter. No secured advance, shall however, be paid on high-risk materials such as ordinary glass, sand, petrol, diesel etc. The secured advance shall also be payable again items brought at site for use in electrical and mechanical systems. The contractor is paid up to 75% of the assessed value of items but it is advance is paid up to 75% of the assessed value of items but it is advance is paid up to 75% of the assessed value of items but it is advance is paid up to 75% of the assessed value of items but it is advance is paid up to 75% of the assessed value of items but it is advance is paid up to 75% of the assessed value of items but it is advance is paid up to 75% of the assessed value of items but it is advance is paid up to 75% of the assessed value of items but it is advance is paid up to 75% of the assessed value of items but it is advance is paid up to 7
(II)	Mobilization Advance	2. Mobilization advances not exceeding 10% of the contract amount may be given, if requested by the contractor in writing within six months of the order to commence the work. Such advance shall be released in two or more installments to be determined by the Engineer-in-Charge. The amount of any installment shall not exceed 5% of the Contract amount of the work. The first installment of such advance shall be released by the Engineer-incharge to the contractor on a request made by the contractor to the Engineer-in-Charge in this behalf. The second and subsequent installments shall be released by the Engineer-in-Charge only after the contractor furnishes a proof of the satisfactory utilization of the earlier installment(s) to the satisfaction of the Engineer-in-Charge. Before any instalment of advance is released, the contractor shall execute Bank Guarantee Bonds not more than 6 (six) in number from commercial Bank for the amount equal to 110% of the amount of advance and valid for the period till recovery of advance. This (Bank Guarantee from commercial)

Bank on prescribed format for the amount equal to 110% of the balance amount of advance) shall be kept renewed from time to time to cover the balance amount and likely period of complete recovery.
3. The mobilization advance in (2) above bear simple interest at the rate of 8% (Eight percent) per annum and shall be calculated from the date of payment to the date of recovery, both days inclusive, on the outstanding amount of advance.
4. Recovery of such sums advanced shall be made by the deduction from the contractor's bills commencing after first ten percent of the gross value of the work is executed and paid, on pro-rata percentage basis to the gross value of the work billed beyond 10% in such a way that the entire advance is recovered by the time eighty percent of the gross value of the contract is executed and paid, together with interest due on
the entire outstanding amount up to the date of recovery of the installment. If the circumstances are considered reasonable by the Engineer-in-Charge, the period mentioned for request by the contractor in writing for grant of mobilization advance may be extended at the discretion of the Engineer-in-Charge.

CLAUSE 10 C

Payment on Account of Increase in Prices/ Wages due to Statutory Order(s) If after submission of tender, if the price of any material incorporated in the work and/ or wages of labour increases as a direct result of the coming into force of any fresh, law or statutory rule or order (but not due to any variation of rate in GST applicable on such material(s) being considered under this clause) beyond the prices/wages prevailing at the time of the last stipulated date of receipt of

tenders including extensions, if any, for the work during contract period including the justified period extended under the provisions of Clause 5 of the contract without any action under Clause 2, then the amount of the contract shall accordingly be varied.

If after submission of the tender, the price of any material incorporated in the works and/or wages of labour as prevailing at the time of last stipulated date of receipt of tender including extensions, if any, is decreased as a direct result of the coming into force of any fresh law or statutory rules or order (but not due to any variation of rate in GST applicable on such material(s) being considered

under this clause), Authority shall in respect of materials incorporated in the works and/or labour engaged or the execution of the work after the date of coming into force of such law, statutory rule or order be entitled to deduct from the dues of the contractor, such amount as shall be equivalent to the difference between the prices of the materials and/or wages as prevailed at the time of the

last stipulated date for receipt of tenders including extensions if any, for the work and the prices of materials and/or wages of labour on the coming into force of such law, statutory rule or order. This will be applicable for the contract period including the justified period extended under the provisions of Clause 5 of the contract without any action under Clause 2.

Engineer-in-charge shall call books of account and other relevant documents from the contractor to satisfy himself about reasonability of increase in prices of materials and wages. The contractor shall, within a reasonable time of his becoming aware of any alteration in the price of any such materials and/ or wages of labour, give notice thereof to the Engineer-in-charge stating that the same is given pursuant to this condition together with all information relating thereto which he may be in position to supply.

For this purpose, the labour component of 85% of the value of the work executed during period under consideration shall not exceed the percentage as specified in Schedule F, and the increase / decrease in labour shall be considered on the minimum daily wages in rupees of any unskilled mazdoor, fixed under any law, statutory rule or order.

The cost of work for which escalation applicable is same as cost of work done as worked out as below :

- (a) Gross value of work done up to this quarter: (A)
- (b) Gross value of work done up to the last quarter: (B)
- (c) Gross value of work done since previous quarter (C)= (A-B)
- (d) Full assessed value of Secured Advance fresh paid in this quarter: (D)
- (e) Full assessed value of Secured Advance recovered in this quarter: (E)
- (f) Full assessed value of Secured Advance for which escalation Payable in this quarter, (F) = (D-E)
- (g) Advance payment made during this quarter: (G)
- (h) Advance payment recovered during this quarter: (H)
- (i) Advance payment for which escalation is payable in this Quarter (I) = (G-H)
- (j) Amount paid based on prevailing market rates due to deviations/variations as per Clause 12 during this quarter : (J)

Clauses of Contract	
	Then, M = C-F+I-J
	N= 0.85 M
	(k) Less cost of services rendered at fixed charges as per Clause 34 and recovered during the quarter (L).(I) Less cost of Engineering Consultancy Services rendered at fixed charges as per BOQ and paid during the quarter (X).
	Cost of work for which escalation is applicable W=N-(L+X) Provided always that: (a) Where provisions of clause 10C are applicable, provisions of clause 10 CC will not be applicable and; (b) Where provisions of clause 10 CC are applicable, provisions of clause 10C will not be applicable

	4 1 W D O CL C10
	material. $V = P \times Q \times Cl-ClO$
	Cl0
	where,
	V = Variation in material cost i.e. increase or decrease in the amount in
	rupees to be paid or recovered

Clauses of Contract P = Base price of material as issued under authorityCPWD or concerned Zonal Chief Engineer CPWD and as ated in Schedule 'F'. For Projects and original works Q = Quantity of material brought at site for be affide use in the works since previous bill excluding any such quantity consumed in the deviated quantity of items beyond deviation / it and extra/substituted item, paid/to be paid at rates derived of the basis of market rates under clause 12.2 For maintenance works te for bonafide use in the works since O = Quantity of material brought/ previous bill including any / £h quantity consumed in the deviated quantity of items beyond deviation limit paid at agreement rates and extra/substituted item / boing scheduled items, but excluding nonscheduled extra/s/ tit/ted item paid/to be paid at market rates but excluding under clause 12.2 ficated in schedule 'F'. For other items, if any provided in /a Wholesale Price Index for the material as published by the To Government of India, Ministry of Industry and Commerce and correspo to the time of base price of respective material indicated in Schedule ' Cl = Price inde/ cement, steel reinforcement bars, structural steel and POL as issued ut the authority of DG, CPWD for period under consideration. For other ite, if any, provided in Schedule 'F' All India Wholesale Price Index for the material for the period under consideration as published by Economic Advisor ernment of India, Ministry of Industry and Commerce. All purchase price of material is less than base price P and $CI \ge 1$ hen, this clause shall not be applicable. In respect of justified period extended under the provisions of Clause 5 of the contract without any action under clause 2, the index prevailing at the time of updated stipulated date of completion considering the effect of extra work (extra time to be calculated on prorata basis only as cost of extra work X stipulated period/tendered cost) shall be considered. Provided always that provisions of the preceding Clause 10 C shall not be applicable in respect of materials covered in this Clause. ii. If during progress of work or at the time of completion of work, it is noticed that any material brought at site is in excess of requirement, then amount of escalation if paid earlier on such excess quantity of material shall be recovered on the basis of cost indices as applied at time of payment of escalation or as prevailing at the time of effecting recovery, whichever is higher. iii. Cement mentioned wherever in this clause includes cement component used in RMC brought at site from outside approved RMC plants, if any. iv. The date wise record of ready mix concrete shall be kept in a register and cement consumption for the same shall be calculated accordingly.

product is brought at site.

If built-up steel items are brought at site from workshop, than the variation

shall be paid for structural steel up-to the period when the built-up item/finished

Price adjustment for works

If the prices of materials and/ or wages of labour required for execution of work increase, the contractor shall be compensated for such increase as per provisions detailed below and the amount of the contract shall accordingly be varied, subject to the condition that such compensation for escalation in prices and wages shall be available only for the work done during the stipulated period of the contract including the justified period extended under the provisions of clause 5 of the contract without any action under clause 2.

Such compensation for escalation in the prices of materials and labour, when due, shall be worked out based on the following provisions:

- i. The base date for working out such escalation shall be the last stipulated date of the receipt of tenders including extension, if any.

 ii. The cost of work on which escalation will be payable shall be reckoned as below:
- a. Gross value of work done upto this quarter (A)
- b. Gross value of work done upto the last quarter (B)
- c. Gross value of work done since previous quarter (A-B) (C)
- d. Full assessed value of secured advance fresh paid in this quarter (D)
- e. Full assessed value of secured advance recovered in this quarter (E)
- f. Full assessed value of secured advance for which escalation is payable In this quarter (D-E) (F)
- g. Advance payment made during this quarter (G)
- h. Advance payment recovered during this quarter (H)
- i. Advance payment for which escalation is payable in this quarter (G-H) (I)
- i. Amount paid based on prevailing market rates due to deviations/ variations as per clause 12 during this quarter:(J)

Then, M=(C+F+I-J)

N = 0.85 M

k. Less cost of material supplied by the department as per clause 10 and recovered during the quarter

1. Less cost of Engineering Consultancy Services render a fixed charges as per BOQ and paid the quarter (X)

Cost of work for which escalation is applicable W=N-(L+X) *Cost of Design & Detailing shall be treated as civil work for EPC contract.

Components for materials, labour, etc. shall be pre-determined for every work and incorporated in the conditions of contract attached to the tender documents included in Schedule F. The decision of the Engineer-in charge in working out such percentage shall be binding on the contracts.

- (iii) The following principles shall be followed while working out the payment/recovery on account of variation of prices of materials and/ or wages of labour.
- (a) The compensation for escalation shall be worked out at quarterly intervals and shall be with respect to the cost of work done as per bills paid during the three calendar months of the said quarter. The date of submission of bill finally by the contractor to the department shall be the guiding factor to decide the bills relevant to the quarterly interval. The first such payment shall be made at the end of three months after the month (excluding the month in which the work order issued) and thereafter at three months' interval. At the time of completion of the work, the last period for payment might become less than 3 months, depending on the actual date of completion.
- (b) The indices as defined below (excluding LI) relevant to any quarter/period for which such compensation is to be paid shall be the arithmetical average of the

indices relevant to the three calendar months. If the period up to the date of completion after the quarter covered by the last such instalment of payment, is less than three months, the indices shall be the average of the indices for the months falling within that period.

- (c) The minimum wage of an unskilled Mazdoor shall be the higher of the notified by Government of India, Ministry of Labour and that notified by administration both relevant to the place of work and the period of reckon
- d) The escalation for labour also shall be paid at the same quarterly als when escalation due to increase in cost of materials is paid under this clau If such revision of minimum wages takes place during any such quarterly intervals, the escalation compensation shall be payable at revised rates for work done in subsequent quarters;
- (e) Irrespective of variations in minimum wages of ar gory of labour, for the purpose of this clause, the variation in the rate for a filled Mazdoor alone shall form the basis for working out the escalation companies.
- (iv) In the event the price of materials an of the work decreases, there shall be a ard adjustment of the cost of work so that such price of materials and/or way labour shall be deductible from the cost of work under this contract and in this regard the formula herein stated below under this Clause 10CC shall mutatis mutatis apply.
- (v) The contract price shall / Justed for increase or decrease in rates and prices of labour, cement, steel / rement bar, fuel and lubricants and other input materials as per percer of of materials/labour specified in schedule F and in accordance with the prices, procedures and formulae specified below:
- (a) Price adjustment for change in cost shall be paid in accordance with the following fo
- (i) For Constion:

VW= /* (1/100) * [CP * (CI-CO)/CO + LP* (LI-LO)/LO+CMP*(CMI-CMO)/CV /* MP*(EMI-EMO)/ EMO +FP* (FI-FO)/FO+SP* (SI- SO)/SO+ BP

1/or Maintenance:

BP- Bitumen Component Indices for various components of my dals & labour to be used for the purpose of this Clause are defined as under:

Co= Wholesale Price Index for Pozzolana Cement py ded by office of the Economic Adviser, Ministry of Industry & Commerce for the month of last date of receipt of tender including xtension, if any.

Cl= Wholesale Price Index for Pozzolana Cement published by office of the Economic Adviser, Ministry of Industry & Commerce for the period under consideration.

LO= Minimum daily wage in rupees of ar silled adult mazdoor, fixed under any law, statutory rule or order as on the last date of receipt of tender including extension, if any.

LI= Minimum wage in rupees of ar killed adult mazdoor, fixed under any law, statutory rule or order as application.

CMO= Price Index for civinponents of other construction materials valid for the month of the last day are receipt of tender including extension, if any, as published by AAI as published by Director General CPWD, New Delhi. CMI= Price Index for civic components of other construction materials for the period under consideration ablished by AAI as published by Director General CPWD, New Delhi.

EMO= Price Lodex for E & M components of construction materials valid for themonth of the last date of receipt of tender including extension, if any, as published AI as published by Director General CPWD, New Delhi.

EMI Index for E & M components of construction materials for the period und isideration, as published by AAI as published by Director General CPWD,

FO= Wholesale Price Index of HSD (High Speed Diesel) published by office of the conomic Adviser, Ministry of Industry & Commerce valid for the month of the last date of receipt of tender including extension, if any.

FI= Wholesale Price Index of HSD (High Speed Diesel) published by office of the Economic Adviser, Ministry of Industry & Commerce for the period under consideration.

SO= Wholesale Price Index of Mild Steel-long products published by office of the Economic Adviser, Ministry of Industry & Commerce valid for the month of the last date of receipt of tender including extension, if any

SI= Wholesale Price Index of Mild Steel-long products published by office of the

Economic Adviser, Ministry of Industry & C m rce for the period under consideration.

BO= Wholesale Price Index of Bitum vivolished by office of the Economic Adviser, Ministry of Industry & Compression and Compression of the last date of receipt of tender including extension.

BI= Wholesale Price Index Situmen published by office of the Economic Adviser, Ministry of Index ommerce for the period under consideration.

CLAUSE 10 D

Dismantled
Material
AAI
Property

The contractor shall treat all materials obtained during dismantling of a structure, excavation of the site for a work etc. as property of AAI and such materials shall be disposed of to the best advantage of Authority according to the instructions in writing issued by the Engineer-in-charge.

CLAUSE11

Work to be executed in accordance with specifications, drawings, orders etc. The contractor shall execute the whole and every part of the work in the most substantial and workmanlike manner both as regards materials and otherwise in every respect in strict accordance with the specifications. The contractor shall also conform exactly, fully and faithfully to the design, drawings and instructions in writing in respect to the work signed by the Engineer in charge and the contractor shall be furnished free of charge one copy of the contract documents together with specifications, designs, drawings and instructions as are not included in the standard specifications of Central Public Works Department specified in Schedule F or in any Bureau of Indian Standard or any other published standard or code or Schedule of Rates or any other printed publication referred to elsewhere in the contract. The contractor shall comply with the provisions of the contract and with the care and diligence execute and maintain the works and provide all labour and materials, tools and plants including for measurements and supervision of all works, structural plans and other things of temporary or permanent nature required for such execution and maintenance in so far as the necessity for providing these, is specified or is reasonably inferred from the contract. The contractor shall take full responsibility for adequacy suitability and safety of all the works and methods of construction.

CLAUSE12

Deviations	/
variations	
extent and	
pricing	

The engineer-in-charge shall have power (i) to make alteration in, omissions from, additions to, or substitutions for the original specifications, drawings, designs and instructions that may appear to him to be necessary or advisable during the progress of the work, and (ii) to omit a part of the works in case of non-availability of a portion of the site or for any other reasons and the contractor shall be bound to carry out the works in accordance with any instructions given to him in writing signed by the Engineering- charge and such alterations, omissions, additions or substitutions shall form part of the contract as if originally provided therein and any altered, additional or substituted work which the contractor may be directed to do in the manner specified above as part of the works, shall be carried out by the contractor on the same conditions in all respects including price on which he agreed to do the main work except as hereafter provided.

A.A.I. C.....I......O...... Page 40

		ARPCRITALTHORY TO FIND
12.1		The time for completion of the works shall, in the event of any deviations resulting in additional cost over the tendered value being ordered, be extended, if requested by the contractor, as follows: i. In the proportion which the additional cost of the altered, additional or substituted work, bears to the original tendered value plus ii. 25% of the time calculated in (i) above or such further additional time as may be considered reasonable by the engineer-in-charge.
12.2	Deviation, Extra Items and Pricing	In the case of extra item(s) (items that are completely new, and in addition to the items contained in the contract) the contractor may within fifteen days of receipt of order or occurrence of the item(s) claim rates, supported by proper analysis, for the work and the Engineer-in-charge shall within Six weeks of the receipt of the claims supported by analysis, after giving consideration to the analysis of the rates submitted by the contractor, determine the rates on the basis of the market rates and the contractor shall be paid in accordance with the rates so determined.

	Deviation, substituted items pricing	In the case of substituted items (items that are taken up with partial substitution or in lieu of items of work in the contract), the rate for the agreement item (to be substituted) and substituted item shall also be determined in the manner as mentioned in the following para. (i) If the market rate for the substituted item so determined is more than the market rate of the agreement item (to be substituted), the rate payable to the contractor for the substituted item shall be the rate for the agreement item (to be substituted) so increased to the extent of the difference between the market rates of substituted item and the agreement item (to be substituted). (ii) If the market rate for the substituted item so determined is less than the market rate of the agreement item (to be substituted), the rate payable to the contractor for the substituted item shall be the rate for the agreement item (to be substituted) so decreased to the extent of the difference between the market rates of substituted item and the agreement item (to be substituted).
	Deviation, Deviated Quantities, Pricing	In the case of contract items, substituted items, contract cum substituted items, which exceed the limits laid down in schedule F, the contractor may within fifteen days of receipt of order or occurrence of the excess, claim revision of the rates, supported by proper analysis for the work in excess of the above mentioned limits, provided that if the rates so claimed are in excess of the rates specified in the schedule of quantities, the Engineer-in-Charge shall within prescribed time limit of receipt of the claims supported by analysis, after giving consideration to the analysis of the rates submitted by the contractor, determine the rates on the basis of the market rates and the contractor shall be paid in accordance with the rates so determined.
12.3		The provisions of the preceding paragraph shall also apply to the decrease in the rates of items for the work in excess of the limits laid down in Schedule F, and the Engineer-in-Charge shall after giving notice to the contractor within one month of occurrence of the excess and after taking into consideration any reply received from him within fifteen days of the receipt of the notice, revise the rates for the work in question within one month of the expiry of the said period of fifteen days having regard to the market rates.
12.4		The contractor shall send to the Engineer-in-Charge once every three months, an upto date account giving complete details of all claims for additional payments to which the contractor may consider himself entitled and of all additional work ordered by the Engineer-in-Charge, which he has executed during the preceding quarter failing which the contractor shall be deemed to have waived his right. However, the Executive Director Engineering may authorize consideration of such claims on merits.
12.5		For the purpose of operation of Schedule F, the following works shall be treated as works relating to foundation unless & otherwise defined in the contract: i. For Buildings: All works up to 1.2 meters above ground level or up to floor 1 level whichever is lower. ii. For abutments, piers and well staining: All works up to 1.2 m above the bed level. iii. For retaining walls, wing walls, compound walls, chimneys, overhead reservoirs/tanks and other elevated structures: All works up to 1.2 m above the ground level.

	 iv. For roads, apron, runway & taxi track all items of excavation, filling GSBC and including treatment of sub-base. v. For reservoirs/tanks (other than overhead reservoirs/tanks): All works upto 1.2 meters above the ground level. vi. For basement: All works up to 1.2 m above ground level or up to floor 1 level whichever is lower.
12.6	Any operation incidental to or necessarily has to be in contemplation of tenderer while filing, tender, or necessary for proper execution of the item included in the Schedule of quantities or in the schedule of rates mentioned above, whether or not, specifically indicated in the description of the item and the relevant specifications, shall be deemed to be included in the rates quoted by the tenderer or the rate given in the said schedule of rates, as the case may be. Nothing extra shall be admissible for such operations.

Foreclosure of
contract due
to
Abandonment
or Reduction
in
Scope of Work

If at any time after acceptance of the tender or during the progress of work the purpose or object for which the work is being done changes due to any supervening cause and as a result of which the work has to be abandoned or reduced in scope the Engineer-in-Charge shall give notice in writing to that effect to the contractor and the contractor stating the decision as well as the cause for such decision and the contractor shall act accordingly in the matter. The contractor shall have no claim to any payment of compensation or otherwise whatsoever, on account of any profit or advantage which he might have derived from the execution of the works in full but which he did not derive in consequence of the foreclosure of the whole or part of the works. The contractor shall be paid at contract rates, full amount for works executed at site and, in addition, a reasonable amount as certified by the Engineer-in-Charge for the items hereunder mentioned which could not be utilized on the work to the full extent in view of the foreclosure;

- i. Any expenditure incurred on preliminary site work, e.g. temporary access roads, temporary labour huts, staff quarters and site office; storage accommodation and water storage tanks.
- ii. AAI shall have the option to take over contractor's materials or any part thereof either brought to site or of which the contractor is legally bound to accept delivery from suppliers (for incorporation in or incidental to the work) provided, however AAI shall be bound to take over the materials or such portions thereof as the contractor does not desire to retain. For materials taken over or to be taken over by AAI, cost of such materials as detailed by Engineer-in- Charge shall be paid. The cost shall, however, take into account purchase price, cost of transportation and deterioration or damage which may have been caused to materials whilst in the custody of the contractor.
- iii. If any materials supplied by AAI are rendered surplus, the same except normal wastage shall be returned by the contractor to AAI at rates not exceeding those at which these were originally issued, less allowance for any deterioration or damage which may have been caused whilst the materials were in the custody of the contractor. In addition, cost of transporting such materials from site to AAI stores, if so required by AAI, shall be paid.

- iv. Reasonable compensation for transfer of T & P from site to contractor's permanent stores or to his other works, whichever is less. If T & P are not transported to either of the said places, no cost of transportation shall be payable.
- v. Reasonable compensation for repatriation of contractor's site staff and imported labour to the extent necessary.

The contractor shall, if required by the Engineer- in-Charge, furnish to him, books of account, wage books, time sheets and other relevant documents and evidence as may be necessary to enable him to certify the reasonable amount payable under this condition.

The reasonable amount of items on (i), (iv) and (v) above shall not be in excess of 2% of the cost of the work remaining incomplete on the date of closure, i.e. total stipulated cost of the work as per accepted tender less the cost of work actually executed under the contract and less the cost of contractor's materials at site taken over by the AAI as per item (ii) above. Provided always that against any payments due to the contractor on this account or otherwise, the Engineer-in-Charge shall be entitled to recover or be credited with any outstanding balances due from the contractor for advance paid in respect of any tool, plants and materials and any other sums which at the date of termination were recoverable by the AAI from the contractor under the terms of the contract.

In the event of action being taken under clause 13 to reduce the scope of work, the contractor may furnish fresh Performance Guarantee on the same conditions, in the same manner and at the same rate for the balance tendered amount and initially valid upto the extended date the completion or stipulated date of completion if no extension has been granted plus 180 days beyond that. Wherever, such a fresh Performance Guarantee is furnished by the contractor, the Engineer in Charge may return the previous Performance Guarantee.

CLAUSE 14

Carrying out part Work at risk & cost of contractor

- a. If contractor:
 - i. At any time makes default during currency of work or does not execute any part of the work with due diligence and continues to do so even after a notice in writing of 7 days in this respect from the Engineer-in-Charge; or
 - ii. Commits default in complying with any of the terms and conditions of the contract and does not remedy it or takes effective steps to remedy it within 7 days even after a notice in writing is given in that behalf by the Engineer-in-Charge; or
 - iii. Fails to complete the work(s) or items of work with individual dates of completion, on or before the date(s) so determined, and does not complete them within the period specified in the notice given in writing in that behalf by the Engineer-in-Charge.
- b. The Engineer- in-Charge without invoking action under clause 3 may, without prejudice to any other right or remedy against the contractor which have either accrued or accrue thereafter to AAI, by a notice in writing to take the part work / part incomplete work of any item(s) out of his hands and shall have powers to:
 - i. Take possession of the site and any materials, constructional plant, implements, stores, etc., thereon; and/or
 - ii. Carry out the part work / part incomplete work of any item(s) by any means at the risk and cost of the contractor.

- c. The Engineer-in-Charge shall determine the amount, if any, is recoverable from the contractor for completion of the part work/ part incomplete work of any item(s) taken out of his hands and executed at the risk and cost of the contractor, the liability of contractor on account of loss or damage suffered by AAI because of action under this clause shall not exceed 10% of the tendered value of the work.
- d. In determining the amount, credit shall be given to the contractor with the value of work done in all respect in the same manner and at the same rate as if it had been carried out by the original contractor under the terms of his contract, the value of contractor's materials taken over and incorporated in the work and use of plant and machinery belonging to the contractor. The certificate of the Engineer-in-Charge as to the value of work done shall be final and conclusive against the contractor provided always that action under this clause shall only be taken after giving notice in writing to the contractor. Provided also that if the expenses incurred by the department are less than the amount payable to the contractor at his agreement rates, the difference shall not be payable to the contractor.
- e. Any excess expenditure incurred or to be incurred by AAI in completing the part work/ part incomplete work of any item(s) or the excess loss of damages suffered or may be suffered by AAI as aforesaid after allowing such credit shall without prejudice to any other right or remedy available to AAI in law or per as agreement be recovered from any money due to the contractor on any account, and if such money is insufficient, the contractor shall be called upon inwritingandshallbeliabletopaythesamewithin30days.
- f. If the contractor fails to pay the required sum within the aforesaid period of 30 days, the Engineer-in-Charge shall have the right to sell any or all of the contractors' unused materials, constructional plant, implements, temporary building at site etc. and adjust the proceeds of sale thereof towards the dues recoverable from the contractor under the contract and if thereafter there remains any balance outstanding, it shall be recovered in accordance with the provisions of the contract/ provisions of law.

In the event of above course being adopted by the Engineer-in-Charge, the contractor shall have no claim to compensation for any loss sustained by him by reason of his having purchased or procured any materials or entered into any engagements or made any advance on any account or with a view to the execution of the work or the performance of the contract.

CLAUSE 15

Suspension of Work

- i. The contractor shall, on receipt of the order in writing of the Engineer-in-Charge, (whose decision shall be final and binding on the contractor) suspend the progress of the works or any part thereof for such time and in such manner as the Engineer-in- Charge may consider necessary so as not to cause any damage or injury to the work already done or endanger the safety thereof for any of the following reasons:
 - a. on account of any default on the part of the contractor or;
 - b. for proper execution of the works or part thereof for reasons other than the default of the contractor; or
 - c. For safety of the works or part thereof.

The contractor shall, during such suspension, properly protect and secure the works to the extent necessary and carry out the instructions given in that behalf by the Engineer-in-Charge.

- ii. If the suspension is ordered for reasons (b) and (c) in sub-para (i) above (but not attributed to contractor):
 - a. the contractor shall be entitled to an extension of time equal to the period of every such suspension PLUS 25% for completion of the item or group of items of work for which a separate period of completion is specified in the contract and of which the suspended work forms a part, and;
 - b. If the total period of all such suspensions in respect of an item or group of items or work for which a separate period of completion is specified in the contract exceeds thirty days, the contractor shall, in addition, be entitled to such compensation as the Engineer-in-Charge may consider reasonable in respect of salaries and/or wages paid by the contractor to his employees and labour at site, remaining idle during the period of suspension, adding thereto 2% to cover indirect expenses of the contractor provided the contractor submits his claim supported by details to the Engineer-in-Charge within fifteen days of the expiry of the period of 30days.
 - c. If the works or part thereof is suspended on the orders of the Engineer-in-Charge for more than three months at a time, except when suspension is ordered for reasons (a) in sub-para (i) above, the contractor may after receipt of such order serve a written notice on the Engineer-in-Charge requiring permission within fifteen days from receipt by the Engineer-incharge of the said notice, to proceed with the work or part thereof in regard to which progress has been suspended and if such permission is not granted within that time, the contractor, if he intends to treat the suspension, where it affects only a part of the works as on omission of such part by AAI or where it affects whole of the works, as an abandonment of the works by AAI, shall within ten days of expiry of such period of 15 days give notice in writing of his intention to the Engineerin-Charge. In the event of the contractor treating the suspension as an abandonment of the contract by AAI, he shall have no claim to payment of any compensations on account of any profit or advantage which he might have derived from the execution of the work in full but which he could not derive in consequence of the abandonment. He shall, however, be entitled to such compensation, as the Engineer-in-Charge may consider reasonable, in respect of salaries and/or wages paid by him to his employees and labour at site, remaining idle in consequence adding to the total thereof 2% to cover indirect expenses of the contractor provided the contractor submits his claim supported by details to the Engineer-in-Charge within 30 days of the expiry of the period of 3 months.

CLAUSE 15 A

Compensatio	The contractor shall not be entitled to claim \(\forall \) compensation from AAI for the
n in case of	losses suffered by him on account of de AAI in the supply of materials in
delay due to	losses suffered by him on account of de AAI in the supply of materials in Schedule 'B' where such delay is by the difficulties relating to supply of
late supply of	wagons, force majeure or any repartable cause beyond the control of AAI.
stipulated	
material by	This clause 15 A with rese applicable for works where no material is stipulated
AAI.	for issue by AAI.

Action in case Work not done as per Specifications All works under or in course of execution or executed in pursuance of the contract, shall at all times be open and accessible to the inspection and supervision of the Engineer-in-Charge, his authorize subordinates in charge of the work and all the superior officers, officer of the Quality Assurance Unit of the AAI or any organization engaged by the Department of Quality Assurance and of the Chief technical Examiner's Office, and the contractor shall, at all times, during the usual working hours and at all other times at which reasonable notice of the visit of such officers has been given to the contractor, either himself be present to receive orders and instructions or have a responsible agent duly accredited in writing, present for that purpose. Orders given to the Contractor's agent shall be considered to have the same force as if they had been given to the contractor himself.

If it shall appear to the Engineer-in -charge or his authorized subordinates in charge of the work or to the Executive Director-In-charge of quality assurance or his subordinate officers or the officers of the organization engaged by the AAI for quality Assurance or to the Chief Technical Examiner or his subordinate officers, that any work has been executed with unsound, imperfect, or unskillful workmanship, or with materials or articles provided by him for the execution of the work which are unsound or of a quality inferior to that contracted or otherwise not in accordance with the contract, the contractor shall, on demand in writing which shall be made within twelve months (six months in the case of work costing Rs.10 lac and below except road work) of the completion of the work from the Engineer-in-Charge specifying the work, materials or articles complained of notwithstanding that the same may have been passed, certified and paid for forthwith rectify, or remove and reconstruct the work so specified in whole or in part, as the case may require or as the case may be, remove the materials or articles so specified and provide other proper and suitable materials or articles at his own charge and cost. In the event of the failing to do so within a period specified by the Engineer-in-Charge in his demand aforesaid, then the contractor shall be liable to pay compensation at the same rate as under clause 2 of the contract (for non-completion of the work in time) for this default.

In such case the Engineer-in-Charge may not accept the item of work at the rates applicable under the contract but may accept such items at reduced rates as the authority specified in schedule 'F' may considered reasonable during the preparation of on account bills or final bill if the item is so acceptable without detriment to the safety and utility of the item and the structure or he may reject the work outright without any payment and/or get it and other connected and incidentalitemsrectified,orremovedandre-executedattheriskandcostofthe contractor. Decision of the Engineer-in-Charge to be conveyed in writing in respect of the same will be final and binding on the contractor.

CLAUSE17

Contractor Liable for Damages, defects during maintenance period If the contractor or his working people or servants shall break, deface, injure or destroy any part of building in which they may be working, or any building, road, road kerb fence, enclosure, water pipe, cables, drains, electric or telephone post or wires, trees, grass or grassland, or cultivated ground contiguous to the premises on which the work or any part is being executed, or if any damage shall happen to the work while in progress, from any cause whatever or if any defect, shrinkage or other faults appear in the work within twelve months (six months in the case of work costing Rs. Ten lacs and below except road work) after a certificate final or otherwise of its completion shall have been given by the

Engineer-in-charge as aforesaid arising out of defect or improper materials or workmanship the contractor shall upon receipt of a notice in writing on that behalf make the same good at his own expense or in default the Engineeringcharge cause the same to be made good by other workmen and deduct the expense from any sums that may be due or at any time thereafter may become due to the contractor, or from his security deposit or the proceeds of sale thereof or of a sufficient portion thereof. The security deposit of the contractor shall not be refunded before the expiry of twelve months (six months in the case of work costing Rs. Ten lacs and below except road work) after the issue of the certificate final or otherwise, of completion of work, or till the final bill has been prepared and passed whichever is later. Provided that in the case of road work, if in the opinion of the Engineer-in-charge, half of the security deposit is sufficient, to meet all liabilities of the contractor under this contract, half of the security deposit will be refundable after six months and the remaining half after twelve months of the issue of the said certificate of completion or till the final bill has been prepared and passed whichever is later.

In case of Maintenance and Operation works of E&M services, the security deposit deducted from contractors shall be refunded within one month from the date of final payment or within one month from the date of completion of the maintenance contract whichever is earlier.

CLAUSE 18

Contractor to Supply Tools & Plants etc.

The contractor shall provide at his own cost all materials (except such special materials, if any, as may in accordance with the contract be supplied from the Engineer-in charge's stores) machinery, tools & plants as specified in Schedule F. in addition to this, appliances, implements, other plants, ladders, cordage, tackle, scaffolding and temporary works required for the proper execution of the work, whether original, altered or substituted and whether included in the specifications or other documents forming part of the contract or referred to in these conditions or not, or which may be necessary for the purpose of satisfying or complying with the requirements of the Engineer-in charge as to any matter as to which under these conditions he is entitled to be satisfied, or which he is entitled to require together with carriage therefor to and from the work. The contractor shall also supply without charge the requisite number of persons with the means and materials, necessary for the purpose of setting out works, and counting, weighing and assisting the measurement for examination at any time and from time to time of the work or materials. Failing his so doing, the same may be provided by the Engineer-in-charge at the expense of the contractor and the expenses may be deducted, from any money due to the contractor, under this contract or otherwise and / or from his security deposit or the proceeds of sale thereof, or of a sufficient portions thereof.

CLAUSE 18 A

Recovery of
Compensatio
n
paid to
Workmen

In every case in which by virtue of the provisions sub-section(i) of Section 12, of the Workmen's Compensation Act, 1923, AAI is obliged to pay compensation to a workman employed by the contractor, in execution of the works, AAI will recover from the contractor, the amount of the compensation so paid, and, without prejudice to the rights of the AAI under sub-section(2) of Section 12, of the said act, AAI shall be at liberty to recover such amount or any part thereof by deducting it from the security deposit or from any sum due by AAI tothe contractorwhetherunderthiscontractorotherwise.AAIshallnotbeboundto

contest any claim made against it under subsection(1) of Section 12, of the said
Act, except on the written request of the contractor and upon his giving to AAI
full security for all costs for which AAI might become liable in consequence of
contesting such claim.

CLAUSE 18 B

Ensuring
Payment and
Amenities to
Workers if
Contractor
fails

In every case in which by virtue of the provisions of the Contract Labour (Regulation and Abolition) act 1970, and the Contract Labour (Regulation and Abolition) Central Rules, 1971, AAI is obliged to pay any amounts of wages to a workman employed by the contractor in execution of the works, or to incur any expenditure in providing welfare and health amenities required to be provided under the above said Act and the rules under Clause 19H or under the AAI Contractor's Labour Regulations or under the Rules framed by AAI from time to time for the protection of health and sanitary arrangements for workers employed by AAI Contractors, AAI will recover from the contractor the amount of wages so paid or the amount of expenditure so incurred and without prejudice to the rights of the AAI under sub section (2) of Section 20, sub section (4) of Section 21, of the Contract Labour (Regulation and Abolition) Act, 1970, AAI shall be at liberty to recover such amount or any part thereof by deducting it from the security deposit or from any sum due by AAI to the contractor whether under this contract or otherwise AAI shall not be bound to contest any claim made against it under sub section (1) of Section 20, sub section (4) of Section 21, of the said Act, except on the written request of the contractor and upon his giving to the AAI full security for all costs for which AAI might become liable in contesting such claim.

CLAUSE 19

Labour
laws to be
complied
by the
Contractor

The contractor shall obtain a valid license under the contract labour (R&A) Act, 1970 and the Contract Labour (Regulation and Abolition) Central Rules, 1971, before the commencement of the work, and continue to have a valid license until the completion of the work. The contractor shall also abide by the provisions of the Child Labour (Prohibition and Regulation) Act, 1986.

The contractor shall also comply with the provisions of the building and other construction workers (Regulation of Employment & Conditions of Service) Act, 1996 and the building and other Construction Workers Welfare Cess Act, 1996. Any failure to fulfill these requirements shall attract the penal provisions of this contract arising out of the resultant non execution of the work.

CLAUSE 19A

No labour below the age of fourteen years shall be employed on the work.

CLAUSE 19B

Payment of	Payment of wages:
wages	i The contractor shall pay to labour employed by him either directly or through
	subcontractors, wages not less than fair wages as defined in the AAI
	Contractor's Labour Regulation or as per the provisions of the Contract
	Labour (Regulation and Abolition) act, 1970 and the contract labour
	(Regulation and Abolition) Central Rules, 1971 wherever applicable.
	ii The contractor shall, notwithstanding the provisions of any contract to the
	contrary, cause to be paid fair wage to labour indirectly engaged on the work,

- including any labour engaged by his sub-contractors in connection with the said work, as if the labour had been immediately employed by him.
- iii In respect of all labour directly or indirectly employed in the works for performance of the contractor's part of this contract, the contractor shall comply with or cause to be complied with the Airports Authority of India contractor's Labour Regulations made by AAI from time to time in regard to payment of wages wage period, deductions from wages recovery of wages not paid and deductions unauthorisedly made, maintenance of wage books or wage slips, publication of scale of wages and other terms of employment, inspection and submission of periodical returns and all other matters of the like nature or as per the provisions of the Contract Labour (Regulation and Abolition) Act, 1970 and the Contract Labour (Regulation and Abolition) Central Rules, 1971, wherever applicable.
- iv. The following deductions shall be permissible to be made by the Engineer-in-Charge.
 - a. The Engineer-in-charge concerned shall have the right to deduct from the moneys due to the contractor or any sum required or estimated to be required for making good the loss suffered by a worker or workers by reason of non-fulfillment of the conditions of the contract for the benefit of the workers, non-payment of wages or of deductions made from his or their wages which are not justified by their terms of the contract or nonobservance of the Regulations.
 - b. Under the provision of Minimum Wages (Central) Rule 1950 the contractor is bound to allow to the labours directly or indirectly employed in the works one day rest for 6 days continuous work and pay wages at the same rate as for duty. In the event of default, the Engineer-in-charge shall have the right to deduct the sum or sums not paid on account of wages for weekly holidays to any labours and pay the same to the persons entitled thereto from any money due to the contractor by the Engineer-in-charge concerned.

In the case of Union Territory of Delhi, however, as the all-inclusive minimum daily wages fixed under Notification of the Delhi Administration No.F.12(162)MWO/DAB/43884-91, dated 31.12.1979 as amended from time to time are inclusive of wages for the weekly day of rest, the question of extra payment for weekly holiday would not arise.

- v. The contractor shall comply with the provisions of the Payment of wages Act, 1936, Minimum Wages Act, 1948, Employees Liability Act, 1938, Workmen's Compensation Act, 1923, Industrial Disputes Act, 1947, Maternity Benefits Act, 1961, and the Contractor's Labour (Regulation and Abolition) Act 1970, or the modifications thereof or any other laws relating thereto and the rule made thereunder from time to time.
- vi. The contractor shall indemnify and keep indemnified Authority against payments to be made under and for the observance of the laws aforesaid and the AAI Contractor's Labour Regulations without prejudice to his right to claim indemnity from his sub-contractors.
- vii. The laws aforesaid shall be deemed to be a part of this contract and any breach thereof shall be deemed to be a breach of this contract.
- viii. Whatever is the minimum wage for the time being, or if the wage payable is higher than such wage, such wage shall be paid by the contractor to the workmen directly without the intervention of Jamadar and that Jamadar shall not be entitled to deduct or recover any amount from the minimum wage payable to the workmen as and by way of commission or otherwise.

Clauses of Contract	AMPORTRA/HORNTONIDA
	ix. The contractor shall ensure that no otherwise is deducted or recovered workmen. amount by way of commission or by the Jamadar from the wage of workmen.
CLAUSE 19C	
	In respect of all labour directly or indirectly employed in the work for the performance of the contractor's part of this contract, the contractor shall at his own expense arrange for the safety provisions as per AAI Safety Code framed from time to time and shall at his own expense provide for all facilities in connection therewith. In case the contractor fails to make arrangement and provide necessary facilities as aforesaid, he shall be liable to pay a penalty of Rs. 200/- for each default and in addition, the Engineer-in charge shall be at liberty to make arrangement and provide facilities as aforesaid and recover the costs incurred in that behalf from the contractor.
CLAUSE 19D	
	The contractor shall submit by the 4th and 19th of every month, to the Engineer-in charge a true statement showing in respect of the second half of the preceding month and the first half of the current month respectively: i. the number of labourers employed by him on the work, ii. their working hours, iii. the wages paid to him, iv. the accidents that occurred during the said fortnight showing the circumstances under which they happened and the extent of damage and injury caused by them, and v. the number of female workers who have been allowed maternity benefit according to Clause 19F and the amount paid to them Failing which the contractor shall be liable to pay to AAI, a sum not exceeding Rs. 200/- for each default or materially incorrect statement. The decision of the Engineer-in-charge shall be final in deducting from any bill due to the contractor; the amount levied as fine and shall be binding on the contractor.
CLAUSE 19E	
	In respect of all labour directly or indirectly employed in the works for the performance of the contractor's part of this contract, the contractor shall comply with or cause to be complied with all the rules framed by AAI from time to time for the protection of health and sanitary arrangements for workers employed by the AAI and its contractor.
CLAUSE 19F	
	Leave and pay during leave shall be regulated as follows: 1. Leave: i. In the case of delivery - maternity leave not exceeding 8 weeks, 4 weeks upto and including the day of delivery and 4 weeks following that day. ii. In the case of miscarriage - upto 3 weeks from the date of miscarriage.

A.A.I. ii. In the case of miscarriage – leave pay at the rate of average daily earning Page 51

i. In the case of delivery – leave pay during maternity leave will be at the rate of women's average daily earnings, calculated on total wages earned on the days when full time work was done during a period of three months immediately preceding the date on which she gives notice that she expects to be confined or at the rate of Rupee one only a day whichever is greater.

2. Pay:

calculated on the total wages earned on the days when full time work was done during a period of three months immediately preceding the date of such miscarriage.

- 3. Conditions for the grant of Maternity Leave:
 - No maternity leave benefit shall be admissible to a woman unless she has been employed for a total period of not less than six months immediately preceding the date on which she proceeds on leave.
- 4. The contractor shall maintain a register of Maternity (Benefit) in the Prescribed Form as shown in appendix III and IV, and the same shall be kept at the place of work.

CLAUSE 19 G

In the event of the contractor (s) committing a default or breach of any of the provisions of the Airports Authority of India Contractor's Labour Regulations and Model Rules for the protection of health and sanitary arrangements for the workers as amended from time to time or furnishing any information or submitting or filling any statement under the provisions of the above Regulations and Rules which is materially incorrect, he / they shall, without prejudice to any other liability, pay to the AAI a sum not exceeding Rs.200/- for every default, breach or furnishing, making, submitting, filing such materially incorrect statements and in the event of the contractor(s) defaulting continuously in this respect, the penalty may be enhanced to Rs.200/- per day for each day of default subject to a maximum of 5 per cent of the estimated cost of the work put to tender. The decision of the Engineer-in-Charge shall be final and binding on the parties.

Should it appear to the Engineer-in-Charge that the contractor (s) is / are not properly observing and complying with the provision of the AAI Contractor's Labour Regulations and Model Rules and the provisions of the Contract Labour (Regulation and Abolition) Act 1970, and the Contract Labour (R&A) Central Rules 1971, for the protection of health and sanitary arrangements for work – people employed by the contractor (s) (hereinafter referred as "the said Rules") the Engineer-in-Charge shall have power to give notice in writing to the contractor

(s) requiring that the said Rules be complied with and the amenities prescribed therein be provided to the work-people within a reasonable time to be specified in the notice. If the contractor (s) shall fail within the period specified in the notice to comply with and/ observe the said Rules and to provide the amenities to the work-people as aforesaid, the Engineer-in-Charge shall have the power to provide the amenities hereinbefore mentioned at the cost of the contractor (s). The contractor (s) shall erect, make and maintain at his / their own expense and to approved standards all necessary huts and sanitary arrangements required for his / their work –people on the site in connection with the execution of the works, and if the same shall not have been erected or constructed, according to approved standards, the Engineer-in-Charge shall have power to give notice in writing to the contractor (s) requiring that the said huts and sanitary arrangements be remodeled and / or reconstructed according to approved standards, and if the contractor (s) shall fail to remodel or reconstruct such huts and sanitary arrangements according to approved standards within the period specified in the notice, the Engineer-in-Charge shall have the power to remodel or reconstruct such huts and sanitary arrangements according to approved standards at the cost of the contractor (s).

CLAUSE 19 H

The contractor (s) shall at his / their own cost provided his / their labour with a
sufficient number of huts (hereinafter referred to as the camp) on the following
specifications on a suitable plot of land to be approved the Engineer-in-Charge.
i. Facility to be provided

- a. The minimum height of each hut at the eaves level shall be 2.10m (7ft.) and the floor area to be provided will be at the rate of 2.7 sq.m. (30 sq.ft.) for each member of the worker's family staying with the labourer.
- b. The contractor shall in addition construct suitable cooking places having a minimum area of 1.80m x 1.50m (6' x 5') adjacent to the hut for each family.
- c. The contractor(s) shall also construct temporary latrines and urinals for the use of the labourers each on the scale of not less than four per each one hundred of the total strength, separate latrines and urinals being provided for women.
- d. The contractor (s) shall construct sufficient number of bathing and washing places one unit for every 25 persons residing in the camp. These bathing and washing places shall be suitably screened.

ii. Specifications

- a. All the huts shall have walls of sun-dried or burnt-bricks laid in mud mortar or other suitable local materials as may be approved by the Engineer-in-Charge in case of sun-dried bricks, the walls should be plastered with mud gobri on both sides. The floor may be kutcha but plastered with mud gobri and shall be at least 15 cm (6") above the surrounding ground. The roofs shall be laid with the thatch or any other materials as may be approved by the Engineer-in-Charge and the contractor shall ensure that throughout the period of their occupation, the roofs remain water –tight.
- b. The contractor (s) shall provide each hut with proper ventilation.
- c. All doors, windows and ventilators shall be provided with suitable leaves for security purposes.
- d. There shall be kept an open space of at least 7.2 m (8 yards) between the rows of huts which may be reduced to 6m (20 ft.) according to the availability of site with the approval of the Engineer-in-Charge. Back to back construction will be allowed.

iii. Water Supply

The contractor (s) shall provided adequate supply of water for the use of labourers. The provisions shall not be less than two gallons of pure and wholesome water per head per day for drinking purposes and three gallons of clean water per head per day for bathing and washing purposes. Where piped water supply is available supply shall be at stand posts and where the supply is from wells or river, tanks which may be of metal or masonry, shall be provided. The contractor (s) shall also at his / their own cost make arrangements for laying pipe lines for water supply to his / their labour camp from the existing mains wherever available and shall pay all fees and charges therefor.

iv. The site selected for the camp shall be high ground, removed from jungle.

v. Disposal of Excreta:

The contractor (s) shall make necessary arrangement for the disposal of excreta from the latrines by trenching or incineration which shall be according to the requirements laid down by the Local Health Authorities. If trenching or incineration is not allowed, the contractor (s) shall make arrangements for the removal of the excreta through the Municipal Committee / authority and inform it about the number of labourers employed so that arrangements may be made by such Committee / authority for the removal of excreta. All charges on this account shall be borne by the contractor and paid direct by him to the

Municipality / authority. The contractor shall provide one sweeper for every eight seats in case of dry system.

vi. Drainage

The contractor (s) shall provide efficient arrangements for draining away sullage water so as to keep the camp neat and tidy.

vii. The contractor (s) shall make necessary arrangements for keeping the camp area sufficiently lighted to avoid accidents to the workers.

viii. Sanitation

The contractor(s) shall make arrangements for conservancy and sanitation in the labour camps according to the rules of the Local Public Health and Medical Authorities.

CLAUSE 19I

The Engineer-in-Charge may require the contractor to dismiss or remove from the site of the work any person or persons in the contractors' employ upon the work who may be incompetent or misconduct himself and the contractor shall forthwith comply with such requirements. In respect of maintenance/repair or renovation works etc. where the labour have an easy access to the individual work premises, the contractor shall issue identity cards to the labourers, whether temporary or permanent and he shall be responsible for any untoward action on the part of such labour. Assistant Manager/Junior Executive will display a list of contractors working in the colony/Blocks on the notice board in the colony and also at the service center, to apprise the residents about the same.

CLAUSE 19J

It shall be the responsibility of the contractor to see that the building under construction is not occupied by anybody unauthorized during construction, and is handed over to the Engineer-in-Charge with vacant possession of complete building. If such building though completed is occupied illegally, then the Engineer-in-Charge shall have the option to refuse to accept the said building/buildings in that position. Any delay in acceptance on this account will be treated as the delay in completion and for such delay, a levy upto 5% of tendered value of work may be imposed by the General Manager Engg. Whose decision shall be final both with regard to the justification and quantum and be bindingonthecontractor. However, the Executive Director Engg., through a notice may require the contractor to remove the illegal occupation any time on or before construction and delivery.

CLAUSE 19 K

Employment
of skilled /
semiskilled
workers

E----1-----4

The contractor shall at all stages of work deploy skilled / semi-skilled tradesmen who are qualified and possess certificate in particular trade from CPWD Training Institute / Industrial Training Institute/National Institution of Construction Management and research (NICMAR) National Academy of Construction, CIDC or any similar reputed and recognized Institute managed / certified by State / Central Government. The number of such qualified tradesmen shall not be less than 20% of total skilled / semi-skilled workers required in each trade at any stage of work. The contractor shall submit number of man days required in respect of each trade, its scheduling and the list of qualified tradesmen along with requisite certificate from recognized Institute to Engineer in charge for approval. Notwithstanding such approval, if the tradesmen are found to have inadequate skill to execute the work of

respective trade, the contractor shall substitute such tradesmen within two days of
written notice from Engineer –in- Charge. Failure on the part of contractor to
obtain approval of Engineer-in-Charge or failure to deploy qualified tradesmen
will attract a compensation to be paid by contractor at the rate of Rs.100 per such
tradesman per day. Decision of Engineer in Charge as to whether particular
tradesman possesses requisite skill and amount of compensation in case of default
shall be final and binding.
Provided always, that the provision of this clause shall not be applicable for
works with estimated cost put to tender being less than Rs.5crores.

CLAUSE 19 L

Registration	The ESI and EPF contributions on the part of employer in respect of this contract
with EPFO	shall be paid by the contractor. These contributions on the part of the employer
and ESIC	paid by the contractor shall be reimbursed by the Engineer-in-charge to the
	contractor on actual basis.

CLAUSE 19 M

running account payments, if PF / ESI contributions are not paid by the contractor and proof to that effect have not been produced regularly on due dates. To withhold 3% for building work & 1.5% for road/pavement work of the total amount of work done during the period considered.
ESI & EPF amount paid to the statutory authorities by the contractor shall be reimbursed on actual basis on submission of documentary evidence.

CLUASE21

Work not to
be sublet.
Action in
case of
insolvency

The contract shall not be assigned or sublet without the written approval of Engineer-in-Charge. And if the contractor shall assign or sublet his contract, or attempt to do so, or become insolvent or commence any insolvency proceedings or make any composition with his creditors or attempt to do so, or if any bribe, gratuity, gift, loan, perquisite, reward or advantage pecuniary or otherwise, shall either directly or indirectly, be given, promised or offered by the contractor, or any of his servants or agent to any public officer or person in the employ of AAI in any way relating to his office or employment, or if any such officer or person shall become in any way directly or indirectly interested in the contract, the Engineers in Charge on behalf of the AAI shall have power to adopt the course specified in Clause 3 hereof in the interest of AAI and in the event of such course being adopted, the consequences specified in the said Clause 3 shall ensue.

CLUASE22

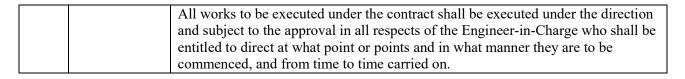

All sums payable by way of compensation under any of these conditions shall be
considered as reasonable compensation to be applied to the use of AAI without
reference to the actual loss or damage sustained and whether or not any damage
shall have been sustained.

CLAUSE23

Changes in
firm's
Constitution
to
he intimated

Where the contractor is a partnership firm, the previous approval in writing of the Engineer-in-Charge shall be obtained before any change is made in the constitution of the firm. Where the contractor is an individual or a Hindu undivided family business concern such approval as aforesaid shall likewise be obtained before the contractor enters into any partnership agreement where under the partnership firm would have the right to carry out the works hereby undertaken by the contractor. If previous approval as aforesaid is not obtained, the contract shall be deemed to have been assigned in contravention of Clause 21 hereofandthesameactionmaybetakenandthesameconsequencesshallensue as provided in the said Clause 21.

CLAUSE24

Dispute Resolution

All disputes or differences which may arise out of or in connection with or incidental to the Agreement(s) including any dispute or difference regarding the interpretation of terms and conditions of any clause(s) thereof shall be dealt with as provided hereinafter:

(i) Through Mediation: All dispute(s), at the first instance, shall be referred to the Mediation Committee of Independent Experts (MCIE) or individual mediator for mediation as per AAI Mediation Policy and applicable laws. All cost of mediation, shall be borne equally by the parties.

In case either party withdraws from the Mediation or the dispute(s) is not resolved within 120 days of reference to the Mediation, then the aggrieved party may invoke arbitration through sub para (ii) within 30 days from the date of receipt of Partial Settlement Agreement or Failure Report.

- (ii) Adjudication through Arbitration: In case no final settlement has been arrived at between the parties after mediation or partially settled as per sub Para (i) above, the unresolved dispute(s), on invocation by the aggrieved party shall be referred for adjudication by arbitration.
 - a. When the amount involved is above 25 crores, adjudication shall be made by Arbitral Tribunal comprising of 03 arbitrators. Each party to appoint one arbitrator and the two appointed arbitrators shall appoint the Presiding Arbitrator.
 - b. When the amount involved is Rs. 25 Crores and below shall be referred to a Sole Arbitrator to be appointed by Chairman/Member, AAI, after obtaining consent of the other party, as per format annexed at Annexure 'A'

Unless the contract has already been repudiated or terminated, the parties shall, in every case, continue to proceed to perform their respective obligations under the agreement.

Arbitration proceedings shall be conducted in accordance with the provisions of the Arbitration and Conciliation Act, 1996, as amended from time to time.

Fee payable to the Arbitrator(s) shall be as per Schedule-IV of the Arbitration & Conciliation Act, 1996 and shall be borne by both the parties equally.

No dispute shall be referred for resolution under this clause through arbitration in matters for which eviction & recovery procedure is provided under Chaptr - VA of the Airports Authority of India Act, 1994.

Contractor to
indemnify
AAI against
Patent Rights

The contractor shall fully indemnify and keep indemnified the Chairman AAI against any action, claim or proceeding relating to infringement or use of any patent or design or any alleged patent or design rights and shall pay and royalties which may be payable in respect of any article or part thereof included in the contract. In the event of any claims made under or action brought against AAI in respect of any such matters as aforesaid, the contractor shall be immediately notified thereof and the contractor shall be at liberty, at his own expense, to settle any dispute or to conduct any litigation that may arise there from, provided that the contractor shall not be liable to indemnify the AAI if the infringement of the patent or design or any alleged patent or design right is the direct result of an order passed by the Engineer-in-Charge in this behalf.

Lump	sum	
Provisions		
in Ten	der	

When the estimate on which a tender is made, includes lump sum in respect of parts of the work, the contractor shall be entitled to payment in respect of the items of work involved or the part of the work in question at the same rates as are payable under this contract for such items ,or if the part of work in question is not, in the opinion of the Engineer-in-Charge payable of measurement, the Engineer-in-Charge may at his discretion pay the lump- sum amount entered in the estimate, and the certificate in writing of the Engineer-in-Charge shall be final and conclusive against the contractor with regard to any sum or sums payable to him under the provision of the clause.

CLAUSE28

Action	where
no	
specific	cations
are spe	cified

In the case of any class of work for which there is no such specifications as referred to in Clause 11, such work shall be carried out in accordance with the Bureau of Indian Standards Specifications. In case there are no such specifications in Bureau of Indian Standards, the work shall be carried out as per manufacturers' specifications.

In case there are no such specifications as required above, the work shall be carried out in all respects in accordance with the instructions and requirements of the Engineer-in-Charge.

CLAUSE29

With-holding and lien in respect of sums due from contractor

i. Whenever any claims for payment of a sum of money arises out of or under the contract or against the contractor, the Engineer-in-Charge or the AAI shall be entitled to withhold and also have a lien to retain such sum or sums in whole or in part from the security, if any deposited by the contractor and for the purpose aforesaid, the Engineer-in-Charge or the AAI shall be entitled to withhold the security deposit if any, furnished as the case may be and also have a lien over the same pending finalization or adjudication of any such claim. In the event of the security being insufficient to cover the claimed amount or amounts or if no security has been taken from the contractor, the Engineer-in-Charge or the AAI shall be entitled to withhold and have lien to retain to the extent of such claimed amount or amounts referred to above from any sum or sums found payable or which may at any time thereafter become payable to the contractor under the same contract or any other contract with the Engineer-in Charge of the AAI or any contracting person through the Engineer-in-Charge pending finalization of adjudication of any such claim.

It is an agreed term of the contract that the sum of money or moneys so withheld or retained under the lien referred to above by the Engineer-in-Charge or AAI will be kept withheld or retained as such by the Engineer-in-Charge or AAI till the claim arising out of or under the contract is determined by the arbitrator. (if the contract is governed by the arbitration clause) or by the competent court, as the case may be and that the contractor will have no claim for interest or damages whatsoever on any account in respect of such withholding or retention under the lien referred to above and duly notified as such to the contractor. For the purpose of this clause, where the contractor is a partnership firm or a limited company, the Engineer-in-Charge or the AAI shall be entitled to withhold and also have a lien to retain towards such claimed amount or amounts in whole or in part from any sum found payable to any partner/limited company as the case may be, whether in his individual

capacity or otherwise.

ii. AAI shall have the right to cause an audit and technical examination of the works and the final bills of the contractor including all supporting vouchers, abstract, etc, to be made after payment of the final bill and if as a result of such audit and technical examination any sum is found to have been overpaid in respect of any work done by contractor under the contract or any work claimed to have been done by the him under the contract and found not to have been executed, the contractor shall be liable to refund the amount of over payment and it shall be lawful for AAI to recover the same from him in the manner prescribed in sub-clause (i) of this clause or in any other manner legally permissible; and if it is found that the contractor was paid less than what was due to him under the contract in respect of any work executed by him under it, the amount of such under payment shall be duly paid by AAI to the contractor, without any interest there on whatsoever.

Provided that the AAI shall not be entitled to recover any sum overpaid, nor the contractor shall be entitled to payment of any sum paid short where such payment has been agreed upon between the Executive Director Engineering / General Manager Engineering on the one hand and the contractor on the other under any term of the contract permitting payment for work after assessment by the Executive Director Engineering / General Manager Engineering.

CLAUSE 29 A

Lien in respect of claims in other Contracts

- i. Any sum of money due and payable to the contractor (including the security deposit refundable to him) under the contract may be withheld or retained by way of lien by the Engineer-in-Charge or the AAI or any other contracting person or persons through Engineer-in-Charge against any claim of the Engineer-in-Charge or AAI or such other person or persons in respect of payment of a sum of money arising out of or under any other contract made by the contractor with the Engineer-in-Charge or the AAI or with such other person or persons.
- ii. It is an agreed term of the contract that the sum of money so withheld or retained under this clause by the Engineer-in-Charge or the AAI will be kept withheld or retained as such by the Engineer-in-Charge or the AAI or till his claim arising out of the same contract or any other contract is either mutually settled or determined by the arbitration clause or by the competent court, as the case may be and that the contractor shall have no claim for interest or damages whatsoever on this account or on any other ground in respect of any sum of money withheld or retained under this clause and duly notified as such to the contractor.

CLAUSE 30

Employment of coal mining or controlled area labour not permissible

- i. The contractor shall not employ coal mining or controlled area labour falling under any category whatsoever or in connection with the work or recruit labour from area within a radius of 32 km (20 miles) of the controlled area. Subject as above the contractor shall employ imported labour only i.e., deposit imported labour or labour imported by contractors from area, from which import is permitted.
- ii. Where ceiling price for imported labour has been fixed by State or Regional Labour Committees not more than that ceiling price shall be paid to the labour by the contractor.
- iii. The contractor shall immediately remove any labourer who may be pointed

out by the Engineer-in-Charge as being a coal mining or controlled area labourer. Failure to do so shall render the contractor liable to pay to AAI a sum calculated at the rate of Rs.10/- per day per labourer. The certificate of the Engineer-in -Charge about the number of coal mining or controlled area labourer and the number of days for which they worked shall be final and binding upon all parties to this contract.

iv. It is declared and agreed between the parties that the aforesaid stipulation in this clause is one in which the public are interested within the meaning of the exception in Section 74 of Indian Contract Act, 1872.

Explanation:

Controlled area mean the following areas:

Districts of Dhanbad, Hazaribagh, Jamtara- Sub-Division under Santhal Pargana Commissionery, District of Bankuara, Birbhum, Burdwan, District of Bilaspur. Any other area which may be declared a Controlled Area by or with the approval of the Central Government.

CLAUSE 31

Unfiltered water supply

The contractor(s) shall make his/their own arrangements for water required for the work and nothing extra will be paid for the same. This will be subject to the following conditions.

- i. That the water used by the contractor (s) shall be fit for construction purposes to the satisfaction of the Engineer-in-Charge.
- ii. The Engineer-in-Charge shall make alternative arrangements for supply of water at the risk and cost of contractor (s) if the arrangements made by the contractor (s) for procurement of water are in the opinion of the Engineer-in-Charge, unsatisfactory.

CLAUSE 31A

Departmental water supply, if available

Water if available may be supplied to the contractor by the department subject to the following conditions:-

- The water charges @1% shall be recovered on gross amount of the work
- ii. The contractor(s) shall make his/their own arrangement of water connection and laying of pipelines from existing main of source of supply.
- iii. The Department do not guarantee to maintain uninterrupted supply of water and it will be incumbent on the contractor (s) to make alternative arrangements for water at his/their own cost in the event of any temporary break down in the AAI's water main so that the progress of his/their work is not held up for want of water. No claim of damage or refund of water charges will be entertained on account of such break down.

CLAUSE 32

arrangements

Alternate water i. Where there is no piped water supply arrangement and the water is taken by the contractor from the wells or hand pump constructed by the AAI, no charge shall be recovered from the contractor or that account. The contractor shall, however, draw water at such hours of the day that it does not interfere with the normal use for which the hand pumps and well are intended. He will also be responsible for all damage and abnormal repairs arising out of his use, the cost of which shall be recoverable from him. The Engineer-in-Charge shall be the final authority to determine the cost recoverable from the

contractor on this account and his decision shall be binding on the contractor.

ii. The contractor shall be allowed to construct temporary wells in AAI land for taking water for construction purposes only after he has got permission of the Engineer-in-Charge in writing. No charges shall be recovered from the contractor on this account but the contractor shall be required to provide necessary safety arrangements to avoid any accidents or damage to adjacent buildings, roads and service lines. He shall be responsible for any accidents or damage caused due to construction and subsequent maintenance of the wells and shall restore the ground to its original condition after the wells are dismantled on completion of the work.

CLAUSE33

Return of Surplus materials

Notwithstanding anything contained to the contrary in this contract, where any materials for the execution of the contract are procured with the assistance of AAI either by issue from AAI stocks or purchase made under orders or permits or licenses issued by AAI, the contractor shall hold the said materials economically and solely for the purpose of the contract and not dispose of them without the written permission of the AAI and return, if required by the engineer-in-Charge, all surplus or unserviceable materials that may be left with him after the completion of the contract or at its termination for any reason whatsoever on being paid or credited such prices as the Engineer-in-Charge shall determine having due regard to the condition of the materials. The price allowed to the contractor however shall not exceed the amount charged to him excluding the element of storage charges. The decision of the Engineer-in-Charge shall be final and conclusive. In the event of breach of the aforesaid condition, the contractor shall in addition to throwing himself open to action for contravention of the terms of the license or permit and / or for criminal breach of trust, be liable to AAI for allmoneys, advantages or profits resulting or which in the usual course would have resulted to him by reason of such breach.

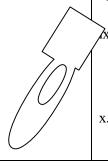

CLAUSE34

Hire of plant & Machinery

- i. The Contractor shall arrange at his own expense all tools, plant, machinery and equipment(hereinafter referred to as T&P) required for execution the work except for the Plant & Machinery listed in Schedule 'C' are atted for issue to the contractor. If the contractor requires any item of the T&P available with the AAI over and above the T&P standard for issue, the AAI will, if such item is available, hire it to the actor at rates to be agreed upon between him and the Engineer-in-order for issue of T&P as is agreed to be issued.
- ii. Plant & Machinery when supplied on hire anges shown in Schedule 'C' shall be made over and taken back at the trumental equipment yard / shed shown in Schedule 'C' and the control of hall bear the cost of carriage from the place of issue to the sit would back. The contractor shall be responsible to return the plant and he shall responsible for all damage caused to the said plant and machinery at the work or elsewhere in operation and otherwise during transit including the same soon after the completion of the work for which it was issue. Engineer-in-charge shall be the sole judge to determine the light of the contractor and its extent in this regard and his decision shall be fine and binding on the contractor.

- iii. The plant and machinery as stipulated above will be issued as and available and if required by the contractor. The contractor shall array programme of work according to the availability of the plant and m and no claim, whatsoever, will be entertained from him for any delay in by the department.
- (iy iv. The hire charges shall be recovered at the prescribed rates from a Jusive of the date the plant and machinery made over upto and inclusive date of the return in good order even though the same may not have be orking for any cause except major breakdown due to no fault of the cont ∡or or faulty use requiring more than three working days continuously (excluding intervening holidays and Sundays) for bringing the p M in order. The contractor shall immediately intimate in writing to the /gineer-in-charge major repairs as when any plant or machinery gets out of order regard aforesaid. The Engineer-in- charge shall record the Ad time of receipt of such intimation in the log sheet of the plant or may by /y. Based on this if the wn will be computed breakdown before lunch period or major bre considering half a day's breakdown on the day mplaint. If the breakdown occurs in the post lunch period of major breakd wn will be computed starting from the next working day. In case of $\frac{1}{2}$ dispute under this clause, the /G/heral Manager (Engg) shall be decision of the Executive Director (En/ final and binding on the contractor.
- v. The hire charges shown above are for hour lunch break) or part thereof.
- vi. Hire charges will include service of operating staff as required and also supply of lubricating oil and stores for aning purposes. Power fuel of approved type, firewood, kerosene oil et a running the plant and machinery and also the full time chowkidar for going the plant and machinery against any loss or damage shall be arranged to the plant and machinery. The contractor shall on or before the supply of and machinery sign an agreement indemnifying the Department agains loss or damage caused to the plant and machinery either during transit of the store of operating staff as required and also supply of aning purposes. Power fuel of approved type, firewood, kerosene oil et arranged to the plant and machinery and also the full time chowkidar for going the plant and machinery and also the full time chowkidar for going the plant and machinery and also the full time chowkidar for going the plant and machinery and also the full time chowkidar for going the plant and machinery and also the full time chowkidar for going the plant and machinery against any loss or damage caused to the plant and machinery either during transit of the supplementary and also the plant and machinery against any loss or damage caused to the plant and machinery either during transit of the supplementary and also the plant and machinery against any loss or damage caused to the plant and machinery either during transit of the supplementary and also the plant and machinery against any loss or damage caused to the plant and machinery either during transit of the supplementary and also the plant and machinery and also the plant and machinery against any loss or damage caused to the plant and machinery and also the plant and machinery and also the plant and machinery against any loss or damage and the plant and machinery against any loss or damage and the plant and machinery against any loss or damage and the plant and machinery against any loss or damage against an
- vii. Ordinarily, no plant and machinery shall work for more than 8 hours a day inclusive of hour lunch break. In case of an urgent work however, the Engineer-i may, at his discretion, allow the plant and machinery to be worked ore than normal period of 8 hours a day. In that case, the hourly hire charges for overtime to be borne by the contractor shall be 50% more than the normal proportionate hourly charges (1/8th of the daily charge day. For working out hire charges for over time, a period of half and above will be charged as one hour and a period of less than half
- contractor shall release the plant and machinery every seventh day for nodical servicing and / or wash out which may take about three to four fours or more. Hire charges for full day shall be recovered from the contractor for the day of servicing / wash out irrespective of the period employed in servicing.
 - The plant and machinery once issued to the contractor shall not be returned by him on account of lack of arrangements of labour and materials, etc. on his part, the same will be returned only when they are required for major repairs or when in the opinion of the Engineer-in-charge, the work or a portion of work for which the same was issued is completed.
- x. Log Book for recording the hours of daily work for each of the plant and machinery supplied to the contractor will be maintained by the Department and will be countersigned by the contractor or his authorised agent daily. In

case the contractor contests the correctness of the entries and / or fails to sign the Log Book, the decision of the Engineer-in-charge shall be final and binding on him. Hire charges will be calculated according to the Log Book and will be binding on the contractor. Recovery of hire charges for road rollers shall be made for the minimum that of days worked out on the assumption that a roller can consolid that an analysis are a surfacing as noted a statement (see attached annexure).

xi. In the case of concrete mixers, the contractors shall ar to get the hopper cleaned and the drum washed at the close of the seach day or each occasion. (a) In case rollers for consolidation are himself, log book for such rollers shall be main in the same manner as is done in case of departmental rollers, maximum quantity of any items to be consolidated for each roller-day shall also same as in Annexure to Clause 34(x). For less use of rollers, recovery less roller days shall be made at the stipulated issue rate.

xii. The contractor shall be responsible to return the plant and machinery in the condition in which it was handed to him and he shall be responsible for all damage caused to the said and machinery at the site of work or elsewhere in operation or other to or during transit including damage to or loss of parts, and for all loss to his failure to return the same soon after the completion of the work which it was issued. The Engineer-in-charge shall be the sole just to determine the liability of the contractor and its extent in this regression shall be final and binding on the contractor.

xiii. The contractor will be exempted from levy of any hire charges for the number of day his called upon in writing by the Engineer-in-charge to suspend exempted of the work, provided AAI's plant and machinery in question has fact, remained idle with the contractor because of the suspension

xiv. In the election of the contractor not requiring any item of plant and machinery by AAI though not stipulated for issue in Schedule 'C' any time after elivery at the place of issue, he may return it after two days written or at any time without notice if he agrees to pay hire charges for two days without, in any way, affecting the right of the Engineer-intarge to use the said plant and machinery during the said period of two days as he likes including hiring out to a third party.

CLAUSE 35

Condition	
relating to use	
of asphaltic	
materials	

- i. The contractor undertakes to make arrangement for the supervision of the work by the firm supplying the tar or bitumen used.
- i. The contractor shall collect the total quantity of tar or bitumen required for the work as per standard formula, before the process of painting is started and shall hypothecate it to the Engineer-in-Charge. If any bitumen or tar remains unused on completion of the work on account of lesser use of materials in actual execution of for reasons other than authorised changes of specifications and abandonment of portion of work, a corresponding deduction equivalent to the cost of unused materials as determined by the Engineer-in-Charge shall be made and the material return to the contractors. Although the materials are hypothecated to AAI, the contractor undertakes the responsibility for their proper watch, safe custody and protection against all risks. The materials shall not be removed from site of work without the consent of the Engineer-in-Charge in writing.

iii. The contractor shall be responsible for rectifying defects noticed within a year from the date of completion of the work and the portion of the security deposit relating asphaltic work shall be refunded after the expiry of this period.

CLAUSE 36

Employment of Technical Staff and employees

Contractors Superintendence, Supervision, Technical staff & Employees

i. The contractor shall provide all necessary superintendence during execution of the work and all along thereafter as may be necessary for proper fulfilling of the obligations under the contract.

The Contractor shall immediately after receiving letter of acceptance of the tender and before commencement of the work, intimate in writing to the Engineer-in-Charge, the name (s), qualifications experience, age, address (s) and other particulars along with certificates, of the principal technical representative to be charge of the work and other technical representative (s) who will be supervising the work. Minimum requirement of such technical representative (s) and their qualifications and experience shall not be lower than specified in schedule 'F". The Engineer-in-Charge shall within 3 days of receipt of such communication intimate in writing his approval or otherwise of such a representative (s) to the contractor. Any such approval may at any time be withdrawn and in case of such withdrawal, the contractor shall appoint another such representative (s) according to the provisions of this clause. Decision of the tender accepting authority shall be final and binding on the contractor in this respect. Such a principal technical representative and other technical representative (s) shall be appointed by the contractor soon after receipt of the approval from Engineer-in-charge and shall be available at site before start of work.

All the provisions applicable to the principal technical representative under the clause will also be applicable to other technical representative(s). The principal technical representative and other technical representative (s) shall be present at the site of work for supervision at all times when any construction activity is in progress and also present himself/themselves, as required to the Engineer-in-Charge and / or his designated representative to take instructions. Instructions given to the principal technical representative or other technical representative (s) shall be deemed to have the same force as if these have been given to the contractor. The Principal Technical Representative and other technical representatives shall be actually available at site fully during all stages of execution work, during recording / checking / test checking of measurements of works whenever so required by the Engineer-in-Charge and shall also note down instructions conveyed by the Engineer-in-Charge or his designated representative (s) in the site order book and shall affix his/their signature in token of noting down the instructions and in token of acceptance of measurements / checked measurements / test checked measurements. The representative (s) shall not look after any other work. Substitutes, duly approved by engineer - in-Charge of the work in similar manner as aforesaid shall be provided in event of absence of any of the representative (s) by more than two days. If the Engineer-in-Charge, whose decision in this respect is final and binding on the contractor, is convinced that no such technical representative (s) is/are effectively appointed or is/are effectively attending or fulfilling the provision of this clause, a recovery (non-refundable) shall be effected from the contractor as

specified in Schedule 'F' and the decision of the Engineer—in- Charge as recorded in the site order book and measurement recorded checked/test checked in Measurement Books shall be final and binding on the contractor. Further if the contractor fails to appoint suitable technical Principal technical representative and / or other technical representative (s) and if such appointed persons are not effectively present or are absent by more than two days without duly approved substitute or do not discharge their responsibility satisfactorily, the Engineer—in—Charge shall have full powers to suspend the execution of the work until such date as suitable other technical representative (s) is / are appointed and the contractor shall be held responsible for the delay so caused to the work. The contractor shall submit a certificate of employment of the technical representative (s) (in the form of copy of Form- 16 or CPF deduction issued to the Engineer employed by him) along with every running account bill / final bill and shall produce evidence if at any times so required by the Engineer—in—Charge.

- ii. The contractor shall provide and employ on the site only such technical assistants as are skilled, and experienced in their respective fields and such foremen and supervisory staff as are competent to give proper supervision to the work. The contractor shall provide and employ skilled, semi-skilled and unskilled labour as is necessary for proper and timely execution of the work. The Engineer-in-Charge shall be at liberty to object to and require the contractor to remove from the works any person who in his opinion misconducts himself, or is incompetent or negligent in the performance of his duties or whose employment is otherwise considered by the Engineer-in Charge to be undesirable. Such person shall not be employed again at works site without the written permission of the Engineer-in-Charge and the persons so removed shall be replaced as soon as possible by competent substitutes.
- iii. The contractor shall not change his engineer/supervisory staff after approval of the Engineer-In-Charge. If Contractor wants to replace any of his staff due to unavoidable circumstances, he will seek permission of Engineer-In-Charge indicating reasons for such change, qualification and experience of the alternative employee suggested by him. The qualification and experience of the alternative staff shall not be inferior to the person employed earlier.

CLAUSE 37

Levy/Taxes/ Royalty/ Land License fee payable by Contractor

1. Taxes:

- a. Rates to be quoted by the parties should be inclusive of all taxes, duties, CESS, fee, royalty charges etc. levied under any statute but exclusive of GST for all the items
- b. However GST, as applicable, shall be paid to the contractor, for any taxable supply / services / construction rendered by the agency to AAI, against a valid GST invoice as per terms and conditions of the contract.
- c. In case supplies / services / works involve imports; the same should be identified separately. Basic Custom Duty & IGST will be paid directly by AAI by utilizing EPCG license / Duty Credit Scrip under Service Export from India Scheme (SEIS) of Govt. of India.

2. Royalty:

- a. The contractor shall at his own expense, provide all materials required for the works other than those which are to be supplied by AAI. The contractor shall deposit royalty and obtain necessary permit for collection of stone, sand, red bajri, kankar etc. from the local authority in the matter and will abide by the notification issued by Central Govt. / State Government / Local State Authorities as applicable from time to time in this regard. The contractor is also bound to allow deduction from his bills any difference in statutory taxes/royalty and penalty proposed by Local State Authorities to AAI till finalization of settlement of all demands in this regard by Central / State Govt.
- b. This will also be applicable to forest produce.
- c. If pursuant to or under any law, notification or order any royalty, cess or the like becomes payable by the AAI and does not any time become payable by the contractor to the State Government. Local authorities in respect of any material used by the contractor in the works then in such a case, it shall be lawful to the AAI and it will have the right and be entitled to recover the amount paid in the circumstances as aforesaid from dues of the contractor.

3. License fee for land

- a. Land/space (paved/unpaved/Covered-AC or Non-AC), to the extent allotted to contractor during execution of work for the purpose of installation of plants, labour camps cement godown, site office, stacking of materials shall be provided at free of cost upto defect liability period/maintenance period.
- b. A Security deposit at the rate of Rs. 500/- per sqm in the form of DD/BG shall be deposited by the contractor. In case contractor do not deposit security deposit same shall be deducted from 1st Running Account Bill.
- c. Such security deposit shall be released only after allotted land has been fully vacated by the contractor to entire satisfaction of Engineer-in- Charge. If contractor fails to vacate the allotted land/space (paved/unpaved/covered-AC/Non-AC) after Defect Liability Period/Maintenance period of the work shall be charged as per prevailing license fee of the airport plus 25% penalty over that.

CLAUSE 38

Conditions for reimbursement of levy/taxes if levied after receipt of tenders 1.Rates to be quoted by the parties should be inclusive of all taxes, duties, CESS, fee, royalty charges etc. levied under any statute applicable on last stipulated date of receipt of tender including extension if any but exclusive of GST. No adjustment i.e. increase or decrease shall be made for any variation in the rate of GSI Building and Other Construction Workers Welfare Cess or any tax, levy or Cess applicable on inputs.

However, effect of variation, as per Govt. order after the last date of receipt of tender including extension if any, in rates of GST or Building and Other Construction Workers Welfare Cess or imposition or repeal of any other tax, levy or Cess applicable on output of the works contract shall be adjusted on either side, increase or decrease.

Provided further that for Building and Other Construction Workers Welfare Cess or any tax (other than GST), levy or Cess varied or imposed after the last date of receipt of tender including extension if any, any increase shall be reimbursed to the contractor only if the contractor necessarily and properly pays such increased amount of taxes / levies / Cess.

Provided further that such increase in tax / levy / Cess including GST shall not reimbursed if made in the extended period of contract for which the contractor

alone is responsible for delay as determined by authority for extension of time under Clause 5 in Schedule F.

- 2. The contractor shall keep necessary books of accounts and other documents for the purpose of this condition as may be necessary and shall allow inspection of the same by a duly authorised representative of AAI or the Engineer-in-Charge and further shall furnish such other information /document as the Engineer-in-Charge may require from time to time.
- 3. The contractor shall, within a period of 30 days of the imposition of any such further tax or levy or Cess, give a written notice thereof to the Engineer-incharge that the same is given pursuant to the condition, together with all necessary information / documents relating thereto.

CLAUSE39

Termination	0
contract on	
death of	
contractor	

Without prejudice to any of the rights or remedies under this contract, if the contractor dies, the Engineer-in-charge on behalf of the AAI shall have the option of terminating the contract without compensation to the contractor.

CLAUSE40

If relative working in AAI then the contractor not allowed to tender.

The contractor shall not be permitted to tender for works in AAI wherein his near relative is posted as an Officer responsible for award and execution of work. He shall also intimate the names of persons who are working with him in any capacity or / are subsequently employed by him and who are near relatives to any officer of AAI. Any breach of this condition by the Contractor would render him, the contract liable to be rejected at any stage.

NOTE: By the term "near relatives" is meant wife, husband, parents and grand parents, children and grandchildren, brothers and sisters, uncles, aunts and cousins and their corresponding in-laws.

CLAUSE41

No any officer in Department of Engineering to work as contractor within one year of retirement Engineer or any officer employed in engineering or administrative duties in an engineering department of AAI shall not work as a contractor or employee of contractor for a period of one year after his retirement from AAI service without the prior permission of AAI in writing. This contract is liable to be cancelled if either the contractor or any of his employees is found at any time to be such a person who had not obtained the permission of AAI as aforesaid, before submission of the tender or engagement in the contractor's service, as the case may be.

CLAUSE 41(a)

Integrity Pact and Independent External Monitor.

Signing of Integrity Pact (As per Appendix XVIII) is mandatory for every bidder/contractor if provided so in Schedule F.

All tenderers shall have to submit an undertaking as per Appendix XVIII along with tender documents. AAI shall appoint Independent External Monitor(s) to oversee effective implementation of Integrity Pact for such works / supplies. For this purpose, a panel of Independent External Monitors shall be constituted by the Authority in concurrence with Central Vigilance Commission (CVC).

- i. The Contractor / Supplier shall have to act in accordance with the conditions laid down in the integritypact.
 - a. Signing of Integrity Pact is mandatory for every Bidder / Contractor in this procurement / bid process the signed original pact to be send to the office of Bid Manager and should reach before the due date mentioned in NIT.
 - b. The Bidder / contractor shall commit itself to ensure taking all measures necessary to prevent corrupt practices, unfair means and illegal activities during any stage of its bid or during any pre-contract or post-contract stage as specified in section 3 of the integrity pact.
 - c. Any breach of the aforesaid provisions by the Bidder or any one employed by it or acting on its behalf (whether with or without the knowledge of the Bidder) shall entitle the authority to take all or any one of the action as specified in section 6 of the integrity pact.
- ii. In case any violation of above conduct is established, AAI reserves right to take following actions.
 - a. If contractor commits a violation of its commitments and obligations under the Integrity Pact Program during bidding process, he shall be liable for disqualification from tender process and forfeiture of his Earnest Money Deposit / Bid Security.
 - b. In case of violation of the Integrity Pact after award of the contract, Authority is entitled to terminate the contract and shall be entitled to demand and recover from the contractor damages equivalent to 5% of the contract value or the amount equivalent to Security Deposit or Performance Bank Guarantee, whichever is higher.
 - c. Authority may initiate appropriate proceedings against the contractor.
 - d. Contractor will be liable to pay damages as determined by the Authority.
 - e. Contractor against whom an action for violation of its commitments and obligations has been taken earlier again commits a violation, the Authority is entitled to debar such contractor for future tender / contract processes for a period as deemed fit.
 - f. A violation is considered to have occurred if the Authority is fully satisfied with the available documents and evidence submitted alongwith Independent External Monitor's recommendations / suggestions that no reasonable doubt exist in the matter.
 - iii. Person signing IP shall not approach the Courts while representing the matters to IEMs and he / she will await their decision in the matter.

Code of Integrity

No official of AAI or a bidder shall act in contravention of the codes which includes

- (i) prohibition of
 - a) making offer, solicitation or acceptance of bribe, reward or gift or any material benefit, either directly or indirectly, in exchange for an unfair advantage in the procurement process or to otherwise influence the procurement process.
 - any omission, or misrepresentation that may mislead or attempt to mislead so that financial or other benefit may be obtained or an obligation avoided.
 - any collusion, bid rigging or anticompetitive behaviour that may impair the transparency, fairness and the progress of the procurement process.
 - d) improper use of information provided by the procuring entity to the bidder with an intent to gain unfair advantage in the procurement process or for personal gain.
 - e) any financial or business transactions between the bidder and any
 official of the procuring entity related to tender or execution
 process of contract; which can affect the decision of the
 procuring entity directly or indirectly.
 - f) any coercion or any threat to impair or harm, directly or indirectly, any party or its property to influence the procurement process.
 - g) obstruction of any investigation or auditing of a procurement process.
 - h) making false declaration or providing false information for participation in a tender process or to secure a contract;
- (ii) disclosure of conflict of interest.
- (iii) Disclosure by the bidder of any previous transgressions made in respect of the provisions of sub-clause (i) with any entity in any country during the last three years or of being debarred by any other procuring entity.

CLAUSE42

Return of material and recovery for excess material issued.

- After completion of the work and also at any intermediate stage in the event of non-reconciliation of materials issued, consumed and in balar Clause 10), Theoretical quantity of materials issued by the AAI f ∕l the work shall be calculated on the basis and method given hereunded
 - Quantity of cement & bitumen shall be calculated on basis of quantity of cement & bitumen required for different its (s/ f work as shown in the Schedule of Rates mentioned in Schedule In case any item is executed for which standard co-efficient for th onsumption of cement or bitumen are not available in the above mentioned schedule / f calculated on the statement or cannot be derived from the same sh/ /neer-in-Charge.
 - basis of standard formula to be laid down by the b. Theoretical quantity of steel reinforcement uctural steel sections shall be taken as the quantity required as p////ngn or as authorised by ages, chairs etc. plus 3% Engineer-in- Charge, including authorised wastage due to cutting into pieces, st theoretical quantity being determined and compared with the retual issues each diameter-wise, section wise and category wise ser \(\lambda \te\)7.
 - Theoretical quantity of G 1. or other pipes, conduits, wires c. and cables pig lead and G.I. sheets shall be taken as quantity actually required and measure plus 5% for wastage due to cutting into pieces (except in the case of G.I./M.S. sheets it shall be 10%), such determination & compari being made diameter-wise & categorywise.
- d. For any other material of r actual requirements.

 Over the theoretical quay of of materials so computed a variation shall be allowed as specified in edule 'F'. The difference in the net quantities of material actually issu to the contractor and the theoretical quantities including such arthorised variation, if not returned by the contractor or if not fully reconcile/ satisfaction of the Engineer-in-Charge within fifteen written notice by the Engineer-in-Charge to this effect days of the ik shall be recovered at the rates specified in Schedule 'F', without prejudice to the provision of the relevant conditions regarding return of materials governing the contract. Decision of Engineer-in-Charge in regard to theoret duantities of materials, which should have been actually used as per the formatter of the standard schedule of rates and recovery at rates specific Schedule 'F' shall be final and binding on the contractor. For heduled items, the decision of the Engineer – in - charge regarding retical quantities of materials which should have been actually used, shall be final and binding on the contractor.

The said action under this clause is without prejudice to the right of the AAI to take action against the contractor under any other conditions of contract for not doing the work according to the prescribed specifications.

For materials brought by the contractor for use in item of work at site, similar theoretical consumption shall be prepared and submitted to the Engineer-in-Charge for verification. If it is found that material consumed in the work is less than the theoretical consumption after taking into account permissible minus variation, the recovery for corresponding material shall be effected as per rates specified in schedule 'F' under Clause 42-

CLAUSE43

Compensation during warlike situations / act of terrorism

The work (whether fully constructed or not) and all materials, machines, tools and plants scaffolding, temporary buildings and other things connected therewith shall be at the risk of the contractor until the work has been delivered to the Engineer-in-Charge and a certificate from him to that effect obtained. In the event of the work or any materials properly brought to the site for incorporation in the work being damaged or destroyed in consequence of hostilities or warlike operation or act of terrorism, the contractor shall when ordered (in writing) by the Engineer-in-Charge to remove any debris from the site, collect and properly stack or remove in store all serviceable materials salvaged from the damaged work and shall be paid at the contract rates in accordance with the provision of this agreement for the work of clearing the site of debris, stacking or removal of serviceable material and for reconstruction of all works ordered by the Engineer-in-Charge, such payments being in addition to compensation upto the value of the work original executed before being damaged or destroyed and not paid for.

In case of works damaged or destroyed but not already measured and paid for, the compensation shall be assessed by the Engineer-in charge upto Rs.5,000/- and by the Executive Director Engg. concerned for a higher amount. The contractor shall be paid for the damages / destruction suffered and for restoring the material at the rate based on analysis of rates tendered for in accordance with the provision of the contract. The certificate of the Engineer-in- Charge regarding the quality and quantity of materials and the purpose for which they were collected shall be final and binding on all parties to this contract.

Provided always that no compensation shall be payable for any loss in consequence of hostilities or warlike operation (a) unless the contractor had taken all such precautions against air raid as are deemed necessary by the A.R.P. Officers or the Engineer-in- Charge (b) for any material etc. not on the site of the work or for any tools plant, machinery, scaffolding, temporary building and other things not intended for the work.

In the event of the contractor having to carry out reconstruction as aforesaid, he shall be allowed such extension of time for its completion as is considered reasonable by the Engineer – in - charge.

CLAUSE44

Apprentices
Act provisions
to be complied
with

The contractor shall comply with the provisions of the Apprentices Act, 1961 and the rules and orders issued thereunder from time to time. If he fails to do so, his failure will be a breach of the contract and the Executive Director Engg. / General Manager (Engg.) may, in his discretion, cancel the contract. The contractor shall also be liable for any pecuniary liability arising on account of any violation by him of the provisions of the said Act.

CLAUSE45

Release of security deposit after labour clearance

Security Deposit of the work shall not be refunded till the contractor produces a clearance certificate from the Labour Officer. As soon as the work is virtually complete the contractor shall apply for the clearance certificate to the Labour Officer under intimation to the Engineer-in-Charge. The Engineer-in-Charge, on receipt of the said communication, shall write to the Labour Officer to intimate if any complaint is pending against the contractor in respect of the work. If no complaint is pending, on record till after 3 months after completion of the work and / or no communication is received from the Labour Officer to this effect till six months after the date of completion, it will be deemed to have received the clearance certificate and the Security Deposit will be released if otherwise due.

CLAUSE 46

Contractor's Liability and Insurance of Works

- i. From commencement to completion of the Works, the Contractor shall take full responsibility for the case thereof and for taking precautions to prevent loss or damage and to minimize loss or damage to the greatest extent possible and shall be liable for any damage or loss that may happen to the Works or any part thereof and all AA l's T & P from any cause whatsoever (save and except the Excepted Risks) and shall at his own cost repair and make good the same so that at completion, the Works and all AAI's T & P shall be in good order and condition and in conformity in every respect with the requirements of the Contract and instructions of the Engineer-in-Charge.
- ii. In the event of any loss or damage to the Works or any Part thereof or to any T & P, to any material or articles at the Site from any of the Excepted Risks the following provisions shall have effect:
 - a. The Contractor shall, as may be directed in writing by the Engineer-in-Charge, remove from the Site any debris and so much of the works as shall have been damaged, taking to AAI's store such AAI's T & P, articles and/or materials as may be directed;
 - b. The contractor shall, as may be directed in writing by the Engineer-in-Charge, proceed with the erection and completion of the Works under and in accordance with the provisions and Conditions of the Contract; and
- iii. Provided always that the Contractor shall not be entitled to payment under the above provisions in respect of so much loss or damage as has been occasioned by any failure on his part to perform his obligation under the Contract or not taking precautions to prevent loss or damage or minimize the amount of such loss or damage.
- Without limiting its obligations and responsibilities under other clauses of GeneralConditionsofContracts, the contractorathisown costshallinsure, in the joint name of AAI and the contractor, against all losses or damages from whatever cause, arising (other than the accepted risks) for which he is responsible under the terms of the contract and in such manner that the AAI and the contractor are covered during the period of construction of works and any loss or damage occasioned by the contractor in the course of any operation carried out by them for the purpose of complying with its obligations of defects liability clause hereof;
 - a. All works including temporary works to their full value executed from time to time.
 - b. The construction materials and equipments to their full value brought on to the site by the contractor.
- v. The Contractor shall indemnify and keep indemnified AAI against all losses and claims for injuries or damage to any persons or any property whatsoever which may arise out of or in consequence of the construction and maintenance of Works and against all claims, demands proceedings, damage costs, charges and expenses whatsoever in respect of or in relation thereto.
- vi. Before commencing execution of the work, the Contractor shall, without in any way limiting his obligations and responsibilities under this condition, insure at his own cost against any damage, loss or injury which may occur to any AAI property, or to any person for at least the minimum amount of Rs. 1.00 lakh with unlimited number of occurrences (including any employee of AAI) by or arising out of carrying out of the Contract.
- vii. The contractor shall at all times indemnify AAI against all claims, damages or compensation under the provisions of Payment or Wages Act,1936,

Minimum Wages Act, 1948, Employer's Liability Act, 1938, the Workmen's Compensation Act, 1923, Industrial Disputes Act, 1947 and the Maternity Benefit Act, 1961 or any modifications thereof or any other law relating thereto and rules made there under from time to time or as a consequence of any accident or injury to any workman or other persons in or about the Works, whether in the employment of the Contractor or not, his agents or servants, and also against all costs, charges and expenses of any suit, action or proceedings arising out of such accident or injury and against all sum or sums which may with the consent of the Contractor be paid to compromise or compound any claim. Without limiting his obligations and liabilities as above provided, the Contractor shall insure against all claims, damages or compensation payable under the Workmen's Compensation Act, 1923 or any modification thereof or any other law relating thereto.

- viii. All insurance mentioned above shall be effected with any subsidiary of the General Insurance Company of India or by a company approved by the Insurance Regulatory Authority of India.
- The aforesaid insurance policy / policies shall provide that they shall not be cancelled till the Engineer-in-Charge has agreed to their cancellation in
- The Contractor shall prove to the Engineer-in-Charge from time to time that he has taken out all the insurance policies referred to above and has paid the necessary premiums for keeping the policies alive till expiry of the Defects Liability Period. A self-certified copy of such policies is required to be submitted to the Engineer-in-charge.
- The Contractor shall ensure that similar insurance policies are taken out by his subcontractors (if any) and shall be responsible for any claims or losses to AAI resulting from their failure to obtain adequate insurance protection in connection thereof. The contractor shall produce or cause to be produced by his subcontractor (if any) as the case may be, the relevant policy or policies and premiums receipts as and when required by the Engineer-in-Charge. A self-certified copy of such policies is required to be submitted to the Engineer-in-charge.
- xii. If the Contractor and/or his subcontractor (if any) shall fail to effect and keep in force the insurance referred to above or any other insurance which he/they may be required to effect under the terms of the Contract then and in any such case AAI may, without being bound to, effect and keep in force any such insurance and pay such premium or premiums as may be necessary for that purpose and from time to time deduct the amount so paid by AAI from any moneys due or which may become due to the Contractor or recover the same as a debt due from the Contractor.
- xiii. In case contractor takes Contractor All Risk (CAR) Policy in joint name of AAI and Contractor for full tendered value along with third party liability (max of 10% of tendered value or as applicable as per Insurance Regulatory Authority of India) then there is no requirement for taking separate insurance bysub-contractors.

However, workmen compensation policy is required to be taken separately by main contractor and sub-contractor for workers employed by them.

CLAUSE 47

Composite	i. The tenders have been called for composite work consisting of civil
Contract and	construction and other associated specialized works. The pre-qualification
responsibilities	criteria shall be applicable for each subhead of work independently. The
of main agency	agency meeting PQ criteria for the main work shall be considered for
•	execution of composite work. However the agency shall be allowed to

Clauses of Contract	APPORTAGING PROPERA
ii.	specialized works under various subheads for which he himself has failed to meet PQ criteria. In such case he will appoint his associate for the execution of each specialized work with the approval of the NIT approving authority. The main contractor shall intimate the names of only those agencies who fully meet the PQ criteria for each specialized work for the acceptance of the department.
Composite	This clause is applicable for the works for which the estimated cost put to
contract- Tripartite i.	tender is more than Rs.500.00 crores. The main contractor shall finalise his rates, terms and conditions and mode of
agreement	execution of work with specialised agencies for all works covered in various
	subhead of works on receipt of work order but specifications, preferred
	makes of materials and performance of system shall remain as specified in tender document.
ii.	The main contractor shall arrange an agreement between department, main
	contractor and associated agencies for all subheads on receipt of work order from the engineer-in-charge. Main contractor and expert agency shall be
iii.	jointly responsible for quality of work and performance of the system. Main contractor shall submit list of associated agency for each specialized
	work within 1/12 th of stipulated completion period or within one month from issue of work order whichever is later along with documentary evidence for
	financial soundness, technical capabilities and their experience for executing
	similar specialized works along with his application seeking acceptance for the name of associated agency. Approval / rejection for the name of
	associated agency shall be accorded thereafter by NIT approving authority
iv.	within a period of 15 days each sub head wise. The main contractor shall submit duly signed tripartite agreement on the
	format provided by AAI within 2/12 th of stipulated completion period or 60 days whichever is later for acceptance and signature of department. The

Conditions of composite contract

Main contractor shall be responsible for submission of earnest money. i.

delayed due to reasons beyond control of the contractor.

extension of time for signing of this agreement shall not be generally permitted. The signing time shall only be extended if handing over of site is

- The mobilization advance shall be paid to main contractor as per terms and conditions of contract and indicated under Clause 10 B. The first installment of mobilization advance shall be corresponding to the value of work which shall be executed by the main contractor. The subsequent mobilization advances corresponding to value of work covered in each subhead shall be released on signing of each Tripartite Agreement with expert agency for the same.
- The security deposit shall be deducted from the running bills of main

		contractor after adjustment of full earnest money.				
	iv.	iv. Main contractor shall be responsible for completion of work as per time				
		schedule indicated in the NIT. The compensation for the delay shall be levied				
		on the main contractor only.				
	.,	The coordination meetings called by AAI or its representative shall be				
	V.					
		attended by associated expert agencies as and when required. Expert agency				
		shall be responsible for technical soundness, quality of work and adherence to				
		tender specifications. The main contractor as well as associated agency shall				
		be responsible for rectification of deficiencies noticed in specialize dwork.				
Payment	i.	It will be the responsibility of main contractor to finalize expert agencies for				
Conditions for		the execution of works covered under all subheads of NIT and get the				
Composite		tripartite agreements signed as per NIT requirement at an early date. The				
Contract		main contractor shall not be paid for value of work covered under second				
Contract						
		running bill & subsequent bills till all Tripartite Agreements are signed by all				
		agencies concerned.				
	ii.					
		direct payment to the expert agency and to the main contractor for each				
	subhead of work in schedule F. This ratio may also be indicated in tripartite					
		agreement. Thus direct payment to each expert agency shall be released in the				
	same ratio from the net payment (after all deductions).					
	111.	iii. The running bill for specialized work shall be processed as per terms and				
		conditions of the contract. All deductions like security deposit, income tax				
		and part rate for incomplete work or due to any other reason shall be made as				
		per contract conditions from each running bill. In case the ratio as desired				
		under (ii) is not filled by the main contractor AAI will make payment of 75%				
		of the net payable amount to the expert agency directly and balance25%				
		shall be paid to the main contractor.				
	1	1				

Clause 48

	1
Escrow	i. All payments for the works estimated cost more than Rs.500 Cr shall be
Account	made only through Escrow Account opened by the contractor. However for works costing less than Rs.500 Cr., it shall be at the discretion of Technical
	Sanctioning authority to opt for Escrow account or not. The bank charges for
	Escrow Account shall be borne by contractor. The detailed conditions of
	Escrow Account shall be drawn in consultation with associated bank.
	ii. Mobilization advance for mobilization of resources and purchase of plant &
	machinery shall be credited directly to the escrow account opened for this
	contract through bank transfer as per terms and condition of contract. The
	agency shall be able to utilize 25% (or as decided by TS authority) of each
	installment of mobilization advance to meet minor expenses like construction of site office, purchase of office equipment and other minor
	works, while release of balance 75% fund shall be regulated by the
	department. The contractor shall seek prior concurrence of Engineer-in
	Charge for release of payment to the supplier etc. through Escrow Account
	by the Bank. Funds against cheque issued by contractor shall be released by
	Bank on receipt of written consent from Engineer-in Charge.
	iii. Payment received and credited against each RA Bill, can be utilized 25%
	directly by the contractor for minor expenses like salary, stationary, office
	expenses etc. AAI shall exercise control for release of payment by contractor
	for balance 75%.
	iv. The Contractor shall submit his proposal to the Engineer-in-
	Charge/Authority for utilization of funds made available by AAI(75%
	against each RA bill)

- a. Name of agency for whom payment is proposed to be released.
- b. Details of work executed/material supplied by agency to whom he intends to release payment.
- c. Nature of advance payment if any, has to be released to the supplier for supply of material for the project only
- d. Documentary evidence in support of his claim.
- v. Engineer –in-charge will examine and approve full / part of such payments as per agency's request within maximum of three working days. The terms and condition of Escrow Account shall be finalized with bank according to terms and conditions of contract. Bank shall release payment against such cheques only after written consent of authorised officer of AAI is received.
- vi. Contractor shall be permitted to close Escrow Account on receipt of final payment for the work/project or on/receipt of letter for foreclosure of work by the AAI. All balances and liabilities against this Escrow Account shall be left at the disposal of the contractor.

Note: In case of difference or ambiguity in Hindi and English version anywhere, the English version will prevail.

AIRPORTS AUTHORITY OF INDIA

SAFETY CODE

- 1. Suitable Scaffolds should be provided for workmen for all works that cannot safely be done from the ground, or from solid construction except such short period work as can be done safely from ladders. When a ladder is used, an extra mazdoor shall be engaged for holding the ladder and if the ladder is used for carrying materials as well suitable footholds and hand-hold shall be provided on the ladder and the ladder shall be given an inclination not steeper than ½ to 1 (¼ horizontal and 1 vertical).
- 2. Scaffolding of staging more than 3.6m (12ft.) above the ground or floor, swung or suspended from an overhead support or erected with stationary support shall have a guard rail properly attached or bolted, braced and otherwise secured at least 90 cm. (3ft.) high above the floor or platform of such scaffolding on staging and extending along the entire length of the outside and ends thereof with only such opening as may be necessary for the delivery of materials. Such scaffolding or staging shall be so fastened as to prevent it from swaying from the building or structure.
- 3. Working platforms, gangways and stairways should be so constructed that they should not sag unduly or unequally, and if the height of the platform or the gangway or the stairway is more than 3.6 m (12ft.) above ground level or floor level, they should be closely boarded, should have adequate width and should be suitably fastened as described in (2)above.
- 4. Every opening in the floor of a building or in a working platform shall be provided with suitable means to prevent the fall of person or materials by providing suitable fencing or railing whose minimum height shall be 90cm.(3ft.)
- 5. Safe means of access shall be provided to all working platforms and other working places. Every ladder shall be securely fixed. No portable single ladder shall be over 9m. (30ft.) in length while the width between side rails in rung ladder shall in no case be less than 29 cm. (11 ½ ") for ladder upto and including 3m. (10ft.) in length. For long ladders, this width should be increased at least ¼" for each additional 30cm. (1 foot) of length. Uniform step spacing of not more than 30cm shall be kept. Adequate precautions shall be taken to prevent danger from electrical equipment. No materials on any of the site or work shall be so stacked or placed as to cause danger or inconvenience to any person or the public. The contractor shall provide all necessary fencing and lights to protect the public from accident and shall be bound to bear the expenses of defense of every suit, action or other proceedings at law that may be brought by any person for injury sustained owing to neglect of the above precautions and to pay any damages and cost which may be awarded in any such suit, action or proceedings to any such person on which may, with the consent of the contractor, be paid to compensate any claim by any such person.
- 6. a. **Excavation and Trenching** All trenches 1.2 m. (4ft.) or more in depth, shall at all times be supplied with at least one ladder for each 30m. (100ft.) in length or fraction thereof, Ladder shall extend from bottom of the Trench to at least 90cm (3fts) above the surface of the ground. The side of the trenches which are 1.5 m. (5 ft.) or more in depth shall be stepped back to give suitable slope or securely held by timber bracing, so as to avoid the danger of sides collapsing. The excavated material shall not be placed within 1.5 m. (5 ft.) of the edges of the trench or half of the depth of the trench whichever is more. Cutting shall be done from top to bottom. Under no circumstances, undermining or undercutting shall be done.

b. Safety Measures for digging bore holes: -

- i. If the bore well is successful, it should be safely capped to avoid caving and collapse of the bore well. The failed and the abandoned ones should be completely refilled to avoid caving and collapse;
- ii. During drilling, Sign boards should be erected near the site with the address of the drilling contractor and the Engineer-in-charge of the work;
- iii. Suitable fencing should be erected around the well during the drilling and after the installation of the rig on the point of drilling, flags shall be put 50 Mtr all around the point of drilling to avoid entry of people/animals;
- iv. After drilling the bore well, a cement platform (0.50 Mtr x 0.50 Mtr x 1.20 Mtr) 0.60 Mtr above ground level and 0.60 Mtr below ground level should be constructed around the well casing;
- v. After the completion of the bore well, the contractor should cap the bore well properly by welding steel plate, cover the bore well with the drilled wet soil and fix thorny shrubs over the soil. This should be done even while repairing the pump;
- vi. Aftertheborewellisdrilledtheentiresiteshouldbebroughttothegroundlevel;
- 7. Demolition Before any demolition work is commenced and also during the progress of the work,
 - i) All roads and open areas adjacent to the work site shall either be closed or suitably protected.
 - ii) No electric cable or apparatus which is liable to be a source of danger or a cable or apparatus used by the operator shall remain electrically charged.
 - iii) All practical steps shall be taken to prevent danger to persons employed from risk of fire or explosion or flooding. No floor, roof or other part of the building shall be so overloaded with debris or materials as to render it unsafe.
- 8. All necessary personal safety equipment as considered adequate by the Engineer-in-Charge should be kept available for the use of the person employed on the site and maintained in a condition suitable for immediate use, and the contractor should take adequate steps to ensure proper use of equipment by those concerned. The following safety equipment shall invariably be provided.
 - i) Workers employed on mixing asphaltic materials, cement and lime mortars shall be provided with protective footwear and protective goggles.
 - ii) Those engaged in white washing and mixing or stacking of cement bags or any material which is injurious to the eyes shall be provided with protective goggles.
 - iii) Those engaged in welding works shall be provided with welder's protective eye-shields.
 - iv) Stone breaker shall be provided with protective goggles and protective clothing and seated at sufficiently safe intervals.
 - v) When workers are employed in sewers and manholes, which are in active use, the contractors shall ensure that the manhole covers are opened and ventilated at least for an hour before the workers are allowed to get into the manholes, and the manholes so opened shall be cordoned off with suitable railing and provided with warning signals or boards to prevent accident to the public. In addition, the contractor shall ensure that the following safety measures are adhered to:-
 - a) Entry for workers into the line shall not be allowed except under supervision of the Sr. Superintendent (Engg.) or any other higher officer.
 - b) At least 5 to 6 manholes upstream and downstream should be kept open for at least 2 to 3 hours before any man is allowed to enter into the manhole for working inside.
 - c) Before entry, presence of toxic gases should be tested by inserting wet lead acetate paper which changes colour in the presence of such gases and gives indication of their presence.

- d) Presence of Oxygen should be verified by lowering a detector lamp into the manhole. In case, no Oxygen is found inside the sewer line, workers should be sent only with oxygen kit
- e) Safety belt with rope should be provided to the workers. While working inside the manholes, such rope should be handled by two men standing outside to enable him to be pulled out during emergency.
- f) The area should be barricaded or condoned off by suitable means to avoid mishaps of any kind. Proper warning signs should be displayed for the safety of the public whenever cleaning works are undertaken during night or day.
- g) No smoking or open flames shall be allowed near the blocked manhole being cleaned.
- h) The malba obtained on account of cleaning of blocked manholes and sewer lines should be immediately removed to avoid accidents on account of slippery nature of the malba.
- i) Workers should not be allowed to work inside the manhole continuously. He should be given rest intermittently. The Engineer-in-Charge may decide the time upto which a worker may be allowed to work continuously inside the manhole.
- j) Gas masks with Oxygen Cylinder should be kept at site for use in emergency.
- k) Air-blowers should be used for flow of fresh air through the manholes. Whenever called for, portable air blowers are recommended for ventilating the manholes. The Motors for these shall be vapour proof and of totally enclosed type. Non sparking gas engines also could be used but they should be placed at least 2 meters away from the opening and on the leeward side protected from wind so that they will not be a source of friction on any inflammable gas that might be present.
- l) The workers engaged for cleaning the manholes / sewers should be properly trained before allowing to work in the manhole.
- m) The workers shall be provided with Gumboots or non-sparking shoes bump helmets and gloves non sparking tools safety lights and gas masks and portable air blowers (when necessary). They must be supplied with barrier cream for anointing the limbs before working inside the sewerlines.
- n) Workmen descending a manhole shall try each ladder stop or rung carefully before putting his full weight on it to guard against insecure fastening due to corrosion of the rung fixed to manhole well.
- o) If a man has received a physical injury, he should be brought out of the sewer immediately and adequate medical aid should be provided to him.
- p) The extent to which these precautions are to be taken depend on individual situation but the decision of the Engineer-in-Charge regarding the steps to be taken in this regard in an individual case will be final.
- (vi) The Contractor shall not employ men and women below the age of 18 years on the work of painting with products containing lead in any form. Wherever men above the age of 18 are employed on the work of lead painting, the following precaution should be taken:-
- a) No paint containing lead or lead products shall be used except in the form of paste or ready made paint.
- b) Suitable face masks should be supplied for use by the workers when paint is applied in the form of spray or a surface having lead paint is dry rubbed and scrapped.
- c) Overall shall be supplied by the contractors to the workmen and adequate facilities shall be provided to enable the working painters to washduring and on the cessation of work.
- 9. An additional clause (viii)(i) of AAI Safety Code (iv) the Contractor shall not employ women and men below the age of 18 on the work of painting with product containing lead in any form, wherever men above the age of 18 are employed on the work of lead painting, the following principles must be observed for such use:
 - i) White lead, sulphate of lead or product containing these pigment, shall not be used in painting operation except in the form of pastes or paint ready for use.
 - ii) Measures shall be taken, wherever required in order to prevent danger arising from the application of a paint in the form of spray.

- iii) Measures shall be taken, wherever practicable, to prevent danger arising out of from dust caused by dry rubbing down and scraping.
- iv) Adequate facilities shall be provided to enable working painters to wash during and on cessation of work.
- v) Overall shall be worn by working painters during the whole of working period.
- vi) Suitable arrangement shall be made to prevent clothing put off during working hours being spoiled by painting materials.
- vii) Cases of lead poisoning and suspected lead poisoning shall be notified and shall be subsequently verified by medical man appointed by competent authority of AAI.
- viii) AAI may require, when necessary medical examination of workers.
- ix) Instructions with regard to special hygienic precautions to be taken in the painting trade shall be distributed to working painters.
- 10. When the work is done near any place where there is risk of drowning, all necessary equipments should be provided and kept ready for use and all necessary steps taken for prompt rescue of any person in danger and adequate provision, should be made for prompt first aid treatment of all injuries likely to be obtained during the course of the work.
- 11. Use of hoisting machines and tackle including their attachments, anchorage and supports shall conform to the following standards or conditions:
 - (a) These shall be of good mechanical construction, sound materials and adequate strength and free from patent defects and shall be kept repaired and in good working order.
 - (b) Every rope used in hoisting or lowering materials or as a means of suspension shall be of durable quality and adequate strength, and free from patent defects.
 - ii) Every crane driver or hoisting appliance operator shall be properly qualified and no person under the age of 21 years should be in charge of any hoisting machine including any scaffolding winch or give signals to operator.
 - iii) In case of every hoisting machine and of every chain ring hook, shackle swivel and pulley block used in hoisting or as means of suspension, the safe working load shall be ascertained by adequate means. Every hoisting machine and all gear referred to above shall be plainly marked with the safe working load. In case of a hoisting machine having a variable safe working load each safe working load and the condition under which it is applicable shall be clearly indicated. No part of any machine or any gear referred to above in this paragraph shall be loaded beyond the safe working load except for the purpose of testing.
 - iv) In case of departmental machines, the safe working load shall be notified by the Electrical Engineer-in-Charge. As regards contractor's machines the contractors shall notify the safe working load of the machine to the Engineer-in-Charge whenever he brings any machinery to site of work and get it verified by the electrical Engineer concerned.
- 12. Motors, gearing, transmission, electric wiring and other dangerous parts of hoisting appliances should be provided with efficient safeguards. Hoisting appliances should be provided with such means as will reduce to the minimum the risk of accidental descent of the load. Adequate precautions should be taken to reduce to the minimum the risk of any part of a suspended load becoming accidentally displaced. When workers are employed on electrical installations which are already energized, insulating mats, wearing apparel, such as gloves, sleeves and boots as may be necessary should be provided. The worker should not wear any rings, watches and carry keys or other materials which are good conductors of electricity.
- 13. All scaffolds, ladders and other safety devices mentioned or described herein shall be maintained in safe condition and no scaffold, ladder or equipment shall be altered or removed while it is in use. Adequate washing facilities should be provided at or near places of work.

- 14. These safety provisions should be brought to the notice of all concerned by display on a notice board at a prominent place at work spot. The person responsible for compliance of the safety code shall be named therein by the contractor.
- 15. To ensure effective enforcement of the rules and regulations relating to safety precautions the arrangements made by the contractor shall be open to inspection by the Labour Officer or Engineer-in- Charge of the department or their representatives.
- 16. Notwithstanding the above clauses from (1) to (15), there is nothing in these to exempt the contractor from the operations of any other Act or Rules in force in the Republic of India.

MODEL RULES FOR THE PROTECTION OF HEALTH AND SANITARY ARRANGEMENTS FOR WORKERS EMPLOYED BY AAI OR ITS CONTRACTORS

1. APPLICATION

These rules shall apply to all buildings and construction works in charge of AAI in which twenty or more workers are ordinarily employed or are proposed to be employed in any day during the period during which the contract work is in progress.

2. **DEFINITION**

Work place means a place where twenty or more workers are ordinarily employed in connection with construction work on any day during the period during which the contract work is in progress.

3. FIRST-AIDFACILITIES

- (i) At every work place, there shall be provided and maintained, so as to be easily accessible during working hours, first-aid boxes at the rate of not less than one box for 150 contract labour or part thereof ordinarily employed.
- (ii) The first-aid box shall be distinctly marked with a red cross on white back ground and shall contain the following equipment.
- (a) For work places in which the number of contract labour employed does not exceed 50 Each first –aid box shall contain the following equipments:
- 1. 6 small sterilized dressings
- 2. 3 medium size sterilized dressings
- 3. 3 large size sterilized dressings
- 4. 3 large sterilized burn dressings
- 5. 1 (30 ml) bottle containing a two per cent alcoholic solution of iodine.
- 6. 1 (30 ml) bottle containing salvolatile having the dose and mode of administration indicated on the label.
- 7. 1 snake bite lancet.
- 8. 1 (30 gms) bottle of potassium permanganate crystals.
- 9. 1 pair scissors.
- 10. 1copy of the first-aid leaflet issued by the Director General, Factory Advice Service and Labour Institute, Government of India.
- 11. 1 bottle containing 100 tablets (each of 5 gms) of aspirin.
- 12. Ointment for burns.
- 13. A bottle of suitable surgical antiseptic solution.
- (b) For work places in which the number of contract labour exceed 50. Each first-aid box shall contain the following equipments.
- 1. 12 small sterilized dressings.
- 2. 6 medium size sterilized dressings.
- 3. 6 large size sterilized dressings
- 4. 6 large size sterilized burn dressings.
- 5. 6 (15 gms) packets sterilized cotton wool.
- 6. 1 (60 ml). Bottle containing wo per cent alcoholic solution iodine.
- 7. 1 (60 ml) bottle containing salvolatile having the dose and mode of administration indicated on the label.
- 8. 1 roll of adhesive plaster.
- 9. 1 snake bite lancet.
- 10. 1 (30 gms) bottle of potassium permanganate crystals.
- 11. 1 pair scissors.
- 12. 1 copy of the first-aid leaflet issued by the Director General Factory Advice Service and Labour Institute / Government of India.
- 13. A bottle containing 100 tablets (each of 5 gms) of aspirin.

- 14. Ointment for burns.
- 15. A bottle of suitable surgical antiseptic solution.
- (iii) Adequate arrangements shall be made for immediate recoupment of the equipment when necessary.
- (iv) Nothing except the prescribed contents shall be kept in the First-aid box.
- (v) The first-aid box shall be kept in charge of a responsible person who shall always be readily available during the working hours of the workplace.
- (vi) a person in charge of the First-aid box shall be a person trained in First-aid treatment in the work places where the number of contract labour employed is 150 or more.
- (vii) In work places where the number of contract labour employed is 500 or more and hospital facilities are not available within easy distance from the works. First-aid posts shall be established and run by a trained compounder. The compounder shall be on duty and shall be available at all hours when the workers are at work.
- (viii) Where work places are situated in places which are not towns or cities, a suitable motor transport shall be kept readily available to carry injured person or person suddenly taken ill to the nearest hospital.

4. DRINKINGWATER

- i) In every work place, there shall be provided and maintained at suitable places, easily accessible to labour, a sufficient supply of cold water fit for drinking.
- ii) Where drinking water is obtained from an intermittent public water supply, each work place shall be provided with storage where such drinking water shall be stored.
- iii) Every water supply or storage shall be at a distance of not less than 50 feet from any latrine drain or other source of pollution. Where water has to be drawn from an existing well which is within such proximity of latrine, drain or any other source of pollution, the well shall be properly chlorinated before water is drawn from it for drinking. All such wells shall be entirely closed in and be provided with a trap door which shall be dust and waterproof.
- iv) A reliable pump shall be fitted to each covered well, the trap door shall be kept locked and opened only for cleaning or inspection which shall be done at least once a month.

5. WASHINGFACILITIES

- i) In every work place adequate and suitable facilities for washing shall be provided and maintained for the use of contract labour employed therein.
- ii) Separate and adequate cleaning facilities shall be provided for the use of male and female workers.
- iii) Such facilities shall be conveniently accessible and shall be kept in clean and hygienic condition.

6. LATRINES ANDURINALS

- i) Latrines shall be provided in every work place on the following scale namely:
 - a) Where female are employed, there shall be at least one latrine for every 25 females.
 - b) Where males are employed, there shall be at least one latrine for every 25males.
- ii) Provided that, where the number of males or females exceeds 100, it shall be sufficient if there is one latrine for 25 males or females as the case may be upto the first 100, and one for every 50thereafter.
- iii) Every latrine shall be under cover and so partitioned off as to secure privacy, and shall have a proper door and fastenings.
- iv) Construction of latrines: The inside walls shall be constructed of masonry or some suitable heat-resisting nonabsorbent materials and shall be cement washed inside and outside at least once a year, Latrines shall not be of a standard lower than bore hole system.

- v) (a) Where workers of both sexes are employed, there shall be displayed outside each block of latrine and urinal, a notice in the language understood by the majority of the workers "For Men only" or "For Women Only" as the case may be.
 - (b) The notice shall also bear the figure of a man or of a woman, as the case maybe.
- vi) There shall be at least one urinal for male workers upto 50 and one for female workers upto fifty employed at a time, provided that where the number of male or female workmen, as the case may be exceeds 500, it shall be sufficient if there is one urinal for every 50 males or females upto the first 500 and one for every 100 or part thereafter.
- vii) (a) The latrines and urinals shall be adequately lighted and shall be maintained in a clean and sanitary condition at all times.
 - (b) Latrines and urinals other than those connected with a flush sewage system shall comply with the requirements of the Public Health Authorities.
- viii) Water shall be provided by means of tap or otherwise so as to be conveniently accessible in or near the latrines and urinals.
- ix) Disposal of excreta: Unless otherwise arranged for by the local sanitary authority, arrangements for proper disposal of excreta by incineration at the work place shall be made by means of a suitable incinerator. Alternately excreta may be disposed of by putting a layer of night soil at the bottom of a pucca tank prepared for the purpose and covering it with a 15 cm. Layer of waste or refuse and then covering it with a layer of earth for a fortnight (when it will turn to manure).
- x) The contractor shall at his own expense, carry out all instructions issued to him by the Engineer-in-Charge to effect proper disposal of night soil and other conservancy work in respect of the contractor's workmen or employees on the site. The contractor shall be responsible for payment of any charges which may be levied by Municipal or Cantonment Authority for execution of such on his behalf.

7. PROVISION OF SHELTER DURINGREST

At every place there shall be provided, free of cost, four suitable sheds, two for meals and the other two for rest separately for the use of men and women labour. The height of each shelter shall not be less than 3 meters (10 ft.) from the floor level to the lowest part of the roof. These shall be kept clean and the space provided shall be on the basis of 0.6 sq.m. (6 sft) per head. Provided that the Engineer-in-Charge may permit subject to his satisfaction, a portion of the building under construction or other alternative accommodation to be used for the purpose.

8. CRECHES

- i) At every work place, at which 20 or more women workers are ordinarily employed, there shall be provided two rooms of reasonable dimensions for the use of their children under the age of six years. One room shall be used as a play room for the children and the other as their bedroom. The rooms shall be constructed with specifications as per clause 19H (ii) a, b & c.
- ii) The rooms shall be provided with suitable and sufficient openings for light and ventilation. There shall be adequate provision of sweepers to keep the places clean.
- iii) The contractor shall supply adequate number of toys and games in the play room and sufficient number of cots and beddings in the bed room.
- iv) The contractor shall provide one ayaa to look after the children in the crèche when the number of women workers does not exceed 50 and two when the number of women workers exceed 50.
- v) The use of the rooms earmarked as crèches shall be restricted to children, their attendants and mothers of the children.

9. CANTEENS

- i) In every work place where the work regarding the employment of contractor labour is likely to continue for six months and where in contract labour numbering one hundred or more are ordinarily employed, an adequate canteen shall be provided by the contractor for the use of such contract labour.
- ii) The canteen shall be maintained by the contractor in an efficient manner.
- iii) The canteen shall consist of at least a dining hall, kitchen, storeroom, pantry and washing places separately for workers and utensils.
- iv) The canteen shall be sufficiently lighted at all times when any person has access toit.
- v) The floor shall be made of smooth and impervious materials and inside walls shall be lime washed or colour washed at least once in each year. Provided that the inside walls of the kitchen shall be lime washed every four months.
- vi) The premises of the canteen shall be maintained in a clean and sanitary condition.
- vii) Waste water shall be carried away in suitable covered drains and shall not be allowed to accumulate so as to cause a nuisance.
- viii) Suitable arrangements shall be made for the collection and disposal of garbage.
- ix) The dining hall shall accommodate at a time 30 per cent of the contract labour working at a time.
- x) The floor area of the dining hall, excluding the area occupied by the service counter and any furniture except tables and chairs shall not be less than one square metre (10 sft) per diner to be accommodated as prescribed in sub-Rule(ix).
- xi) (a) A portion of the dining hall and service counter shall be partitioned off and reserved for women workers in proportion to their number. (b) Washing places for women shall be separate and screened to secure privacy.
- xii) Sufficient tables stools, chairs or benches shall be available for the number of diners to be accommodated as prescribed in sub-Rule(ix).
- xiii) (a) 1. There shall be provided and maintained sufficient utensils crockery, furniture and any other equipment necessary for the efficient running of the canteen.
 - 2. The furniture utensils and other equipment shall be maintained in a clean and hygienic condition.
 - (b) 1. Suitable clean clothes for the employees serving in the canteen shall be provided and maintained.
 - 2. A service counter, if provided, shall have top of smooth and impervious material.
 - 3. Suitable facilities including an adequate supply of hot water shall be provided for the cleaning of utensils and equipments.
- xiv) The food stuffs and other items to be served in the canteen shall be in conformity with the normal habits of the contract labour.
- xv) The charges for food stuffs, beverages and any other items served in the canteen shall be basedon'NoProfit,Noloss'andshallbeconspicuouslydisplayedinthecanteen.
- xvi) In arriving at the price of foodstuffs, and other article served in the canteen, the following items shall not be taken into consideration as expenditure namely:
 - a) The rent of land and building.
 - b) The depreciation and maintenance charges for the building and equipments provided for the canteen.
 - c) The cost of purchase, repairs and replacement of equipments including furniture, crockery, cutlery and utensils.
 - d) The water charges and other charges incurred for lighting and ventilation.
 - e) The interest and amounts spent on the provision and maintenance of equipments provided for the canteen.
- xvii) The accounts pertaining to the canteen shall be audited once every 12 months by registered accountants and auditors.

10. ANTI-MALARIALPRECAUTIONS

The contractor shall at his own expense, conform to all anti-malarial instructions given to him by the Engineer-in-Charge including the filling up of any borrow pits which may have been dug by him.

11. The above rules shall be incorporated in the contracts and in notices inviting tenders and shall form an integral part of the contracts.

12. AMENDMENTS

AAI may, from time to time, add to or amend these rules and issue directions - it may consider necessary for the purpose of removing any difficulty which may arise in the administration there of.

AIRPORTS AUTHORITY OF INDIA Contractor's Labour Regulations

1. SHORTTITLE

These regulations may be called the AAI Contractors Labour Regulations.

2. **DEFINITIONS**

- (i) **Workman** means any person employed by AAI or its contractor directly or indirectly through a subcontractor with or without the knowledge of the AAI to do any skilled, semiskilled or unskilled manual, supervisory, technical or clerical work for hire or reward, whether the terms of employment are expressed or implied but does not include any person:-
- a) Who is employed mainly in a managerial or administrative capacity: or
- b) Who, being employed in a supervisory capacity draws wages exceeding five hundred rupees per mensem or exercises either by the nature of the duties attached to the office or by reason of powers vested in him, functions mainly of managerial nature :or
- c) Who is an out worker, that is to say, person to whom any article or materials are given out by or on behalf of the principal employers to be made up cleaned, washed, altered, ornamental finished, repaired adopted or otherwise processed for sale for the purpose of the trade or business of the principal employers and the process is to be carried out either in the home of the out worker or in some other premises, not being premises under the control and management of the principal employer. No person below the age of 14 years shall be employed to act as a workman.
- (ii) Fair Wages means wages whether for time or piece work fixed and notified under the provisions of the Minimum Wages Act from time to time.
- (iii) **Contractors** shall include every person who undertakes to produce a given result other than a mere supply of goods or articles of manufacture through contract labour or who supplies contract labour for any work and includes a subcontractor.
- (iv) Wages shall have the same meaning as defined in the Payment of Wages Act.
- 3. i) Normally working hours of an adult employee should not exceed 9 hours a day. The working day shall be so arranged that inclusive of interval for rest, if any, it shall not spread over more than 12 hours on any day.
 - ii) When an adult worker is made to work for more than 9 hours on any day or for more than 48 hours in any week, he shall be paid over time for the extra hours put in by him at double the ordinary rate of wages.
 - iii) a) Every worker shall be given a weekly holiday normally on a Sunday, in accordance with the provisions of the Minimum Wages (Central) Rules 1960 as amended from time to time irrespective of whether such worker is governed by the Minimum Wages Act or not.
 - b) Where the minimum wages prescribed by the Central/State Government under the Minimum Wages Act are not inclusive of the wages for the weekly day of rest, the worker shall be entitled to rest day wages at the rate applicable to the next preceding day, provided he has worked under the same contractor for a continuous period of not less than 6days.
 - c) Where a contractor is permitted by the Engineer-in-Charge to allow a worker to work on a normal weekly holiday, he shall grant a substituted holiday to him for the whole day on one of the five days immediately before or after the normal weekly holiday and pay wages to such worker for the work performed on the normal weekly holiday at over time rate.

4. DISPLAY OF NOTICE REGARDING WAGESETC.

The contractor shall before he commences his work on contract, display and correctly maintain and continue to display and correctly maintain in a clear and legible condition in conspicuous places on the work, notices in English and in the local Indian languages spoken by the majority of the workers giving the minimum rates of wages fixed under Minimum Wages Act, the actual wages being paid, the hours of work for which such wage are earned, wages periods, dates of payments of wages and other relevant information as per Appendix' VIII'.

5. PAYMENT OFWAGES

- (i) The contractor shall fix wage periods in respect of which wages shall be payable.
- (ii) No wage period shall exceed one month.
- (iii) The wages of every person employed as contract labour in an establishment or by a contractor where less than one thousand such persons are employed shall be paid before the expiry of seventh day and in other cases before the expiry of tenth day after the last day of the wage period in respect of which the wages are payable.
- (iv) Where the employment of any worker is terminated by or on behalf of the contractor the wages earned by him shall be paid before the expiry of the second working day from the date on which his employment is terminated.
- (v) All payment of wages shall be made on a working day at the work premises and during the working time and on a date notified in advance and in case the work is completed before the expiry of the wage period, final payment shall be made within 48 hours of the last working day.
- (vi) Wages due to every worker shall be paid to him direct or to other person authorised by him in this behalf.
- (vii) All wages shall be paid in current coin or currency or in both.
- (viii) Wages shall be paid without any deductions of any kind except those specified by the Central Government by general or special order in this behalf or permissible under the Payment of Wages Act1956.
- (ix) A notice showing the wages period and the place and time of disbursement of wages shall be displayed at the place of work and a copy sent by the contractor to the Engineer-in-Charge under acknowledgement.
- (x) It shall be the duty of the contractor to ensure the disbursement of wages in the presence of the Senior Superintendent Engg or authorised representative of the Engineer-in-Charge who will be required to be present at the place and time of disbursement of wages by the contractor to workmen.

Note: In case of payment of wages paid through bank, the contractor shall submit a copy of bank statement for relevant period duly signed by him.

6. FINES AND DEDUCTIONS WHICH MAY BE MADE FROM WAGES

- (i) The wages of a worker shall be paid to him without any deduction of any kind except the following:
 - a) Fines

Appendix-XII.

- b) Deductions for absence from duty i.e. from the place or the places where by the terms of his employment he is required to work. The amount of deduction shall be in proportion to the period for which he was absent.
- c) Deduction for damage to or loss of goods expressly entrusted to the employed person for custody, or for loss of money or any other deduction which he is required to account, where such damage or loss is directly attributable to his neglect or default.
- d) Deduction for recovery of advances or for adjustment of overpayment of wages, advances granted shall be entered in a register.
- e) Any other deduction which the Central Government may from time to time allow.
- (ii) No fines should be imposed on any worker save in respect of such acts and omissions on his part as have been approved of by the Chief Labour Commissioner.
 Note: An approved list of Acts and Omissions for which fines can be imposed is enclosed at

A.A.I.	CO	Page 89
--------	----	---------

- (iii) No fine shall be imposed on a worker and no deduction for damage or loss shall be made from his wages until the worker has been given an opportunity of showing cause against such fines or deductions.
- (iv) The total amount of fine which may be imposed in any one wage period on a worker shall not exceed an amount equal to three paise in a rupee of the total wages, payable to him in respect of that wage period.
- (v) No fine imposed on any worker shall be recovered from him by installment, or after the expiry of sixty days from the date on which it was imposed.
- (vi) Every fine shall be deemed to have been imposed on the day of the act or omission in respect of which it was imposed.

7. LABOURRECORDS

- (i) The contractor shall maintain a Register of persons employed on work on contract in Form XIII of the CL(R&A) Central Rules 1971 (Appendix-VI)
- (ii) The contractor shall maintain a Muster Roll register in respect of all workmen employed by him on the work under Contract in Form XVI of the CL (R&A) Rules 1971 (Appendix-VII).
- (iii) The contractor shall maintain a Wage Register in respect of all workmen employed by him on the work under contract in Form XVII of the CL (R&A) Rules 1971 (Appendix-VIII)
- (iv) **Register of accident** The contractor shall maintain a register of accidents in such form as may be convenient at the workplace but the same shall include the following particulars:
 - (a) Full particulars of the labourers who met with accident.
 - (b) Rate of Wages
 - (c) Sex
 - (d) Age
 - (e) Nature of accident and cause of accident
 - (f) Time and date of accident
 - (g) Date and time when admitted in Hospital
 - (h) Date of discharge from the Hospital
 - (i) Period of treatment and result of treatment
 - (j) Percentage of loss of earning capacity and disability as assessed by Medical officer
 - (k) Claim required to be paid under Workmen's Compensation Act.
 - (1) Date of payment of compensation
 - (m) Amount paid with details of the person to whom the same was paid
 - (n) Authority by whom the compensation was assessed.
 - (o) Remarks
- (v) The contractor shall maintain a **Register of Fines** in the Form XII of the CL(R&A) Rules 1971(Appendix-XIII).
 - The contractor shall display in a good condition and in a conspicuous place of work the approved list of acts and omissions for which fines can be imposed (Appendix-XII)
- (vi) The contractor shall maintain a **Register of deductions for damage or loss** in Form XX of the CL (R&A) Rules 1971(Appendix-XIV)
- (vii) The contractor shall maintain a **Register of Advances** in Form XXIII of the CL (R&A)Rules 1971(Appendix-XV)
- (viii) The contractor shall maintain a **Register of Overtime** in Form XXIII of the CL(R&A)Rules 1971(Appendix-XVI).

8. ATTENDANCE CARD-CUM-WAGESLIP

- (i) The contractor shall issue an **Attendance card-cum-wage** slip to each workman employed by him in the specimen form at(Appendix-IX)
- (ii) The card shall be valid for each wage period.
- (iii) The contractor shall mark the attendance of each workman on the card twice each day, once at the commencement of the day and again after the rest interval, before he actually starts work.
- (iv) The cards hall remain in possession of the worker during the wage period under reference.

- (v) The contractor shall complete the wage slip portion on the reverse of the card at least a day prior to the disbursement of wages in respect of the wage period under reference.
- (vi) The contractor shall obtain the signature or thumb impression of the worker on the wage slip at the time of disbursement of wages and retain the card with himself.

9. EMPLOYMENTCARD

The contractor shall issue an **Employment Card** in Form XIV of the CL (R&A) Central Rules 1971 to each worker within three days of the employment of the worker(Appendix-X).

10. SERVICECERTIFICATE

On termination of employment for any reason whatsoever the contractor shall issue to the workman whose services have been terminated, a **Service certificate** in Form XV of the CL(R&A) Central Rules 1971.

11. PRESERVATION OF LABOURRECORDS

All records required to be maintained under Regulations Nos. 6 & 7 shall be preserved in original for a period of three years from the date of last entries made in them and shall be made available for inspection by the Engineer-in-Charge or Labour Officer or any other officers authorised by the Ministry of Urban Development in this behalf.

12. POWER OF LABOUR OFFICER TO MAKE INVESTIGATIONS ORENQUIRY

The Labour Officer or any person authorised by Central Government on their behalf shall have power to make enquiries with a view to ascertaining and enforcing due and proper observance of Fair Wage Clauses and the Provisions of these Regulations. He shall investigate into any complaint regarding the default made by the contractor or subcontractor in regard to such provision.

13. REPORT OF LABOUROFFICER

The Labour Officer or other persons authorised as aforesaid shall submit a report of result of his investigation or enquiry to the Engineer-in-Charge concerned indicating the extent, if any, to which the default has been committed with a note that necessary deductions from the contractor's bill be made and the wages and other dues be paid to the labourers concerned. In case an appeal is made by the contractor under Clause 13 of these regulations, actual payment to labourers will be made by the Engineer-in-Charge after G.M. Engg. has given his decision on such appeal.

(i) Engineer-in-Charge shall arrange payments to the labour concerned within 45 days from the receipt of the report from the Labour Officer or the G.M. Engineer as the case maybe.

14. APPEAL AGAINST THE DECISION OF LABOUROFFICER

Any person aggrieved by the decision and recommendations of the Labour Officer or other person so authorised may appeal against such decision to the Engineer-in-Charge concerned within 30 days from the date of decision, but subject to such appeal, the decision of the officer shall be final and binding upon the contractor.

15. PROHIBITION REGARDING REPRESENTATION THROUGHLAWYER

- (i) A workman shall be entitled to be represented in any investigation or enquiry under these regulations by:
- a) An officer of a registered trade union of which he is a member.
- b) An officer of a federation of trade unions to which the trade union referred to in Clause (a) is affiliated.

- c) Where the employer is not a member of any registered trade union, by an officer of a registered trade union, connected with the industry in which the worker is employed or by any other workman employed in the industry in which the worker is employed.
- (ii) An employer shall be entitled to be represented in any investigation or enquiry under these regulations by:
- a) An officer of an association of employers of which he is a member.
- b) An officer of a federation of associations of employers to which association referred to in Clause (a) is affiliated.
- c) Where the employers is not a member of any association of employers, by an officer of association of employer connected with the industry in which the employer is engaged or by any other employer, engaged in the industry in which the employer is engaged.
- (iii) No party shall be entitled to be represented by a legal practitioner in any investigation or enquiry under these regulations.

16. INSPECTION OF BOOKS ANDSLIPS

The contractor shall allow inspection of all the prescribed labour records to any of his workers or to his agent at a convenient time and place after due notice is received or to the Labour Officer or any other person, authorised by the Central Government on his behalf.

17. SUBMISSION OFRETURNS

The contractor shall submit periodical returns as may be specified from time to time.

18. AMENDMENTS

The Central Government/AAI may from time to time add to or amend the regulations and on any question as to the application/interpretation or effect of those regulations the decision of the General Manager (Engg.) concerned shall be final.

APPENDIX-I

	1. The Engineer-in-charge,

APPENDIX -XVIII

INTEGRITY PACT

The integrity pact shall be signed by both the parties in the following format

AND

.....represented by of the other part, hereinafter called the "Bidder/Contractor" (which term shall unless excluded by or is repugnant to the context be deemed to include its heirs, representatives, successors and assigns of the Bidder/Contractor)

WHEREAS the Authority is desirous to make its business mechanism more transparent, thus to ensure strict adherence of the aforesaid objectives/goals, the Authority hereby adopts the instrument developed by the renowned international non-governmental organization "Transparency International" (T I) headquartered in Berlin (Germany). The Authority will appoint an Independent External Monitor (IEM) who will monitor the tender process and the execution of the contract for compliance with the principles mentioned above.

1. Commitments of the Authority;

The Authority undertakes that no official of the Authority, connected directly or indirectly with the contract, will demand, take a promise for or accept, directly or through intermediaries, any bribe, consideration, gift, reward, favour or any material or immaterial benefit or any other advantage from the BIDDER, either for themselves or for any person, organization or third party related to the contract in exchange for an advantage in the bidding process, bid evaluation, contracting or implementation process related to the contract.

The Authority will, during the pre-contact stage, treat all BIDDERs alike, and will provide to all BIDDERs the same information and will not provide any such information to any particular BIDDER which could afford an advantage to that particular BIDDER in comparison to other Bidders.

All the officials of the Authority will report to the appropriate authority officeany attempted or completed breaches of the above commitments as well as any substantial suspicion of such breach.

In case any such preceding misconduct on the part of such official(s) is reported by the BIDDER to the Authority with full and verifiable facts and the same is prima facie found to be correct by the Authority, necessary disciplinary proceedings, or any other action as deemed fit, including criminal proceedings may be initiated by the Authority and such a person shall be debarred from further dealings related to the contract process. In such a case while an enquiry is being conducted by the Authority the proceedings under the contract would not be stalled.

1. Commitments of Bidders/Contractor.

The Bidder/Contractor commits itself to take all measures necessary to prevent corrupt practice, unfair means and illegal activities during any stage of its bid or during any pre-contract or post-contract stage in order to secure the contract or in furtherance to secure it and in particular commit itself to the following.

The Bidder/Contractor will not offer, directly or through intermediaries, any bribe, gift, consideration, reward, favour, any material or immaterial benefit or other advantage, commission, fees, brokerage or inducement to any official of the Authority, connected directly or indirectly with the bidding process, or to any person, organization or third party related to the contract in exchange for any advantage in the bidding, evaluation, contracting and implementation of the contract.

The Bidder/Contactor further undertakes that it has not given, offered or promised to give, directly or indirectly any bribe, gift, consideration, reward, favour, any material or immaterial benefit or other advantage, commission, fees, brokerage or inducement to any official of the Authority or otherwise in procuring the Contract or forbearing to do or having done any act in relation to the obtaining or execution of the contract or any other contract with the Authority for showing or

for bearing to show favour or dis favour to any person in relation to the contract or any other contract with the Authority.

The Bidder / Contactor has not entered and will not enter with other bidders into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specification, certifications, subsidiary contracts, submission or non-submission of bids or any actions to restrict competitiveness or to introduce cartelization in the bidding process.

The Bidder/Contractor shall, when presenting his bid, disclose the name and address of agents and representatives and Indian BIDDERs shall disclose their foreign principals or associates.

The Bidder/Contactor shall when presenting his bid disclose any and all the payments he has made or, is committed to or intends to make to agents/brokers or any other intermediary, in connection with thisbid/contract.

The Bidder/Contractor further confirms and declares to the Authority that the BIDDER is the original manufacturer/integrator/ authorized government sponsored export entity of the stores and has not engaged any individual or firm or company whether Indian or foreign to intercede, facilitate or in any way to recommend to the Authority or any of its functionaries, whether officially or unofficially to the award of the contract to the BIDDER, nor has any amount been paid, promised or intended to be paid to any such individual, firm or company in respect of any such intercession, facilitation or recommendation.

The Bidder/Contractor, either while presenting the bid or during pre-contract negotiations or before signing the contract, shall disclose any payments he has made or has committed to or intends to make to officials of the Authority or their family members, agents, brokers or any other intermediaries in connection with the contract and the details of services agreed upon for such payments.

The Bidder/Contractor will not collude with other parties interested in the contract to impair the transparency, fairness and progress of the bidding process, bid evaluation, contracting and implementation of the contract.

The Bidder/Contractor will not accept any advantage in exchange for any corrupt practice, unfair means and illegal activities.

The Bidder / Contactor shall not use improperly, for purposes of competition or personal gain ,or pass on to others, any information provided by the Authority as part of the business relationship, regarding plans, technical proposals and business details, including information contained in any electronic data carrier. The Bidder / Contractor also under takes to exercise due and adequate care lest any such information is divulged.

The Bidder/Contractor will inform to the Independent External Monitor.

i) If he receives demand for an illegal/undue payment /benefit.

- ii) If he comes to know of any unethical or illegal payment/benefit.
- iii) If he makes any payment to any Authority's associate(s)

The Bidder/Contactor commits to refrain from giving any complaint directly or through any other manner without supporting it with full and verifiable facts.

The Bidder/Contactor shall not instigate or cause to instigate any third person to commit any of the actions mentioned above.

If the Bidder/Contractor or any employee of the Bidder/Contractor or any person acting on behalf of the Bidder/ Contractor, either directly or indirectly, is a relative of any of the officers of the Authority, or alternatively, if any relative of an officer of the Authority has financial interest/stake in the Bidder's/Contractor's firm, the same shall be disclosed by the Bidder/Contractor at the time filing of tender. The term 'relative' for this purpose would be as defined in Section 6 of the Companies Act1956.

The Bidder/Contractor shall not lend to or borrow any money from or enter into any monetary dealings or transactions, directly or indirectly, with any employee of the Authority.

That if the Bidder/ Contractor, during tender process or before the award of the contract or during execution of the contract/work has committed a transgression in violation of section 2 or in any other form such as to put his reliability or credibility as Bidder/Contractor into question, the Authority is entitled to disqualify him from the tender process or to terminate the contract for such reason and to debar the BIDDER from participating in future bidding processes.

2. Previous Transgression

The Bidder/Contractor declares that no previous transgression occurred in the last three years immediately before signing of this Integrity Pact, with any other company in any country in respect of any corrupt practices envisaged hereunder or with any Public Sector Enterprise in India or any Government Department in India that could justify Bidder's exclusion from the tender process.

The Bidder/Contractor agrees that if it makes incorrect statement on this subject, he can be disqualified from the tender process or the contract, if already awarded, can be terminated for such reason and he may be considered for debarment for future tender/contract processes.

That the Bidder/Contractor undertakes to get this Pact signed by the subcontractor (s) and associate(s) whose value of the work contribution exceeds Rs 0.5 Cr. (Rupees zero point five Cr.) and to submit the same to the Authority along-with the tender document/contract before contract signing.

3.4. That sub-contractor(s)/ associate(s) engaged by the Contractor, with the approval of the Authority after signing of the contract, and whose value of the work contribution exceeds Rs 0.5 Cr. (Rupees Zero point five Cr.) will be required to

A.A.I.	CO	Page 121
--------	----	----------

sign this Pact by the Contractor, and the same will be submitted to the Authority before doing/ performing any act/ function by such subcontractor(s) / associate(s) in relation to the contract/ work.

That the Authority will disqualify from the tender process all Bidder(s) who don't sign this Pact or violate its provisions or fails to get this Pact signed in terms of policy of authority

That if the Contractor(s) does/ do not sign this Pact or violate its provisions or fails to get this Pact signed in terms of policy of authority. Authority will terminate the contract and initiate appropriate action against suchContractor(s).

4. Earnest Money, Security Deposit, Bank Guarantee, Draft, Pay order or any other mode and its validity i/c Warranty Period, Performance Guarantee/Bond.

While submitting bid, the BIDDER shall deposit an EMD / SD / BG / DRAFT / PAY ORDER ETC I/C WARRANTY PERIOD, PG/BOND, VALIDITY etc., which is

as per terms and conditions and details given in NIT / tender documents sold to the Bidders.

5. Sanctions for Violations/Disqualification from tender process and exclusion from future Contacts.

Any breach of the aforesaid provisions by the BIDDER or any one employed by it or acting on its behalf (whether with or without the knowledge of the BIDDER) shall entitle the Authority to take all or any one of the following actions, wherever required:

- i) To immediately call off the pre contract negotiations without assigning any reason or giving any compensation to the BIDDER. However, the proceedings with the other BIDDER(s) would continue.
- ii) To immediately cancel the contract, if already signed, without giving any compensation to the BIDDER.
- iii) If the Authority has disqualified / debarred the Bidder from the tender process prior to the award under section 2 or 3 or 4, the Authority is entitled to forfeit the earnest money deposited/bid security.
- iv) To recover all sums already paid by the Authority, and in case of an Indian BIDDER with interest thereon at 2% higher than the prevailing Prime Lending Rate of State Bank of India, while in case of a BIDDER from a country other than India with interest thereon at 2% higher than the LIBOR. If any outstanding payment is due to the BIDDER from the Authority in connection with any other contract or any other stores, such outstanding payment could also be utilized to recover the aforesaid sum and interest.

- v) To en-cash the advance bank guarantee and performance bond/warranty bond, if furnished by the BIDDER, in order to recover the payments, already made by the BUYER, along with interest.
- vi) To cancel all or any other Contracts with the BIDDER. The BIDDER shall be liable to pay compensation for any loss or damage to the Authority resulting from such cancellation/rescission and the Authority shall be entitled to deduct the amount so payable from the money(s) due to the BIDDER.
- vii) To debar the BIDDER from participating in future bidding processes for a period upto two years.
- viii) To recover all sums paid in violation of this Pact by BIDDER(s) to any middleman or agent or broker with a view to securing the contract.
- ix) In case where irrevocable Letters of Credit have been received in respect of any contract signed by the Authority with the BIDDER, the same shall not be opened.
- x) Forfeiture of Performance Bond in case of a decision by the BUYER to forfeit the same without assigning any reason for imposing sanction for violation of this Pact.
- xi) That if the Authority have terminated the contract under section 2 or 3 or 4 or if the Authority is entitled to terminate the contract under section 2 or 3 or 4, the Authority shall be entitled to demand and recover from the contractor damages equivalent to 5% of the contract value or the amount equivalent to security deposit or performance bank guarantee, whichever is higher.
- xii) That the Bidder / Contractor agrees and undertakes to pay the said amount without protest or demur subject only to condition that if the Bidder/Contractor can prove and establish to the satisfaction of the Authority that the disqualification / debarment of the bidder from the tender process or the termination of the contract after award of the contract has caused no damage to the Authority.

The Authority will be entitled to take all or any of the actions mentioned at para 5.1 above.

(i) to (xii) of this Pact also on the Commission by the BIDDER or any one employed by it or acting on its behalf (whether with or without the knowledge of the BIDDER), of an offence as defined in Chapter IX of the Indian Penal code, 1860 or Prevention of Corruption Act, 1988 or any other statute enacted for prevention of corruption.

That if the Bidder/Contractor applies to the Authority for premature revocation of the debarment and proves to the satisfaction of the Authority that he has installed a suitable and effective corruption prevention system and also restored/recouped the damage, if any, caused by him, the Authority may, if thinks fit, revoke the debarment prematurely considering the facts and circumstances of the case, and the documents/evidence adduced by the Bidder/Contractor for first time default.

That a transgression is considered to have occurred if the Authority is fully satisfied with the available documents and evidence submitted along with Independent External Monitor's recommendations/suggestions that no reasonable doubt is possible in the matter.

The decision of the Authority to the effect that a breach of the provisions of this Pact has been committed by the BIDDER shall be final and conclusive on the BIDDER. However, the BIDDER can approach the Independent External Monitor(s) appointed for the purpose of this Pact.

6. Allegations against Bidders/Contractors/ Sub-Contractors/Associates:

That if the Authority receives any information of conduct of a Bidder/ Contractor or Sub- Contractor or of an employee or a representative or an associate of the Bidder, Contractor or Sub- Contractor which constitute corruption, or if the Authority has substantive suspicion in this regard, the Authority will inform the Vigilance Department for appropriate action.

7. Independent External Monitor(s),

- 7.1. That the Authority has appointed competent and credible Independent External Monitor(s) for this Pact.
- 7.2 The task of the Monitor(s) is to review independently and objectively, whether and to what extent the parties comply with the obligations under this Pact. He will also enquire into any complaint alleging transgression of any provision of this Pact made by the Bidder, Contractor or Authority.
- 7.3. That the Monitor(s) is not subject to any instructions by the representatives of the parties and would perform his functions neutrally and independently. He will report to the Chairperson of the Board of the Authority.
- 7.4 That the Bidder / Contractor accepts that the Monitor(s) has the right to access without restriction to all project documentation of the Authority including that provided by the Bidder/Contractor. The Bidder/Contractor will also grant the Monitor, upon his request and demonstration of a valid interest, unrestricted and unconditional access to his project documentation including minutes of meeting. The same is applicable to Sub Contractors and Associates. The Monitor is under obligation to treat the information and documents of the Authority and Bidder/Contractor / Sub- Contractors/ Associates withconfidentiality.
- 7.5. That as soon as the Monitor notices, or believes to notice, a violation of this Pact, he will so inform the management of the Authority and requestthe management

to discontinue or heal the violation, or to take other relevant action. The Monitor(s) can in this regard submit his recommendations/ suggestions. Beyond this, the Monitor(s) has no right to demand from the parties that they act in a specific manner, refrain from action or tolerate action.

That the Authority will provide to the Monitor(s) sufficient information about all meetings among the parties related to the project provided such meetings could have an impact on the contractual relations between the Authority and the Contractor / Bidder. The parties offer to the Monitor(s) the option to participate in such meetings.

That the Monitor(s) will submit a written report to the Chairperson of the Board of the Authority within 2 weeks from the date of reference or intimation to him by the Authority and, should the occasion arise, submit proposals for correcting problematic situations.

That if the Monitor(s) has reported to the Chairperson of the Board a substantiated suspicion of an offence under relevant Anti- Corruption Laws of India and the Chairperson has not, within reasonable time, taken visible action to proceed against such offence or reported it to the Vigilance Department, the Monitor may also transmit this information directly to the Central Vigilance Commissioner, Government of India.

The word 'Monitor' would include singular and plural.

8. Facilitation of Investigation.

In case of any allegation of violation of any provisions of this Pact or payment of commission, the Authority or its agencies shall be entitled to examine all the documents including the Books of Accounts of the BIDDER and the BIDDER shall provide necessary information and documents in English and shall extend all possible help for the purpose of such Examination.

9. Law and Place of Jurisdiction.

That this Pact is subject to provisions under Indian Law. The place of performance and jurisdiction is the Corporate Headquarter /the Regional Headquarter / office of the Authority, as applicable.

10. Other Legal Actions

That the changes and supplements as well as termination notice need to be made in writing.

That if the Bidder / Contractor are a partnership or a consortium, this Pact must be signed by all the partners and consortium members or their authorized representatives.

11. Pact duration(Validity)

That this Pact comes into force when both the parties have signed it. It expires for the Contractor 12 months after the final payment under the respective contract, and for all other Bidders 3 months after the contract is awarded.

- 11.2. That if any claim is made / lodged during this period, the same shall be binding and continue to be valid despite the lapse of this Pact as specified herein before, unless it is discharged/determined by Chairman of the Authority.
- 11.3 That should one or several provisions of this Pact turn out to be invalid; the remainder of this Pact shall remain valid. In this case, the parties will strive to come to an agreement to their original intentions.

12.	Company	Code of	Conduct
-----	---------	---------	---------

Bidders are also advised to have a company code of conduct (clearly rejecting the use of bribes and other unethical behavior) and a compliance program for the implementation of the code of conduct throughout the company.

	implementation of the code of conduct throughout the company.	. 0

- 2. If % is not filled in by the contractor against one or more subhead in this schedule, then 75% of the net payment admissible as per AAI for the subhead under consideration shall be paid directly to specialized agency in case of composite contract.

Appendix - XX

INDENTURE FOR SECURED ADVANCES

(Reference Clause 10 B)

WHEREAS by an agreement dated (hereinafter called the said agreement) the Contractor has agreed AND WHEREAS the Contractor has applied to the AAI that he may be allowed advances on the security of materials absolutely belonging to him and brought by him to the site of the works the subject of the said agreement for use in the construction of such of the works as he has undertaken to execute at rates fixed for the finished work (inclusive of the cost of materials and labour and other charges) AND WHEREAS the AAI has agreed to advance to the Contractor the sum of Rupees on the security of materials the quantities and other particulars of which are detailed in Accounts of Secured Advances attached to the Running Account Bill for the said works signed by the Contractor on and the AAI has reserved to himself the option of making any further advance or advances on the security of other materials brought by the Contractor to the site of the said works. Now THIS INDENTURE WITNESSETH that in pursuance of the said agreement and in consideration of the sum of Rupees on or before the execution of these presents paid to the Contractor by the AAI (the receipt whereof the Contractor doth hereby acknowledge) and of such further advances (if any) as may be made to him as aforesaid the Contractor doth hereby covenant and agree with the AAI and declare as follows: -

- 2. That the materials detailed in the said Account of Secured Advances which have been offered to and accepted by the AAI as security are absolutely the Contractor's own property and free from encumbrances of any kind and the contractor will not make any application for or receive a further advance on the security of materials which are not absolutely his own property and free fromencumbrances of any kind and the Contractor indemnifies the AAI against all claims to any materials in respect of which an advance has been made to him as aforesaid.
- 3. That the materials detailed in the said Account of Secured Advances and all other materials on the security of which any further advance or advances may hereafter be made as aforesaid (hereinafter called the said materials) shall be used by the Contractor solely in the execution of the said works in accordance with the

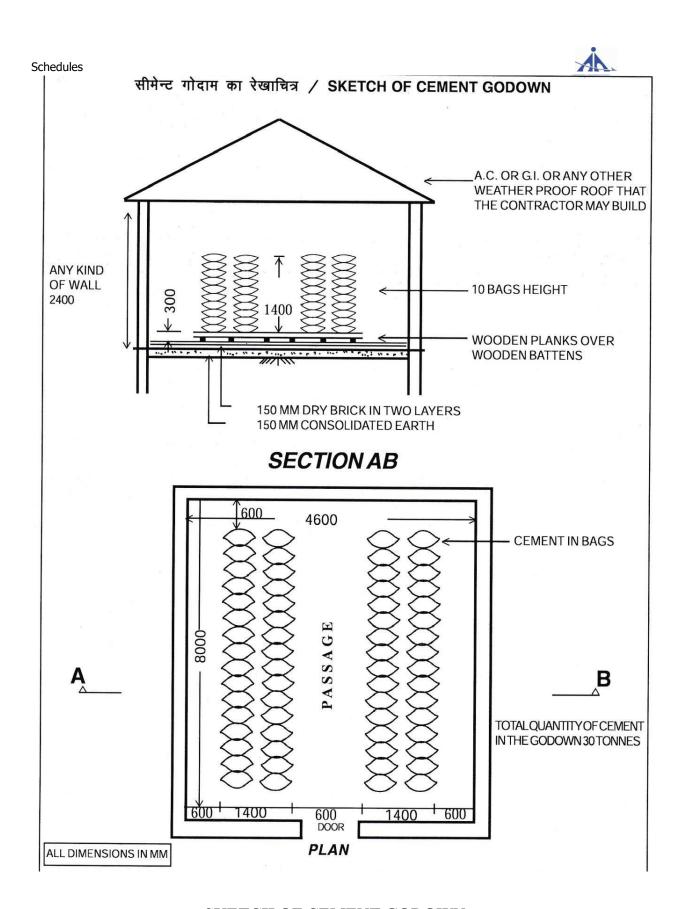

- directions of the Engineer-in-Charge of the project (hereinafter called the Engineer-in-Charge) and in the term of the said agreement.
- 4. That the Contractor shall make at his own cost all necessary and adequate arrangements for the proper watch, safe custody and protection against all risks of the said materials and that until used in construction as aforesaid the said materials shall remain at the site of the said works in the Contractor's custody and on his own responsibility and shall at all times be open to inspection by the Engineer-in- Charge or any officer authorised by him. In the event of the said materials or any part thereof being stolen, destroyed or damaged or becoming deteriorated in a greater degree than is due to reasonable use and wear thereof the Contractor will forthwith replace the same with other materials of like quality or repair and make good the same as required by the Engineer-in-Charge.
- 5. That the said materials shall not on any account be removed from the site of the said works except withthe written permission of the Engineer-in-Charge or an officer authorised by him on that behalf.
- 6. That the advances shall be repayable in full when or before the Contractor receives payment from the AAI of the price payable to him for the said works under the terms and provisions of the said agreement. Provided that if any intermediate payments are made to the Contractor on account of work done than on the occasion of each such payment the AAI will be at liberty to make a recovery from the Contractor's bill for such payment by deducting there from the value of the said materials then actually used in the construction and in respect of which recovery has not been made previously, the value for this purpose being determined in respect of each description of materials at the rates at which the amounts of the advances made under these presents were calculated.
- 7. That if the Contractor shall at any time make any default in the performance or observance in any respect of any of the terms and provisions of the said agreement or of these presents the total amount of the advance or advances that may still be owing to the AAI shall immediately on the happening of such default be repayable by the Contractor to the President together with interest thereon at twelve per cent per annum from the date or respective dates of such advance or advances to the date of repayment and with all costs charges, damages and expenses incurred by the President in or for the recovery thereof or the enforcement of this security or otherwise by reason of the default of the Contractor and the Contractor hereby covenants and agrees with the President to repay and pay the same respectively to him accordingly.

A.A.I. C.....I.....O...... Page 129

- a. Size and utilize the said materials or any part thereof in the completion of the said works on behalf
- of the Contractor in accordance with the provisions in that behalf contained in the said agreement debiting the Contractor with the actual cost of effecting such completion and the amount due in respect of advances under these presents and crediting the Contractor with the value of work done as if he had carried it out in accordance with the said agreement and at the rates thereby provided. If the balance is against the Contractor, he is to pay same to the AAI on demand.
- b. Remove and sell by public auction the seized materials or any part thereof and out of the moneys arising from the sale retain all the sums aforesaid repayable or payable to the AAI under these presents and pay over the surplus (if any) to the Contractor. Deduct all or any part of the moneys owing out of the security deposit or any sum due to the Contractor under the said agreement.
- 9. That except in the event of such default on the part of the Contractor as aforesaid interest on the said advance shall not be payable.

Clause 10 CA: Not Applicable

Materials covered under this clause	Nearest Material (other than cement*, reinforcement bars, structural steel & Bitumen) for which All India Wholesale Price index is to be followed	Base price and its corresponding period of all the material evered under clause 10 CA
1. Cement (OPC/ PPC)	Index valid on the last and receipt of the der.	Base price for cement and reinforcement steel to be determined as issued under authority of DG (Works). CPWD or concerned Zonal Chief Engineer, CPWD as on
2. Reinforcement steel bars (TMT) 3. Structural Steel 4. Bitumen	In ex valid on the last day of receipt of tender.	last date of receipt of tender. In case base price for cement, reinforcement steel and Bitumen as to be issued by CPWD is not available concerned ED(Engg) empowered to determine the same.

*Note:

- 1. Includes cement component used in RMC brought at site from outside approved RMC plants, if any.
- 2. Base price and its corresponding period of all the materials covered under clause 10CA is to be mentioned at the time of approval of NIT. In case of recall of tenders, the base price may be modified by adopting latest base price and its corresponding period.

Clause 10 CC: Not Applicable

endse to ee trocrippiicable	
Clause 10CC to be applicable in contracts with	
stipulated period of completion exceeding the	
period shown in next column	

Schedule of component of other materials, Labour, POL etc. for fice escalation.

	(ii) @ 1.35 m3 per 100 m2 and bitumen emulsion @2 Kg per m2 600 Sq.m. or	
	(iii) @ 1.25 m3 per 100 m2 with roadtar @2.25 Kg per m2	600 Sq.m.
	(b) For 2nd Coat, stone aggregate 10 mm nominal size 0.9 Cu.m. per 100Sq.m with	
	(i) 1kg of paving bitumen A-90 or S-90 or bitumen emulsion per Sq.m. or	
	(ii) 1.25 Kg. of road tar, per Sq.m. 600 Sq.m.	600Sq.m.
9.	Re-painting with stone aggregate 10 mm nominal size 0.9 Cu.m. per 100 Sq.m. with	
	(i) 1kg of paving bitumen A-90 or S-90 per Sq.m. ;k or	
	(ii)1.25 kg of bitumen emulsion per Sq.m. 1670 Sq.m.	1670 Sq.m.
10.	2 cm premix carpet surfacing using 2.4 m3 of stone aggregate 10 mm nominal size per 100 m2 and binder including tack coat, the binder being hot cut back bitumen or bitumen emulsion in specified quantities.	930 Sq.m
11.	2.5 cm premix carpet surfacing using 3 m3 of stone aggregate 10 mm nominal size per 100 m2and binder including tack coat, the binder being hot cut back bitumen or bitumen emulsion in specified Quantities.	930 Sq.m

12.	4 cm thick bitumen concrete surfacing using stone aggregate 3.8 Cu.m. (60%20mm nominal size and 40% 12.5 mm nominal size) per 100m2 and coarse sand 1.9 Cu.m. per 100m2 and hot cut back bitumen over a tack coat of hot cut back bitumen.	460 Sq.m.
13.	5 cm thick bitumen concrete surfacing using stone aggregate 4.8 Cu.m. (60%25 mm nominal size and 40% 20 mm nominal size) per 100m2 and coarse sand 2.4 Cu.m. per 100m2 and hot cut back bitumen over a tack coat of hot cut back bitumen.	370 Sq.m.
14.	6 cm thick bitumen concrete surfacing using stone aggregate 5.8 Cu.m. (60%40 mm nominal size and 40% 25 mm nominal size) per 100m2 and coarse sand 2.9 Cu.m. per 100m2 and hot cut back bitumen over a tack coat of hot cut back bitumen.	280 Sq.m.
15.	7.5 cm thick bitumen concrete surfacing using stone aggregate 7.3 Cu.m. (60%50 mm nominal size and 40% 40 mm nominal size) per 100m2 and coarse sand 3.65 Cu.m. per 100m2 and hot cut back bitumen over a tack coat of hot cut back bitumen.	230 Sq.m.
16.	2.5 cm bitumastic sheet using stone aggregate 1.65 Cu.m. (60% 12.5 mm nominal size 40% 10 mm nominal size) per 100 Sq.m. and coarse sand 1.65 Cu.m. per 100 Sq.m. and hot cut back bitumen over a tack coat of hot cut back bitumen.	750 Sq.m.
17.	4 cm bitumastic sheet, using stone aggregate 2.6 Cu.m. (60% 12.5 mm nominal size, 40% 10 mm nominal size) per 100 Sq.m. and coarse sand 2.5 Cu.m. per 100 Sq.m. and hot cut back bitumen over a tack coat of hot cut backbitumen.	560 Sq.m.
18.	Laying full grouted surface using stone aggregate 40 mm nominal size 6.10 Cu.m. per 100 Sq.m. with binder, binding with 20 mm to 12.5 mm nominal size stone grit. 1.83 Cu.m. per 100 Sq.m. and seal coat of binder and stone grit 10 mm nominal size, 1.07Cu.m. per 100Sq.m., the binder being hot bitumen or tar as specified.	460 Sq.m.
19.	Laying full grouted surface using stone aggregate 50 mm nominal size 9.14 Cu.m. per 100 Sq.m. with binder, binding with stone grit 20 mm to 12.5 mm nominal size 1.83 Cu.m. per 100 Sq.m. and seal coat of binder and stone grit 10 mm nominal size, 1.07Cu.m. per 100 Sq.m., the binder being hot bitumen or tar,	370 Sq.m.
20.	4cm. thick premix macadum surfacing using stone aggregate 25 mm nominal size 4.57 Cu.m. per 100 Sq.m. and hot bitumin binding with stone aggregate 12.5 mm nominal size 1.52 Cu.m. per 100 Sq.m. and seal coat of hot bitumen and stone aggregate 10 mm nominal size 1.07 Cu.m. per 100 Sq.m.	560 Sq.m.
21.	5cm. thick premix macadum surfacing using stone aggregate 25 mm nominal size 6.10 Cu.m. per 100 Sq.m. and hot bitumin binding with stone aggregate 12.5 mm nominal size 1.52 Cu.m. per 100 Sq.m. and seal coat of hot bitumen and stone aggregate 10 mm nominal size 1.07 Cu.m. per 100 Sq.m.	460 Sq.m.

Annexure-A

Format Consent Letter
Dispute Resolution Clause 25- Para ii (b)

To, The Chairman/Member/Regional Executive Director, Airports Authority of India,
SUB: Request for appointment of arbitrator under Clause of theagreement dated for
Sir/Madam,
We state that
2. Dispute related to arose between us (contractor/agency) and AAI.
3. On (date), dispute was referred to Mediation as per AAI Mediation Policy and any settlement on the following claims/disputes was not reached between the parties:
(i)
(ii)
(iii)
 A concise statement along with claim in respect of each of such disputes is attached herewith.
5. In view of the above, we invoke arbitration under clause of the
6. I/We also give my/ our consent for appointing any of an arbitrator from AAI's approved panel of arbitrators, as per paragraph-5 above.
Thanking you,
() Authorized signatory of
Encl: As above

Clause: Planning and Designing in purview of Vulnerability Atlas of India

Vulnerability Atlas of India (VAI) is a comprehensive document which provides existing hazard scenario for the entire country and presents the digitized State/UT — wise hazard, maps with respect to earthquakes, winds and floods for district-wise identification of vulnerable areas. It also includes additional digitized maps for thunderstorms, cyclones and landslides. The main purpose of this Atlas is its use for disaster preparedness and mitigation at policy planning and project formulation stage.

This Atlas is one of its kind single point source for the various stakeholders including policy makers, administrators, municipal commissioners, urban managers, engineers, architects, planners, public etc. to ascertain proneness of any city/location/site to multi-hazard which includes earthquakes, winds, floods thunderstorms, cyclones and landslides. While project formulation, approvals and implementation of various urban housing, buildings and infrastructures schemes, this Atlas provides necessary information for risk analysis and hazard assessment.

The Vulnerability Atlas of India has been prepared by Building Materials and Technology Promotion Council under Ministry of Housing and Urban Affairs, Government of India and available at their website www.bmtpc.org.

It is mandatory for the bidders to refer Vulnerability Atlas of India for multi-hazard risk assessment and include the relevant hazard proneness specific to project location while planning and designing the project in terms of:

- i) Seismic zone (II to V) for earthquakes,
- ii) Wind velocity (Basic Wind Velocity: 55, 50, 47, 44, 39 & 33 m/s)
- iii) Area liable to floods and Probable max. surge height
- iv) Thunderstorms history
- v) Number of cyclonic storms/ severe cyclonic storms and max sustained wind specific to coastal region
- vi) Landslides incidences with Annual rainfall normal
- vii) District wise Probable Max. Precipitation

Note Contractor is authorized to use any of the makes given above with prior intimation to of Engineer-incharge, no further approval for the same is required. Only approval of colour and design from E-I-C is required. For equivalent make decision shall be obtained from Engineer-In-Charge including cost adjustment, if any before the same is used in the work.

SPECIAL CONDITIONS OF CONTRACT

1. GENERAL

- 1.1 Special conditions of Contract shall be read in conjunction with General Conditions of Contract, Technical Specifications, Drawings and any other documents forming part of this contract wherever the context so requires.
- 1.2 Notwithstanding the sub-division of the documents into these separate sections and volume every part shall be deemed to be supplementary to and complementary of every other part and shall be read with and into the CONTRACT so far as it may be practicable to do so.
- 1.3 Where any portion of the General Condition of Contract is repugnant to or at variance with any provisions of the Special Conditions of Contract, unless a different intention appears, the provisions of the Special Conditions of Contract shall be deemed to over-ride the provisions of the General Conditions of Contract and shall to the extent of such repugnancy, or variations, prevail.
- 1.4 Nothing extra shall be payable on account of various activities to be performed as per special conditions of contract except where so specified.

2. COMPLETION SCHEDULE

- 2.1 Contractor shall have to plan his construction programme and activities so as to complete the work in the stipulated period by working in multiple shifts. Accordingly, contractor to ensure adequate lighting arrangement (Mobile Tower) as per site requirement. The period of completion given includes the time required for mobilization as well as testing, rectifications, if any, re-testing and completion in all respects to the entire satisfaction of Engineer-in-Charge.
- 2.2 After the Contract is awarded, within 15 days, the Contractor shall submit a Time and Progress Chart for each mile stone and get it approved by the Engineer-incharge. BAR chart showing the mile stone for completion of work within the stipulated time and as per conditions of the contract. The programme should clearly include Manpower, Material and Machinery, resources proposed to be deployed for achieving the targeted progress, justification for same based on machinery output, the date from which each machinery shall be available at site in working condition etc. complete. The programme shall be subject to the approval of engineer-in-Charge who may order changes in the programme. The decision of Engineer-in-Charge shall be final and binding in this regard.
- 2.3 Contractor is expected to mobilize and deploy sufficient resources as per the agreed programme to achieve the progress within the broad frame work of accepted methods of working and safety. Timely deployment of required machineries, equipment's, apparatus and instruments are to be treated as one of the sections of the work.

A.A.I	O T O	SCC- 1 of 15
A A I		
A.A.I	· · · · · · · · · · · · · · · · · · ·	30.0 - 1.01 1.3

- 2.4 No additional payment shall be made to the contractor for any multiple shift of working or any other methods contemplated by him in his work schedule even though the time schedule is approved by the Engineer-in-Charge.
- 2.5 During the currency of the work the contractor is expected to adhere to the time schedule on mile stone and total completion and this adherence will be a part of Contractor's performance under the contract.
- 2.6 The Engineers-in-Charge can hold the payment till such time; the contractor does not submit CPM/PERT Chart, Work Programme etc.

2.7 FOR MONITORING OF PROJECT

- 2.7.1 A PERT/CPM/BAR chart shall be submitted by the agency. Two copies of proposed BAR chart showing activities completed and backlog if any, should be submitted to the Engineer-in-Charge on monthly basis. The revised BAR chart with additional manpower/machinery/ labour deployment scheduled should also be submitted in case regular backlog is observed and revised programme is essential to complete the work within stipulated period and maintain timelines for individual activities.
- 2.7.2 The progress of work will be reviewed on weekly basis. The contractor has to submit every Monday progress achieved in the last week based on the proforma approved by Engineer-in-Charge. The proforma should indicate the physical progress achieved viz-a- viz targeted including tentative financial figure of work done during the week. The contractor will also submit the monthly progress report in the prescribed format indicating physical as well as financial progress achieved viz-a-viz targeted.
 - Para 2.7.1 & 2.7.2 shall be read in conjunction with clause 5 of General Conditions of Contract.
- 2.7.3 The approval to the revised schedule resulting in a completion date beyond the stipulated date of completion shall not automatically amount to grant of extension of time to the Contractor.
- 2.7.4 The extension of time (E.O.T.) shall be applied by the contractor and processed by the Engineer-in-charge and submitted to competent authority for sanction in parts as specified below:

Part Final-I: Immediately after expiry of half of the stipulated completion period.

Final EOT: After completion of the work.

2.7.5 Compensation for delay against GCC clause 2 for unjustified period of delay in completion of work shall be worked out on the basis of AAI guidelines/ T.I. in vogue for working out the losses to be recovered towards compensation for delay.

3. SCOPE OF WORK

3.1 Works to be carried out as per the Bill of Quantities /Structural details and design as approved by AAI and any other related works considered necessary.

4.	DRAWIN	GS AND	DOCUM	MENTS

ΑΑΤ	\mathbf{C} \mathbf{I} \mathbf{O}	SCC- 2 of 15
A.A.I	C	SCC- 2 01 15

- 4.1 The drawings accompanying the tender document are of indicative nature and issued for tendering purpose with the purpose to enable the tenderer to make an offer in line with the requirements of the AAI.
- 4.2 The execution of work shall be as per the "Approved drawings" and detailed specifications provided by Engineer-in-charge. No claim whatsoever, shall be entertained for variation in the approved for construction drawings and tender drawings.

ROYALTY ON MATERIALS

Royalty at the prevalent rates wherever payable, shall have to be paid by the Contractor on the boulders, metal, shingle, sand, good earth, bajri etc. or any other materials collected by him for the work direct to the revenue authority of the District/States Government concerned.

5. TEMPORARY WORKS

- 5.1 The Tenderer should see the approaches and conditions of the same. If any approach from main road is required at site or existing approach is to be made and maintained for cartage of materials etc. by the Contractor, the same shall be provided, improved and maintained by the Contractor at his own cost.
- 5.2 Wherever required, the contract shall segregate the site of work from operational area by providing barricade of 9-1/2 feet high with G.I. sheets fixed on wooden ballies or angle iron posts as directed by the Engineer-in-Charge. After completion of the work these shall be removed and taken away by the contractor. Cost of providing the barricades/fencing shall be borne by the contractor and shall be deemed to have included in the rates quoted by him. However in case no segregation of area is required, then decision of the Engineer-in-Charge/DGM, Engg.(Civil) will be final and binding and no deduction in this respect will be made from the bills of the contractor. Similarly nothing extra will be payable to the contractor to provide barricades etc.
- 5.3 All Temporary and ancillary works including enabling works connected with the work shall be responsibility of the Contractor and the price quoted by them shall be deemed to have included the cost of such works and nothing extra is payable on this account and these shall be removed by the contractor at his cost, immediately after completion of the work.
- 5.4 Site clearance (as per the requirements) shall be arranged by the contractor at his own cost and nothing extra shall be payable on this account. Also the contractor shall remove all malba & any unusable accessories, if required at no extra cost. All the salvageable materials received after demolitions, if any are to be stacked properly and handed over to Engineer-in-Charge. These dismantled materials shall be the property of the Airports Authority of India.

6. PAYMENTS

A.A.I	CIO	SCC- 3 of 15

- 6.1 The bill shall be submitted as per clause 6A of GCC on or before the date fixed by the Engineer-in-Charge for all the works executed since previous bill. The contractor shall submit all the bills on the Performa prescribed by the Engineer-in-Charge, through **computerized billing** in triplicate.
- 6.2 The payment shall be made from the AAI Office at LBSI Airport Varanasi.

7. INCOME TAX & LABOUR CESS

Income Tax/Labor CESS deductions shall be made from all payments made to the Contractor as per the rules and regulations in force in accordance with the Income Tax/labor CESS Act prevailing from time to time.

8. WATER

Generally water required for the work shall not be given by the AAI and it has to be arranged by the contractor. In case AAI water source is available near the worksite and water can be spared to the contractor as per direction of the Engineer-in Charge, the contractor may draw water from the AAI source as approved by Engineer-in Charge. Testing of water, if required shall be got done by the contractor and testing charges shall be borne by him. Wherever AAI water source is used by the contractor, 1% of gross bill amount (work done) shall be deducted from the running/final bill.

9. **POWER SUPPLY**

The Contractor shall make his own arrangement of power for construction as well as for general lighting at his own cost and make necessary payments directly to the Department / Authority concerned. The Contractor shall lay necessary wiring and arrange for main switch and meter at his own cost and remove, the same on completion / termination of the contract. In case AAI's electricity source is available near the work site and electricity can be spared to the contractor as per discretion of EIC, the contractor may draw electricity from the AAI's source as approved by the EIC. Necessary meter and connection from the approved source shall be arranged by the contractor. No extra payment towards meter and connection arrangement shall be paid by AAI. Wherever AAI's source of electricity is used by the contractor, charges as fixed by the local electricity board/authority for per unit shall be charged from the contractor.

10. **CONTRACT AGREEMENT**

- 10.1 The contract agreement shall be executed on a non-judicial stamp paper of value Rs.100/- and cost of the stamp paper shall be borne by the Contractor.
- 10.2 Contractor's tender including the letters of clarifications between the contractor and the AAI prior to the award of contract shall form a part of the Contract Agreement to the extent they have been accepted by AAI.

11. CONSTRUCTION EQUIPMENT

11.1 The contractor shall without prejudice to his overall responsibility to execute and complete the work as per specifications and time schedule, progressively deploy adequate equipments, tools, tackles and augment the same as decided by the Engineer-in-Charge depending on the exigencies of the work so as to suit the construction schedule.

A.A.I	C = I = O	SCC- 4 of 15
A.A.1	C	3CC-40113

11.2 No Construction equipment/scaffolding shall be supplied by the AAI.

12. <u>SITE ORGANISATION</u>

12.1 Subject to the provisions in the tender document and without prejudice to contractors' liabilities and responsibilities to provide adequate qualified and skilled personnel on the work. Contractor shall deploy site organization and augment the same as decided by the Engineer-in-Charge depending on the exigencies of work. No engineering personnel deployed at site shall be removed from the site without prior approval of the Engineer-in-charge.

13. <u>Labour Camps</u>

13.1 No labor camps will be allowed in the airport area.

14. <u>INSPECTION OF SITE AND TESTING</u>

- 14.1 The Engineer-in-Charge or his authorized representative shall have full power to inspect any portion of the work, examine the materials and workmanship at the contractors works or at any other place from where the material is obtained. Acceptance of any material shall in no way relieve the contractor of his responsibility for meeting the requirement of the specifications.
- 14.2 Routine type tests for the various items of material shall be performed at the contractor's works and test certificates furnished. The contractor shall permit the Engineer-in-Charge or his authorized representative to be present during any of or all the tests. After notification to the Engineer-in-Charge that the work has been completed, the contractor shall make under the direction and in the presence of Engineer-in-Charge such tests and inspections as have been specified or as the Engineer-in-Charge shall consider necessary to determine whether or not the full intent of requirements of the plans and specifications have been fulfilled. In case the work does not meet the full intent of the specifications it shall be rectified by the Contractor at no extra cost and the contractor shall bear all the expenses for any further tests considered necessary.
- 14.3 The Engineer-in-Charge, may at his discretion, check the test results obtained at contractors laboratory by independent tests at an approved laboratory. The cost of such material, transport, cost of testing etc. shall be borne by the contractor.

15 ISSUANCE OF EXPERIENCE CERTIFICATE

Experience Certificate shall be issued to the agency only after completion of the work.

16. **ADMISSION TO SITE**

16.1 The work site belongs to AAI. For the works falling within the restricted area, execution shall be restricted to non-operational hours. The contractor shall apply for and obtain security clearance and security program to BCAS

A.A.I	C = I = O	SCC- 5 of 15
A.A.1	C	2CC- 2 01 12

through e-SAHAJ portal and thereafter airport security passes for all type of menpower & vehicles shall be permitted to enter the LBSI Airport Varanasi only on possession of the security passes issued by AAI / Security agencies on the recommendations of Engineer-in-charge. The contractor shall apply in writing in advance of the commencement of work for issue of security passes and shall submit a list of personnel concerned with their addresses and shall satisfy the Engineer-in-charge who shall at his discretion, have the right to recommend the issue of passes to control the admission of contract labour, his agents, his staff and workmen. The contractor shall ensure that his men shall work in areas / zones allotted to them. Passes shall be deposited with the Engineer-in-charge on demand and in any case immediately after completion of work. The contractor's staff/workmen shall observe all the rules promulgated from time to time by the concerned authorities such as prohibition of smoking & lighting, search of persons on entry and exit, etc. any person found violating the security rules laid down by the authorities will be expelled from the area without assigning any reason whatsoever and contractor shall have no claim on this account.

17 STORES AND MATERIALS

No storage accommodation will be arranged by AAI, contractor shall make all such arrangements at his own cost to the satisfaction of Engineer-in-Charge.

18. SITE FOR STACKING OF MATERIALS, MACHINES, INSTALLATIONS OF T&P AND CONSTRUCTION OF TEMPORARY HUTMENTS.

- 18.1 The contractor shall be allowed to install plants and machineries, store and stack the material within Airport premises in non-operational area subject to availability of land. In case sufficient land is not available within AAI premises then contractor will have to make arrangement on his own for parking of machineries, vehicles and construction of temporary hutments. Nothing extra on this account shall be payable to contractor. Location selected by Engineer-In-Charge shall be final and binding and nothing extra shall be payable to the contractor for any extra lead involved from the work site. The contractor shall not be permitted to enter on (other than for inspection purpose) or take possession of the site until instructed to do so by the Engineer-in-Charge in writing. The portion of the site to be occupied by the contractor shall be defined and/or marked on the site plan, failing which these shall be indicated by the Engineer-in-Charge at site and the contractor shall on no account be allowed to extend his operations beyond these areas. In respect of any land allotted to the contractor for purpose of or in connection with the contract, the contractor shall be a license subject to the following and such other terms and conditions as may be imposed by the licenser:
 - (i) LICENSE FEE FOR LAND ALLOTTED BY AAI The contractor shall not be permitted to enter in (other than for inspection purpose) or take possession of the site until instructed to do so by the Engineer-in-Charge in writing. The portion of the site to be occupied by the contractor shall be defined and/or

A.A.I	SCC- 6 of 15
ΔΔΙ	

marked on the site plan, failing which these shall be indicated by the Engineer-in-Charge at site and the contractor shall on no account be allowed to extend his operations beyond these areas. In respect of any land allotted to the contractor for purpose of or in connection with the contract, the contractor shall be issued a license subject to the following and such other terms and conditions as may be imposed by the licenser:

- (ii) Land/space (paved/unpaved/Covered-AC or Non-AC), to the extent allotted to contractor during execution of work for the purpose of installation of plants, labour camps cement godown, site office, stacking of materials shall be provided at free of cost upto defect liability period/maintenance period. A Security deposit at the rate of Rs. 500/- per sqm in the form of DD/BG shall be deposited by the contractor. In case contractor do not deposit security deposit same shall be deducted from 1st Running Account Bill. Such security deposit shall be released only after allotted land has been fully vacated by the contractor to entire satisfaction of Engineer-in- Charge. If contractor fails to vacate the allotted land/space (paved/unpaved/covered-AC/Non-AC) after Defect Liability Period/Maintenance period of the work shall be charged as per prevailing license fee of the airport plus 25% penalty over that.
- (iii) That such use or occupation shall not confer any right of tenancy of the land to the contractor.
- (iv) That the contractor shall be liable to vacate the land on demand by the Engineer-in-Charge.
- (v) That the contractor shall have no right to any construction over this land without the written permission of the Engineer-in-Charge. In case, he is allowed to construct any structure he shall have to demolish and clear the same before handing over the completed work unless agreed to the contrary.
- 18.2 The contractor shall co-operate with any other agency working on the same project, compare plans, specifications and the time schedule and so arrange his work that there will be no interference. The contractor shall forward to the Engineer-in-charge all correspondence and drawings so exchanged. Failure to check plans for conditions will render the contractor responsible for bearing the cost of any subsequent change found necessary, contractor should co-ordinate in such a way that on no account there should be any disturbance to the work.

19 <u>STANDARD OF WORKMANSHIP</u>

- 19.1 The samples of the glass, frosted film, patch fittings, door lock, handles, floor spring, SS tubes/poles and other necessary fixtures/fittings being used in the work shall be submitted in the office of Engineer-In-charge for approval before execution.
- 19.2 To determine the acceptable standard of workmanship, the contractor shall execute portion of the item of work as specimen for approval of the Engineer-in-charge, before taking up the actual execution of the particular item or work.

A.A.I		SCC- 7 of 15
A A I		
	\ \(\lambda \cdot	

20. BYE-LAWS

- 20.1 The contractor shall comply with all by-laws and regulations of local and statutory authorities having jurisdiction over the works and shall be responsible for payment of all fees and other charges and for giving and receiving of all necessary notices and keeping the Engineer-in-Charge, informed of the said compliance with the bye-laws, payments made, notices issued and received.
- 20.2 The contractor shall indemnify the AAI against all claims in respect of patent rights, design, trademarks of name or other protected rights in respect of any plant, machine, work or materials used for or in connection with the work or temporary works and from and against all claims, demands proceedings, cost, charges and expenses whatsoever in respect of or in relation thereto. The contractor shall defend all actions arising from such claims and shall himself pay all royalties license fees, damages, costs and charges of all and every sort that may be legally incurred in respect thereto.

21. SITE PRECAUTIONS

- i) Any materials or T&P etc. found lying outside the sites approved by the Engineer-in-Charge shall be got removed by the Engineer-in-Charge at the risk and cost of the contractor.
- ii) With regard to construction safety measures, the contractor shall adhere to various Indian Standard Codes of Practice, requirements of Provincial Government and local Municipal Authority wherever the provisions of the latter two agencies shall be more stringent than the provisions of the former. When these codes do not exist, the contractor shall adhere to such safety measures as directed by the Engineer-in-Charge.
- iii) The contractor shall, during construction, provide barricades at his own cost as per specifications prescribed by the Engineer-in-Charge to segregate the working area to ensure safety of all concerned.
- iv) The contractor shall be responsible for any damage, resulting from his operations, either to buildings, structures, airport fixtures such as tower window glass panels, underground cable, contact lights, hard surface areas, water mains, other operational installations, Airport roads etc. The contractor shall restore, replace or repair any such damage to the complete satisfaction of the Engineer-in-Charge and in default the Engineer-in-Charge may cause the same to be made good by any other means and deduct the expenses from any sums due to contractor.
- 22. The contractor shall take all precautions to avoid all accidents by exhibiting necessary day & night caution boards, speed limit boards, red flags, red lights and providing barriers. He shall be responsible for all damages and accidents caused due to negligence on his part.

A.A.I	C = I = O	SCC-8 of 15
A.A.1	C	3CC- 0 01 13

- 23. No payment will be made to the contractor for damage caused by rains or other natural calamities during the execution of the works and no such claim on this account will be entertained.
- 24. The contractor shall remove the temporary barricades on completion of the work and leave the site in a neat and tidy state. The payment of final bill will be subject to the compliance of this condition by the contractor.

25. MATERIALS AT SITE

(a) Materials brought to the site by the contractor shall be stored by the contractor in a safe/dry storage space. The contractor shall be responsible for safe custody of materials at site till such time, the installation is commissioned and handed over to the Engineer-in-Charge.

26. ARRANGEMENT TO BE MADE BY THE CONTRACTOR AT SITE

- 26.1 Necessary registers and stationeries required for entering data and test results shall be provided by the contractor at his own cost as directed by the Engineer-in-Charge.
- 26.2 Necessary diesel/petrol/fuel & lubricants etc. for smooth running of all the equipments, vehicles and machineries deployed for the work shall be provided by the contractor at his own expenses. In the event of any break down of any vehicle/machineries deployed for the work, the contractor shall take prompt remedial measure to put them back in working condition and nothing extra will be paid. To minimize break down period, necessary spare parts shall be kept readily available at site by the contractor at his own expense.
- 26.3 The agency is also required to provide safety devices to the manpower deployed at site for the work as detailed below:
 - i) Safety helmets and foot wears are to be provided for the workers.
 - ii) Safety belts, protective Goggles, Hand gloves, Safety Jackets, etc are to be provided as per requirement and nature of job.

27 **RECOVERIES**

- i) In case the agency fails to provide the safety devices as specified above an amount of Rs. 100/- per head per day for safety devices shall be debited to the contractor's account.
- ii) However, these recoveries as stipulated above do not relieve the contractor to pay, levy of compensation for delay as per clause no. 2 of GCC, in case work is not completed within the stipulated time.

28 <u>SITE CONDITIONS, REQUIREMENTS AND SOURCES OF MATERIALS.</u>

a) The contractor shall be responsible for the true and proper setting out of the work and for the correctness of the positions levels, dimensions, alignments of all parts of the works and for the provisions of all necessary applications and labour in connections therewith.

	~	-	_	222 0 044
A.A.I	('	1	()	S('(' 0 5+ 14
A.A.I			. ()	SCC- 9 of 15

- b) If any time during the progress of the work any error may appear to arise in the position, levels, dimension or alignments of any part of the work the contractor on being required to do so by the Engineer-in-Charge shall at his own expense rectify such errors to the satisfaction of the Engineer-in-Charge.
- c) The checking or any setting out of any line by the Engineer-in-Charge or his representative shall not relieve in any way the contractor of responsibility for the correctness thereof and shall carefully project and preserve all bench mark site rails, pegs and other things used in the set is out of work.
- d) All duties concerning establishment of a set of bench marks permanent theodolite stations, centre of pillars etc. for performing all the functions till the physical completion of all items in question shall be carried out by the contractor at his own cost.
- e) He shall also keep proper record of such permanent bench marks established denoting therein their correct levels.
- f) The work establishing all such bench marks shall be carried out only by experience staff of the contractor with the help of precision instrument suitable for this type of work. The instruments shall be checked for their accuracy and for permanent adjustment before the commencement of the work and also frequent intervals during the progress of the work.
- g) All such bench marks established by the contractor shall be subjected to check and approval of the Engineer-in-Charge or duly representative and valuations noticed in the work as a result of improper establishment or maintenance of such bench marks shall be at the contractor's risk and expense.
- h) The contractor has to adjust his work and progress to work in co-ordination with other agencies working at site.
- i) The materials such as Good earth, morrum, coarse & fine aggregate, Sand and other materials shall be brought to site only after approval of the quarry / source by the Engineer-in-Charge.

29. APPARTITIONING OF WORK

The Airports Authority of India reserves the right to apparition the work at different levels amongst not more than two contractors, by negotiations if necessary.

30. <u>COMPARISON BETWEEN ALL BIDDERS FOR PAYMENT OF FINAL BILL</u>

30.1 Final bill will be worked out at the accepted tender rates and also with quoted rates of other bidders. The amount of final bill to be paid will be restricted to the lowest of all the bidders so that L-1 shall always remains L-1.

31. **<u>E-PAYMENT</u>**

The payments to the contractor shall be made through e-banking services. The contractor shall open an account in any of the Nationalized Bank having core banking facility for this purpose and shall intimate his account number, Name of branch with IFSC code number, PAN No. and other relevant details to E-I-C within 10 days of signing the agreement.

32. <u>Labour Laws</u>

A A T	\circ	SCC- 10 of 15
A.A.I	C	SUL - 10 OT 15

- 32.1 Independent contractor with separate PF code Number (Covered Establishment) The contractor's Establishment employing more than 20 persons are under statutory obligations to obtain independent PF code number from PF authorities for deposit of PF dues (Employees and employer's contribution) together with EDLI and administrative charges every month within 15 days of close of the month.
 - AAI is required to ensure that the PF due (i/c EDLI and administrative charges) in respect of contract workers engaged for AAI works have been deposited by the contractor every month by a separate challan and the documentary evidence in support of such payments along with employee wise details of the PF contribution (both employee's share and the employer's contribution) needs to be submitted to the officer in charge for the work / contract. A record of these documents should be maintained for each contractor for verification by the officers from the office of regional PF commissioner/EPFO.
- 32.2 Contractor not having PF code Number (Uncovered Establishment The contractors who are not covered EPF & MP Act, 1952, but for AAI "Obligation as principle employer, are required to ensure compliance for recovery and deposit of PF dues in respect of contract workers engaged for AAI work. Hence, such contractors are required to obtain PF code against the work order/contract with AAI for necessary compliance as brought out Para-1 above.
- 32.3 Recovery of Dues from the contractor (Sec. 8 A of PF & MP Act, 1952) In case the contractor fails to comply with the above statutory compliance, the dues on account of PF contribution (both employer's employees' contribution), EDLI and administrative charges payable of EPFC may be ascertained as per provision of the Act and recovered from the dues payable to the contractor, AAI shall be required to make payment of PF dues with PF authority under AAI PF code no. as un-exempted establishment for contract employees by due date every month to avoid penal action under the act. The details of such deductions when made should be reported to the CPF section at CHQ for further guidance /action in this regards.
- 32.4 All the manpower engaged by the contractor be provided Universal Account Number (UAN) by himself by appropriately registering them to the EPFO Portal, which can be done online.
 - a. The Agency must have their own Provident Fund Code/ Account Number registered with the Regional Provident Commissioner and registration with ESI Authorities.
 - b. On commencement of the work, the contractor shall continue to have valid PF and ESI Code Number till conclusion of the contract.
 - c. ESI contributions are not to be collected for construction site workers by the agency as per Hon'ble Supreme Court of India order dated 06/07/2018. Also no reimbursement on account of ESI contribution shall be given by AAI till further order by the Court/Govt. of India.
 - d. AAI reserves the right to withhold any payment if PF contributions are not paid by the contractors and proof to that effect have not been produced regularly.
 - e. All the contract workmen engaged should be paid wages by crediting the wages in his/her account through ECS after obtaining authorization from the contract

workers. The documentary evidence for the same shall be submitted monthly in the office of AGM (ENGG-CIVIL).

33. Field Laboratory:

- 33.1 The contractor at his own cost shall set up the field laboratory within 21 days from the schedule date of start of work a fully furnished and adequately calibrated equipped field laboratory as per work requirement and maintain the same by providing adequate technical and upkeep staff. The laboratory should have office space for engineers to do testing and store for storage of samples. The remaining space shall be provided for the installation of equipment, laboratory tables and cupboards, working space for carrying out tests, besides a wash basin/sink.
- 33.2 The contractor shall arrange necessary laboratory apparatus/equipment as required for various routine tests to be conducted as per specification for the items of work. Contractor shall arrange necessary steel tapes, leveling instrument and total station as per requirement at the site of work. Nothing extra shall be payable to contractor on this account.
- 33.3 In the event of failure to setup laboratory and provide equipment/apparatus required as per field test mentioned in CPWD or calibrated / substitute/ replace the equipment/ apparatus on account of maintenance/breakdown Rs. 400/- per day per equipment/apparatus shall be debited to the contractor's account.

34. <u>DAMAGE TO PERSON AND PROPERTY</u>

34.1 The Contractor shall indemnify and keep indemnified AAI against all losses and claims for injuries or damage to any person or any property whatsoever, which may arise out of or in consequence of the construction and maintenance of the works by them and against all claims, demands, and proceedings of or in relation thereof.

35. PERFORMANCE

The contractor shall perform all works in substantial and acceptable manner in accordance with the plans and specifications and in accordance with such further and explanatory drawings, details and instructions as may from time to time be given by the Engineer-in-Charge. The work must be progressed within such sections and at each time as directed by the Engineer-in-Charge.

The contractor shall provide and do everything necessary for the proper execution of the works according to the true intent and meaning of the drawing and specifications taken together whether the same may or may not be particularly shown on that drawings or described in the schedule of quantities, provided that the same can be reasonably inferred there from.

Figured dimensions to be followed in preference to scale dimensions and all dimension and particulars to be taken from the actual work.

It must be clearly understood that the whole of the conditions are intended to be strictly enforced and that no extra charges in respect of extra work will be allowed unless they are clearly outside the spirit and meaning of the conditions or unless such works shall have been ordered in writing by the Engineer-in-Charge.

A.A.I	CIO	SCC- 12 of 15

36. NUISANCE:

The Contractor shall not at anytime do, cause or permit any nuisance on the Site or do anything which shall cause unnecessary disturbance or inconvenience to owners, tenants or occupiers of other properties near the Site and to the Public generally.

37. **WATCHING AND LIGHTING:**

The Contractor shall provide and maintain at his own expense all lights, guards, fencing and watching when and where necessary or required by the Engineer-in-Charge for the protection of the Works or for the safety and convenience of those employed on the Works.

38. DUTIES AND POWERS OF ENGINEER-IN-CHARGES'S EPRESENTATIVE:

The duties of the representative of the Engineer-in-Charge, are to watch and supervise the Works and to test and examine any materials to be used or workmanship employed in connection with the Works. He shall have no authority to order any work involving any extra payment by AAI nor to make any variation in the Works.

- 38.1 The Engineer-in-Charge may from time to time in writing delegate to his Representative any of the powers and authorities vested in the Engineer-in-Charge and shall furnish to the Contractor a copy of all such written delegation of powers and authorities. Any written instruction or written approval given by the Representative of the Engineer-in-Charge to the Contractor within the terms of such delegations shall bind the Contractor and AAI as though it had been given by the Engineer-in-Charge.
- 38.2 Failure of the Representative of the Engineer-in-Charge to disapprove any work or materials shall not prejudice the power of the Engineer-in-Charge thereafter to disapprove such work or materials and to order the pulling down, removal or breaking up thereof.
- 38.3. If the Contractor shall be dissatisfied with any decision of the Representative of the Engineer-in-Charge he shall be entitled to refer the matter to the Engineer-in Charge who shall thereupon confirm, reverse or vary such decision.

39. **RESTRICTED AREA**

For work in operational area, all the necessary passes required shall be obtained by the contractor for his concerned laborers, supervisors, transport, machineries, etc. from the concerned authority for entire period of work. No extra payment shall be made by AAI in this regard.

40. WORK DURING NIGHT OR ON SUNDAYS AND HOLIDAYS:

Subject to any provisions to the contrary contained in the Contract, permanent works shall be carried out during night or on Sundays or on authorized holidays with the permission of the Engineer-in-Charge.

41. Tenderers are advised to inspect and examine the site and its surroundings and satisfy themselves before submitting their Tenders as to the nature of the ground and sub soil (so far as is practicable), the form and nature of the site, the means of access to the site, the accommodation they may require, working conditions including space for stacking of materials, installation of T&P, rates of various materials to be incorporated in works, conditions affecting accommodation and movement of labours

etc. and in general shall themselves obtain all necessary information as to risks, contingencies and other circumstances which may influence or effect their Tender. A Tenderer shall be deemed to have full knowledge of the site whether he inspects it or not and no extra charges consequent on any misunderstanding or otherwise shall be allowed.

42. Submission of a Tender by a Tenderer implies that he has read this notice and all other contract documents and has made himself aware of the scope and specifications of the works to be done and of conditions and rates at which stores, tools and plant, etc. will be issued to him by Airports Authority of India, local conditions, local material rates and other factors bearing on the execution of the works.

43. CONSTRUCTION EQUIPMENT

The contractor shall without prejudice to his overall responsibility to execute and complete the work as per specifications and time schedule, progressively deploy adequate calibrated equipments, tools, tackles and augment the same as decided by the Engineer-in-Charge depending on the exigencies of the work so as to suit the construction schedule. However, contractor has to deploy following minimum machineries as given below: -

	Name of Equipment to be deployed	Recovery rate per
Sl.		day per Nos for not
No.		deployment or break
		down more than
		three(3) days
1.	Concrete Weigh Batching Plant 1 Nos Minimum 20Cum Per	Rs 20,000/- per day
	Hour Capacity installed near field laboratory.	
2.	3nos Transit Mixer of required capacity.	Rs 4000/Each/Day
3.	2nos Excavator having the bucket capacity of 0.90 cum	Rs 3500/ Each/Day
4.	6 nos Needle vibrators (nozzle of dia 50 mm or more)	Rs 500/ Each/Day
5.	3 nos Water tanker-4000 litre with 1.5 hp diesel operated pump /	Rs 1000/ Each/Day
	3 nos 200mtr flexible PVC 25mm dia curing pipe.	
6.	3 nos Diesel/petrol operated Tamping rammer of required	Rs 500/ Each/Day
	capacity.	

In addition to the tools and plants and equipment's/apparatus and instruments required for laboratory and execution of the work as per Technical Specifications of the NIT, the following additional machineries are to be arranged at site by the contractor at his own cost within one months of stipulated date of start of work.

Necessary diesel/petrol/fuel & lubricants etc. for smooth running of all the equipments, vehicles and machineries deployed for the work shall be provided by the contractor at his own expenses. In the event of any break down of the plant, vehicles and machineries deployed for the work, the contractor shall take prompt remedial measure to put them back in working condition and nothing extra will be paid. To minimize break down period, necessary spare parts shall be kept readily available at site by the contractor at his own expense.

44. USE OF READY MIX CONCRETE

A.A.I	\circ	SCC- 14 of 15
A A I		

The contractor is allowed to use Ready Mix Concrete (RMC) from the batching plant as approved by the Engineer-in-Charge subjected to meeting Technical Specification of respective item. Also the contractor can use admixture to increase the workability of the concrete. However, nothing shall be paid extra for using RMC, admixture and transportation to site of work in transit mixer for all leads etc., reason what so ever. The concrete shall be paid into the respective item.

45. The Contractor shall fixed coordinates (latitude & longitude) and alignment of boundary wall time to time from government approved surveyor with help of DGPS and Total Station machine and nothing will be paid extra for this account.

TECHNICAL SPECIFICATIONS

(For Civil Works)

1.0 PREAMBLE

1.01 These technical specifications shall be read in conjunction with the various other documents forming the contract, namely Notice Inviting Tender & Instructions to Tenderers, Conditions of Contract, Special Conditions of Contract, Bill of Quantities and other related documents, together with any addenda thereto issued.

2.0 SCOPE OF WORK

- 2.01 The work to be carried out under this contract shall consist of various items as per description of works contained in the Bill of Quantities. Any discrepancy between the details given in Bill of Quantities and that provided in Technical Specifications of the corresponding items, the provisions of the Bill of Quantities shall take precedence.
- 2.02 The item rates quoted by the Contractor shall, unless otherwise specified also include compliance with/supply of the following:
 - a) General works such as setting out, clearance of site before setting out and clearance of works after completion.
 - b) A detailed program for the construction and completion of works (using CPM/PERT techniques) including updating of all such activities on the basis of decisions taken at the periodic site review meetings as directed by the Engineer-in-Charge.
 - c) Samples of various materials proposed to be used on the work for conducting tests thereon is required as per the provisions of the contract.
 - d) Mix design shall be got designed by the agency from the laboratory approved by AAI/IITs/NITs/Govt. Engineering College and the cost of mix design shall be borne by the agency and noting extra is payable on this account. Design of mixes as per relevant clauses of the specifications given proportions of ingredients, source of aggregates and binder along with accompanying trial mixes to be submitted to the Engineer-in-Charge for his approval before use on the works.
 - e) Setting of field testing laboratory with all required apparatus and staffs for conducting day to day quality control tests. All the quality control tests shall be carried out as per CPWD list of mandatory Tests and specified frequency.
 - f) Any other item of work which is not specifically provided in the Bill of Quantities but which is necessary for complying with the provisions of the contract.

3.0 OBLIGATIONS OF THE CONTRACTOR

- 3.01 In order to ensure that the contract work is executed strictly in accordance with this Agreement and in time, the Contractor shall have the following obligations at no extra cost to the Engineer-in-Charge in addition to such other obligations and responsibilities as have been specified elsewhere in this Contract.
 - i) Provision of adequate number of constructional Plant and machinery for mechanized system of construction, handling and transportation;
 - ii) Provision of special magazine at the site for storage of explosives, if necessary, for which required license shall be obtained from the concerned authorities;
 - iii) Fulfill all the Contractor's labour regulations i.e fair wages display of notices regarding wages, payment of wages, labour records, attendance cards-cum-wage slips, labour welfare etc. as per standard practices and norms applicable at site;,
- 3.02 All fossils, gold, silver, oil and other minerals, precious stones, coins, article of value, of antiquity and structures and other remains / things of geological or archaeological interest discovered on the site of the works shall be notified by the Contractor immediately to the Engineer-in-Charge for onward information to the concerned authorities.
- 3.03 The Contractor shall take all reasonable precaution to prevent his workmen or any other person from removing or damaging any such article(s) or thing(s) and protect the same till the removal as per the instructions of the Engineer-in-Charge.
- 3.04 Clearance of the site of all rubbish, debris, vats, tanks, materials, temporary structures, plant and machinery, scaffoldings and filling of all pits, excavation and hand over the site in a tidy and cleaned condition.
- 3.05 Opening up of covered work if instructed by the Engineer, if such covering was done before inspection by the Engineer or without permission/approval from the Engineer-in-Charge.
- 3.06 During the construction of the airfield pavement, the light foundations will have to be provided as per the drawings, specifications and directions of the Engineer-in-Charge at such appropriate stage as decided by him. The Contractor shall obtain the approval of the Engineer-in-Charge the work plan for placing the light foundation at their designated places. The rest of the pavement will be constructed around these foundations in place without causing any damage to the foundation. The rate quoted shall include all these requirements. During execution of works for providing shoulders, rolling operation should be conducted with utmost care so as not to damage the existing light fittings. Excavation and compaction around light fittings shall be done manually.

4.0 GENERAL

- 4.01 The works will be executed as indicated in the nomenclature of each item and technical specifications as given hereunder as made applicable to this contract.
- 4.02 In the absence of any definite provision in the technical specifications contained herein, reference may be made to the latest CPWD, MOST, IRC, ICAO Specifications and IS codes, in that order. Wherever these are silent, the construction and completion of the works shall conform to sound engineering practice and in case of any dispute arising out of the interpretation of the above, the decision of the Engineer-in-Charge shall be final and binding on the Contractor.
- 4.03 In addition, the abbreviations CPWD, IRC, MOST, IS, BS, ICAO ASTM, AASHTO shall be considered to have the following meaning: -

CPWD : Central Public Works Department

IRC : Indian Road Congress

MOST : Ministry of Shipping & Transport (Road Wing) Government of

India

IS : Indian Standard of the Bureau of Indian Standards

BS : British Standard of the British Standard ICAO : International Civil Aviation Organization

ASTM : American Standards of the American Society of Testing

Materials

AASHTO : American Association of State Highway and Transportation

Officials

All the codes of practice, standards and specifications applicable shall be the latest editions with upto date correction slips etc. or as directed by the Engineer-in-Charge.

5.0 TESTING

5.01 It is made clear that cost of testing, cost of material for testing, all field apparatus required for sampling and testing as per CPWD/IS codes and manpower incident to such testing will be provided along with necessary transport arrangement to and for the approved testing agency or laboratory by the Contractor during the construction phase of the work and defect liability period. The expenditure in this regard shall be borne by the Contractor and nothing extra shall be payable by AAI on this account. Field laboratory with all the required apparatus and staffs shall be established by the Contractor at site of work at his cost for carrying out field tests at stipulated frequencies.

6.0 SAMPLING AND TESTING

6.01 The Contractor or his accredited representative shall be present during sampling/testing and signify his concurrence for sampling/ testing carried out by signing the test records. The Contractor shall be liable of all actions consequent to the test and their results as if he himself attended to the tests. The Contractor is duly

advised to be present himself for sampling and testing or in the alternative, have fully qualified duly authorized Engineer for this purpose.

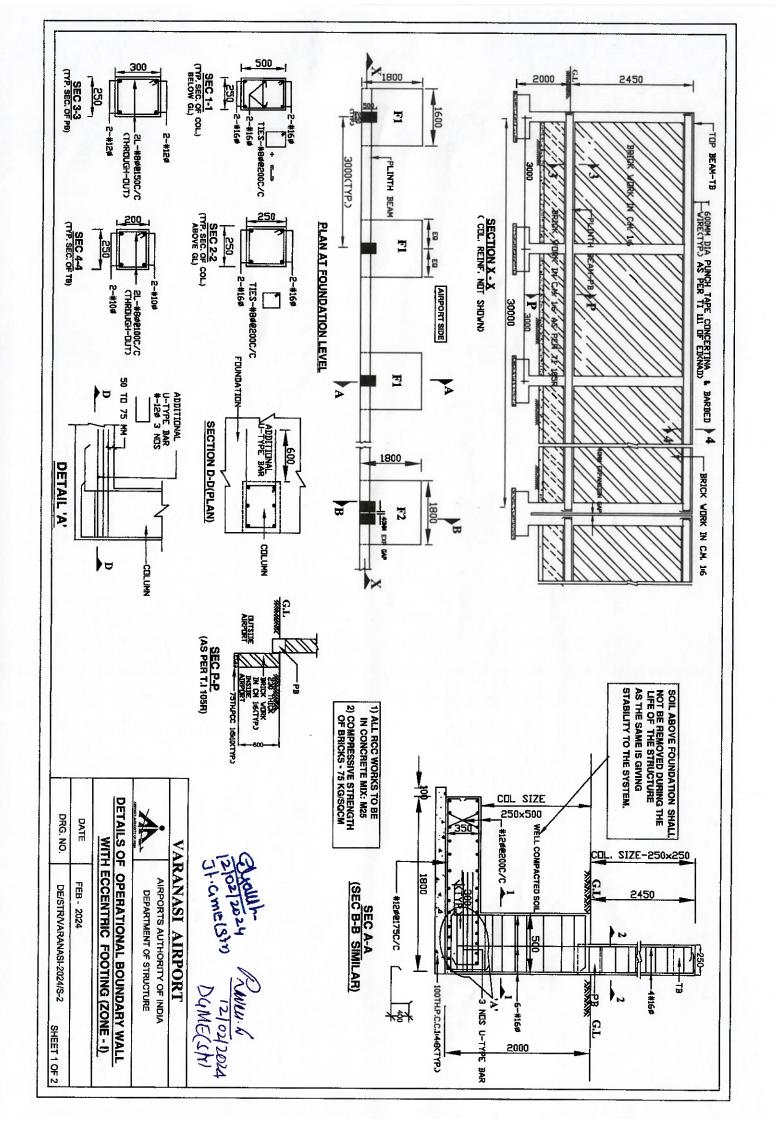

7.0 GENERAL LIST OF CODES, STANDARDS AND SPECIFICATIONS ADOPTED IN THE TENDER DOCUMENTS.

7.01 The following IRC standards and IS, ASTM, British Standards, Codes and CPWD Specifications have generally been adopted in the tender documents. This list however does not limit the use of any other relevant code or standards by the Engineer-in-charge solely at his discretion either referred to in the tender documents or not, to achieve the desired quality of work. All the codes practice, standards and specifications applicable shall be the latest edition with all correction slips, etc, or as directed by the Engineer-in-Charge.

- (d) IF, IT IS ESSENTIAL TO CHANGE A PARTICULAR DIAMETER OF STEEL BAR DUE TO ITS NON AVAILABILITY AT SITE , EQUIVALENT AREA SHALL BE THE CRITERIA PROVIDED. OTHER CODAL REQUIREMENTS ARE FULFILLED.
- 5. DISCREPANCY, IF ANY SHALL BE BROUGHT TO THE NOTICE OF THIS OFFICE BEFORE EXECUTION OF WORK,
- EXPANSION JOINT SHALL BE PROVIDED AT 30M C/C DR AS SPECIFIED.
- 7. WALL IS NOT DESIGNED FOR ANY EARTH PRESSURE AND IT IS ASSUMED THAT GROUND IS AT THE SAME LEVEL ON EITHER SIDE OF THE WALL.
- SCIL ABOVE THE FOUNDATION SHALL NOT BE REMOVED AS THE SAME IS GIVING STABILITY TO THE FOUNDATION
- 9. ALL ARCHITECTURAL FEATURES SHALL BE AS PER RELEVANT CIRCULARS/APPROVAL OF Depttof PLANNING.
- 10. THIS DRAWING IS BASED ON THE FOLLOWING COMMUNICATIONS:
- i) E-MAIL DATED 24.01.2024 OF DGME(C), LBSI AIRPORT, VARANASI
- 11. TYPICAL DETAIL OF SHEAR REINFORCEMENT (STIRRUPS), COLUMN TIES (LINKS) AND NOMINAL COVER IS SHOWN BELOW:

DETAILS OF OPERATIONAL BOUNDARY WALL WITH ECCENTRIC FOOTING (ZONE - I)

DRG. NO. DE/STR/VARANASI-2024/S-2 SHEET 2 OF 2

FEB - 2024

NOTES

- ALL DIMENSIONS ARE IN MILLI-METRES, UNLESS OTHERWISE STATED, ONLY WRITTEN DIMENSIONS ARE TO BE FOLLOWED, NO DIMENSION IS TO BE SCALED OFF, REINFORCEMENT BARS SHALL NOT BE COUNTED. THIS DRAWING IS BASED ON SAFE BEARING CAPACITY OF 8.5 TONNES PER SOM AT A DEPTH OF 2.0 METRES BELOW GROUND LEVEL AFTER GROUND IMPROVEMENT AS RECOMMENDED IN THE SOIL REPORT FORWARDED VIDE E-MAIL DATED: 15.02.2024 OF DGME(C), LBSI AIRPORT, VARANASI
 - 3. NOMINAL COVER TO ALL STEEL REINFORCEMENT, INCLUDING LINKS SHALL BE AS UNDER -

50 mm OR DIA OF BARS WHICH-EVER IS GREATER (a) FOUNDATION SLAB

30 34

(C) COLUMN (b) BEAM

* NOMINAL CONCRETE COVER MEANS, CLEAR COVER OF CONCRETE TO THE COVTERMOST REINFORCEMENT LAYER I.P. STIRRUPS/ LINKS INCASE OF BEAMS/ COLUMNS.

4.(a) TMT BARS OF GRADE Fe-500/Fe500D AND CONFORMING TO OTHER REQUIREMENTS OF 13-1786/2008 SHALL BE USED. IS-1786-2008 SHALL BE USED.

(b) LAPS, WHEREVER REQUIRED , ARE TO BE STAGGERED AS DIRECTED BY THE ENGINEER-IN -CHARGE. LAP LENGTH SHALL BE AS PER IS -456 (LATEST) VIDE CLAUSE NO. 26,25,NOT MORE THAN 50 PERCENT OF OF THE BARS SHALL BE SPLICED AT ONE SECTION.

REINFORCEMENT BARS SHALL BE PROPERLY SUPPORTED , SO THAT THEY REMAIN IN CORRECT POSITION DURING CONCRETING. ŷ

(d) IF, IT IS ESSENTIAL TO CHANGE A PARTICULAR DIAMETER OF STEEL BAR DUE TO ITS MON AVAILABILITY AT SITE, EQUIVALENT AREA SHALL BE THE CRITERIA PROVIDED OTHER CODAL REQUIREMENTS ARE FULFILLED.

5. DISCREPANCY, IF ANY SHALL BE BROUGHT TO THE NOTICE OF THIS OFFICE BEFORE EXECUTION OF WORK 6. EXFANSION JOINT SHALL BE PROVIDED AT 30M C/C OR AS SPECIFIED.

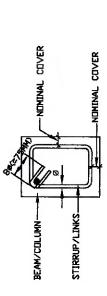

7. WALL IS NOT DESIGNED FOR ANY EARTH PRESSURE AND IT IS ASSUMED THAT GROUND IS AT THE SAME LEVEL ON EITHER SIDE OF THE WALL

8, SDIL ABOVE THE FOUNDATION SHALL NOT BE REMOVED AS THE SAME IS GIVING STABILITY TO THE FOUNDATION,

9. ALL ARCHITECTURAL FEATURES SHALL BE AS PER RELEVANT CIRCULARS/APPROVAL OF Depttof PLANNING.

D E-MAIL DATED 24.01.2024 & 15.02.2024 OF DGMEKC), LBSI AIRPORT, VARANASI 10. THIS DRAVING IS BASED ON THE FOLLOWING COMMUNICATIONS:

Schedule of Quantity (SOQ)

Name of Work:- Construction of Boundary wall for newely acquired land at LBSI airport Varanasi

SN	Item Description	Unit	Qty
1	Earth work in excavation by mechanical means (Hydraulic excavator)/manual means over areas (exceeding 30 cm in depth, 1.5 m in width aswell as 10 sqm on plan) including getting out and disposal of excavated earth lead upto 50 m and lift upto 1.5 m, as directed by Engineer -incharge. All kinds of soil		
		CUM	32985.00
2	Extra for every additional lift of 1.5 m or part thereof in excavation / banking excavated or stacked materials.All kinds of soil		
		CUM	10994.00
3	Filling available excavated earth (excluding rock) in trenches, plinth, sides of foundations etc. in layers not exceeding 20cm in depth, consolidating each deposited layer by ramming and watering, lead up to 50 m and lift upto 1.5 m.		
		CUM	24937.00
4	Clearing jungle including uprooting of rank vegetation, grass, brush wood, trees and saplings of girth up to 30 cm measured at a height of 1 m above ground level and removal of rubbish up to a distance of 50 m outside the periphery of the area cleared.		
		SQM	35976.00
5	Providing and laying in position cement concrete of specified grade excluding the cost of centering and shuttering - All work up to plinth level : (a). 1:4:8 (1 Cement : 4 coarse sand (zone-III) derived from natural sources : 8 graded stone aggregate 40 mm nominal size derived from natural sources)		
		CUM	1040.00
6	Providing and laying in position cement concrete of specified grade excluding the cost of centering and shuttering - All work up to plinth level : (a). 1:5:10 (1 cement : 5 coarse sand (zone-III) derived from natural sources : 10 graded stone aggregate 40 mm nominal size derived from natural sources)		
		CUM	519.00

SN	Item Description	Unit	Qty
7	Providing and laying in position ready mixed or site batched design mix cement concrete for reinforced cement concrete work; using coarse aggregate and fine aggregate derived from natural sources, Portland Pozzolana / Ordinary Portland /Portland Slag cement, admixtures in recommended proportions as per IS: 9103 to accelerate / retard setting of concrete, to improve durability and workability without impairing strength; including pumping of concrete to site of laying, curing, carriage for all leads; but excluding the cost of centering, shuttering, finishing and reinforcement as per direction of the engineer -in-charge; for the following grades of concrete. Note: Extra cement up to 10% of the minimum specified cement content in design mix shall be payable separately. In case the cement content in design mix is more than 1.10 times of the specified minimum cement content, the contractor shall have discretion to either re -design the mix or bear the cost of extra cement All works upto plinth level (a). Concrete of M25 grade with minimum cement content of 330 kg /cum		
	(a). Concrete of M25 grade with minimum cement content of 550 kg /cdm	CUM	4426.00
8	Providing and laying in position ready mixed or site batched design mix cement concrete for reinforced cement concrete work; using coarse aggregate and fine aggregate derived from natural sources, Portland Pozzolana / Ordinary Portland /Portland Slag cement, admixtures in recommended proportions as per IS: 9103 to accelerate / retard setting of concrete, to improve durability and workability without impairing strength; including pumping of concrete to site of laying, curing, carriage for all leads; but excluding the cost of centering, shuttering, finishing and reinforcement as per direction of the engineer -in-charge; for the following grades of concrete. Note: Extra cement up to 10% of the minimum specified cement content in design mix shall be payable separately. In case the cement content in design mix is more than 1.10 times of the specified minimum cement content, the contractor shall have discretion to either re -design the mix or bear the cost of extra cement. All works above plinth level upto floor V level (a). Concrete of M25 grade with minimum cement content of 330 kg /cum	CONT	1120.00
		CUM	543.00
9	Add for using extra cement in the items of design mix over and above the specified cement content therein	Qtl	1242.00
10	Steel reinforcement for R .C.C. work including straightening , cutting, bending, placing in position and binding all complete upto plinth level .	Qu	1242.00
	(a). Thermo-Mechanically Treated bars of grade Fe-500D or more.	KG	425399.00

SN	Item Description	Unit	Qty
11	Steel reinforcement for R .C.C. work including straightening , cutting, bending, placing in position and		
	binding all complete above plinth level .		
	(a). Thermo-Mechanically Treated bars of grade Fe-500D or more.	KG	98413.00
12	Centering and shuttering including strutting, propping etc. and removal of form work for :		
	(a) Foundations, footings, bases for columns	SQM	9436.00
13	Centering and shuttering including strutting, propping etc. and removal of form work for :		
	(a) Columns, piers, abutments, pillars, posts and struts	SQM	16302.00
14	Centering and shuttering including strutting, propping etc. and removal of form work for :		
	(a) Retaining walls, return walls, walls (any thickness) including attached pilasters, buttresses, plinth and		
	string courses fillets, kerbs and steps etc.	SQM	8269.00
15	Brick work with common burnt clay F.P.S. (non modular) bricks of class designation 7.5 in foundation and		
	plinth in :		
	(a)Cement mortar 1:6 (1 cement : 6 coarse sand)	CUM	3423.00
16	Brick work with common burnt clay F .P.S. (non modular) bricks of class designation 7.5 in superstructure		
	above plinth level up to floor V level in all shapes and sizes in		
	(a).Cement mortar 1:6 (1 cement : 6 coarse sand)	CUM	1997.00
17	12 mm cement plaster of mix :		
	(a). 1:4 (1 cement: 4 coarse sand)	SQM	24350.00
18	15 mm cement plaster on rough side of single or half brick wall of mix :		
	(a). 1:4 (1 cement: 4 coarse sand)	SQM	22101.00
19	Extra for lining out plaster to imitate stone or concrete blocks walling	SQM	44203.00
20	Finishing walls with Acrylic Smooth exterior paint of required shade : (a). New work (Two or more coat		
	applied @ 1.67 ltr/10 sqm over and including priming coat of exterior primer applied @ 2.20 kg/10 sqm)		
		SQM	46451.00
21	Lettering with black Japan paint of approved brand and manufacture	•	40431.00
<u> </u>	Lettering with black Japan paint of approved brand and manufacture	per letter per cm hight	
		Citi flight	179880.00
22	Structural steel work in single section, fixed with or without connecting plate, including cutting, hoisting,		
	fixing in position and applying a priming coat of approved steel primer all complete		
	11 7 1 2 1 1 1 7 1 2 1 1 1 1 1 1 1 1 1 1	V.C	04057.00
		KG	24357.00

SN	Item Description	Unit	Qty
23	Steel work in built up tubular (round, square or rectangular hollow tubes etc.) trusses etc., including cutting, hoisting, fixing in position and applying a priming coat of approved steel primer, including welding and bolted with special shaped washers etc. complete.1)Hot finished welded type tubes		
		KG	355.00
24	Painting with synthetic enamel paint of approved brand and manufacture of required colour to given an even shade :		
	(a). Two or more coats on new work over an under coat of suitable shade with ordinary paint of approved brand and manufacture		
		SQM	2653.00
25	Providing and fixing concertina coil fencing with punched tape concertina coil 600 mm dia 10 metre openable length (total length 90 m), having 50 nos rounds per 6 metre length, upto 3 m height of wall with existing angle iron 'Y' shaped placed 2.4m or 3.00 m apart and with 9 horizontal R.B.T. reinforced barbed wire, stud tied with G.I. staples and G.I. clips to retain horizontal, including necessary bolts or G.I. barbed wire tied to angle iron, all complete as per direction of Engineer -in-charge, with reinforced barbed tape(R.B.T.) / Spring core (2.5mm thick) wire of high tensile strength of 165 kg/ sq.mm with tape (0.52 mm thick) and weight 43.478 gm/ metre (cost of M.S. angle, C.C. blocks shall be paid separately)		
		RM	8994.00
26	Construction of granular sub-base by providing close graded Material conforming to specifications, mixing in a mechanical mix plant at OMC, carriage of mixed material by tippers to work site, for all leads & lifts, spreading in uniform layers of specified thickness compacting with Tamping rammer to achieve the desired density, complete as per specifications and directions of Engineer -in-Charge. 1)With material conforming to Grade-I (size range 75 mm		
	to 0.075 mm) having CBR Value-30	CUM	2582.00
